Exhaust Notes

Thanks to everyone who made the Dealer Show at Bob Frensley Chrysler-Jeep-Dodge a big success. The weather started out cool and overcast, but as the day progressed, the sun came out and it turned into a warm and beautiful day. The club turned out in force, and their vehicles along with the Jeeps from the Jeep Club, brought lots of attention to our dealer and created quite a bit of traffic on the lot from the folks traveling by on Gallatin Road. Special thanks to our hosts at Bob Frensley, especially Paul Blender, who worked hard to put the show together and was one of the chefs doing the cooking. Sorry to hear he is giving up cooking! Also, thanks to member Richard Price for his help coordinating the show with Paul and the Dealership, and helping get the word out to the club members. Thanks again everyone!

The meeting started with an apology from John Sanderson for being sick. Several of us knew he was feeling puny, but did not realize how bad he was feeling. I wonder who should be apologizing to whom? He thanked everyone for coming, the great turnout of cars, and the hospitality and great job the dealership did putting the show on. Next, Paul Blender spoke for the dealership and expressed their thanks to everyone for their participation and help in making the show a success. Paul said he thought the event was "A Positive for the Dealer and the Club." Paul was proud to announce a package of Dealership Incentives for MCMC Members (Members Only). These include: 1) New Vehicle Purchase: Factory Invoice + Add ons, this does NOT include Challengers which are \$500.00 off MSRP. 2) Mopar Parts: List minus 25%. 3) Customer Paid Labor: 10% Discount. 4) Bird Dog: \$100.00 if sent by a MCMC Member and Vehicle is sold. This offers us the ability to help our dealer and get rewarded at the same time. Thanks Guys! Paul also presented the dealer awards to Garry Wilkerson, Paul Mullins, and Kevin and Debbie Young. Congratulations Folks! Next, the possible purchase of a trailer resurfaced with a bit of research to be done to firm up pricing and availability from various vendors before the next meeting. Stan Hardcastle again requested help and ideas on getting publicity for our car show. It's coming quickly! Richard Price suggested that any referrals to the dealership be directed to Paul Blender as we know he is a "1st Class Act" and will treat our referrals as we would like to be treated!

Finally, we decided to try to have a picnic meeting at Long Hunter State Park if it is available. Lester Bentley checked and found all the shelters were reserved, so the meeting will be held on June 27th at 7:00 PM, at the Saturday Night Cruise at Chick-Fil-A in Providence Marketplace in Mt. Juliet. Directions are in the newsletter.

See you Saturday at the Cruise and meeting!
