I have a '74 Duster and replaced the original 318 engine with a cop 318 from a '87 Diplomat (also replaced the 904 with an 833). I have stuff left over from the swap that I am willing to give to anyone who wants it. Included in the grab bag are the original 318 (2-bbl) (134 k miles, needs rebuild) and various parts from the '87 Diplomat (oil cooler, trans cooler, cold air package, exhaust manifolds, a/c brackets etc.) I realize my stuff does not have much value in the grand scheme of all things Mopar, I am short on storage space and would rather give the stuff to someone who may have a use for it rather than take it to the dump. Please call Greg Faulk at (615) 662-1243 if you have any questions.
