Exhaust Notes

Well, our 20th Annual MCMC Car Show (& Mud Bog) is history, and what a show it was! The weather certainly did not cooperate on Saturday, with a steady downpour that only waterfowl could love. Many of our vendors were operating in standing water and mud, but everyone was still looking for those special parts and treasures. Only about thirty show cars showed up on Saturday and those folks were real troopers. The weather finally broke about 3:00pm, and it was amazing how quickly those cars dried off. Richard Price's Mopar videos proved to be a tremendous hit. Sunday was beautiful (it figures), and we had about seventy show cars, and the judges were busy. Special thanks to all the show participants and our vendors for hanging with us! I am still wondering how many cars we would have had, if we had had good weather?

Thanks to all of the members who helped to make our 20th annual car show a success. Our show would not have been possible without our members and their spouses, who volunteered to work registration, parking, classification, judging, and all the other things it takes to run a show. Special thanks go to those of you who came early and stayed late to help us setup and tear down the show. It was a busy and damp three days, but the satisfaction of seeing old friends and getting so many great Mopars together for a show made it more than worthwhile.

Special thanks to our show sponsors, *Frensley CJD*, *Hunter's Custom Automotive*, and *Stephen's Performance* for all of their help and support. I felt sorry for Paul Blender, from Frensley CJD, standing out in the rain by those four beautiful new cars he brought over from the dealership. Let's hope it will be better next year. Everyone thought the show shirts were fabulous, and we would like to thank Hunter's Custom Automotive for helping with the design and procurement of the shirts. Thanks also to member Stan Hardcastle who worked with Hunter's on the shirt design.

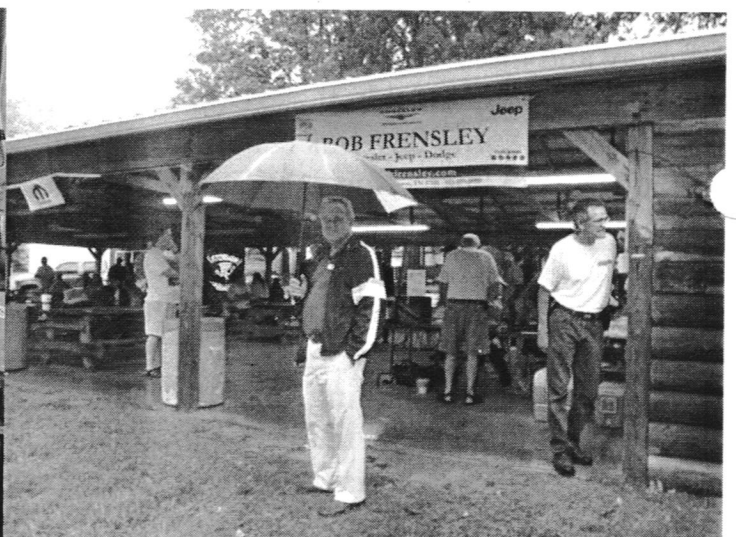

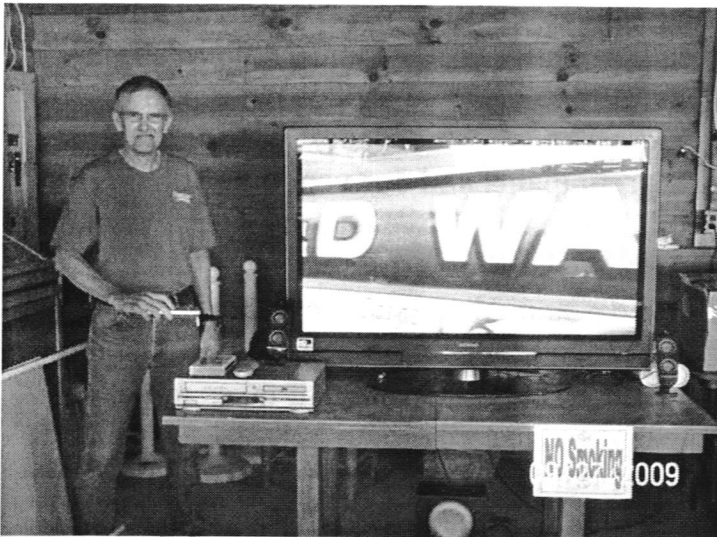

A couple of fall car shows of local interest include the "2nd Annual Good-Guys Nostalgia Nationals", at Beech Bend Raceway Park in Bowling Green, KY, with the big day being Saturday, October 17th. The following Sunday, October 18th, the Wilson Bank & Trust's

Annual Oktoberfest Car Show will be held in Lebanon, TN. This is a great one day open show with tons of activities to keep the wife and kids happy.

Our October meeting will be a dealer show and meeting at our dealer sponsor, *Frensley CJD*. It is important that we support them and help them to survive in this turbulent economy we are experiencing. The show and meeting will be held on **Sunday, October 25th**, at the dealership on Gallatin Road, from 12 Noon until 5:00 PM. We would like to have strong club participation with 30 to 40 show vehicles at the event. Paul Blender, our dealer contact, said the dealership is again planning an e-mail campaign, event fliers, and road signage to get the word about the event out. The club also needs to talk it up and encourage everyone to come. Let's hope for great weather and let's show the world our great Mopars. (Members on e-mail will get updates)

Remember... This meeting will be for Officer Nominations for 2009, an important meeting. Please be there with your suggestions and nominations.

See you on Sunday at the show/meeting and don't forget your Mopar!
