Exhaust Notes

Well . . . our June meeting was a washout, and I mean a washout with a capital **W**. Before I left for the meeting, I had checked the local radar and the only area looking that bad was parked over Columbia, and it wasn't moving. When we arrived to stake out our meeting area, it was overcast, but it didn't look to bad, but the closer to 7:00 pm it got, the worse it looked, and as luck would have it, the bottom fell out at about 6:55. Along with the torrential rains came a huge lighting display to help finish off the show. The rains continued for quite sometimes and without a suitable place to retreat to undercover, the meeting was adjourned without ever being called to order. Thanks to Louie Yeldell, Stan Hardcastle, Jack Stone, Larry Crawford, Richard and Linda Price, Wayne Hall, John and Tammy Sanderson, Wayne Ligon, Bill and Faithe Cook, and Ron Gillespie for making it the washout! We also want to thank Chuck Louis, from Tennessee Speed Sport, who had come down to check out the cruise and visit with the club. Thanks again to everyone who came!

As previously planned, our July Meeting and *Summer Picnic* are scheduled for July 25th in Long Hunter State Park. Lester Bentley has reserved a well equipped picnic area that includes a large covered pavilion with picnic tables and plenty of space for activities. Meet and Greet begins at 12:00 noon, we will eat at 1:00 PM, and our meeting will start at 2:00 PM. The club will furnish the meat {burgers, dogs, and possibly some fresh road kill}. Club members are asked to bring a suitable side dish. Please contact Linda Price {cell phone 615-557-5214} by July 23rd with the following information:

1. The number of people in your group {if you are not sure about attending, call anyway so that the club will have enough meat}
2. Side dish that you will bring: fix-ins {lettuce, tomatoes, onions, etc}, salad, vegetable, casserole, desserts, or drinks, ECT.

Also, don't forget to bring your Mopar so we can take some pictures to be included with other club members' vehicles that will be submitted to "Mopar Performance" Magazine's Readers Rides Department. Directions are in the newsletter.

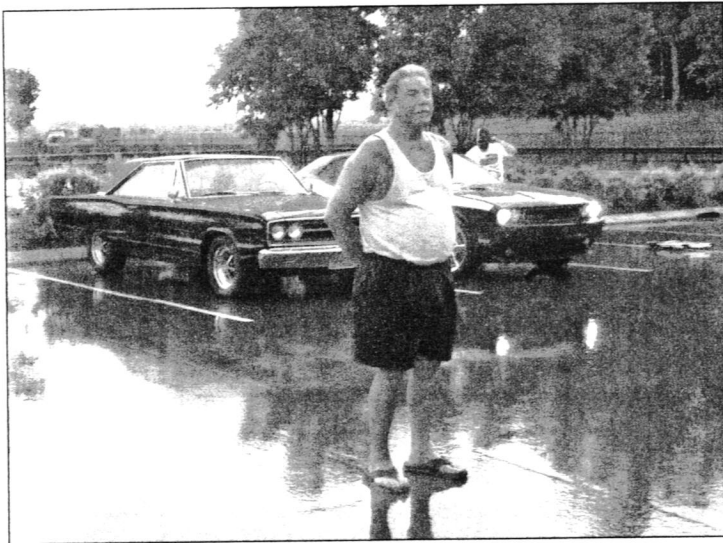

Finally, I just heard that new member Jim Harris has been in the hospital with a heart attack. He is now back home and feeling much better! Let's keep in our prayers and wish him a speedy recovery!

See you at the Picnic and Meeting and plan on having a fun time in the great outdoors!

Music City Mopar Club Members

Our 2010 show is fast approaching, now only two months away, and it is time for us to all get busy getting ready for the show. As a club member, we need your help in getting ready for the show and your help during the show to make it a success. One way to do this is by helping to selling class sponsorships. If you know of a business that would like to sponsor a class, please contact them, or if you can sponsor a class it would be a great way to support the club. The cost is only \$75.00 and sponsor gets their name on the class trophies, their name announced during the show, and their name in our Advertiser's Directory. Another way to help is by working with your local business, the ones' you trade with often, to secure door prizes and goody bag stuffers. Don't be afraid to ask your local businesses, many are willing to help you and us, if we just ask! Don't forget, you can also volunteer to help during the show. We will need help with setup, registration, parking, vendors, judging, tare down, and much more. Remember, the more people involved, the easier it is on everyone!
