Exhaust Notes

Thanks to everyone who made our show at **Bob Frensley CJD** a huge success! What a great cross section of Mopar trucks, classics, and muscle in just about every color. Thanks to Paul, Jennifer, Tim, and Scott of the dealership, for the wonderful welcome and the great food! The weather even cooperated, with only a few drops of rain at about 4:30 pm, well after most members and their rides were long gone! Thank goodness we did not have the show the next weekend as it would have definitely been a wash out, with the only good thing being we were on high ground. Here's hoping everyone made it through the flood without any serious damage.

John started the meeting with a big thank you for all the folks at **Bob Frensley CJD** for their hospitality and making us all feel at home. Everyone commented on the great food, especially the chicken and the ribs!

Next, Paul Blender, our main dealer contact, then took the floor to address the meeting. First, he took a moment to thank everyone for the great turnout at the show and to say he thought the show was a "Win / Win" for both the club and the dealership, as it got us both notice and recognition! He also expressed thanks to the great cooks for their hard work. He next explained some recent changes to their management team and introduced some new faces. First was Jennifer Frensley, General Manager, Tim Wolford, General Sales Manager (and great cook), and Scott Stone, Sales Manager. The club greeted all with a warm round of applause. Before presenting the trophies, Paul wanted to thank Brian Hayes of Brian's Motorsports for the handouts he supplied for the show. The Dealer's Choice Trophies were awarded as follows:

1 st Place	Wayne Hall	1971 Dodge Challenger
2 nd Place	Lars Skroder	1971 Plymouth GTX
3 rd Place	Steve & Louie Yeldell	1968 Plymouth Barracuda

The drawing for the \$100.00 Service Gift Certificate went to Jack Stone.

Next, after more applause for Paul and the winners, John recognized two new members to the club. The first was James Dunlap from Goodlettsville, with a Challenger R/T, and a former member Scott Karns with a beautiful Prowler. Welcome and it is great to have you with us!

Richard Price again reminded everyone he was going to submit pictures and articles on members' cars to *Mopar Performance Magazine*, Readers Rides section. We had several members who expressed interest but so

far he has had a limited response. If you wish to include your car, please send Richard some good pictures, details of your ride, and a brief history of your car.

Wayne Hall had club show flyers for handout at the meeting and encouraged everyone to take a few to pass out to other Mopar lover's at shows or at cruises we attend.

Stan Hardcastle wanted to remind everyone of the Good Guys Show in Nashville on May 21-23. It's a great open show for vehicles manufactured prior to 1972. If you go, don't forget, the May club meeting is on Saturday night, May 22. Also, all the local cruises have started, so lets' get out and enjoy our cars!

Ron Gillespie also wanted to remind everyone of the Smokey Mountain Mopar show in Sevierville, TN on June 5th. It's a one day-all Mopar show that is always great and not a far drive!

Also, congratulations to Shane Vachunek, son of Mopar Club members, Robert and Tracy Vachunek, who received his "Criminal Justice" Degree from MTSU on Saturday, May 8, 2010. Shane will serve his country with an extended tour of duty in Germany beginning in a few months.

Finally, our May Club Meeting will be held on Saturday night, May 22, at the Mt. Juliet Cruise In, at the CHICK-FIL-A in Providence Marketplace. The cruise starts at 5:00pm and our meeting will be at 7:00pm. Let's hope for pretty weather and let's show the world our Mopars! See you there!

Nice Rides Mr. Price
