## *Exhaust Notes*

WOW . . . what great weather for our 21<sup>st</sup> Annual MCMC Car Show! A sprinkling of rain on Friday night settled the dust, and Saturday and Sunday turned into beautiful days as the weather cooled a bit for the show. We had about one hundred and fifteen show vehicles on the field which gave everyone plenty to look at and over forty vendors with lots of parts and treasures to sort thru. The quality of the show vehicles was outstanding, which says a lot for the all for all the work and effort put into each of the vehicles by their owners. Thanks to everyone who attended and helped make our show a success!

Thanks to all of the members who helped to make our 21<sup>st</sup> annual car show a tremendous success. A show like ours would not be possible without the help of our members and their spouses, who volunteered to work registration, parking, classification, judging, and all the other things it takes to run a show. Special thanks go to those of you who came early and stayed late to help us setup and tear down the show. It was once again a busy three days, but the satisfaction of seeing old friends and getting so many great Mopars together for a show, made it more than worthwhile.

Special thanks to our show sponsors, **Bob Frensley CJD**, **Hunter's Custom Automotive**, and **Stephen's Performance** for all of their help and support. Justin Smith from Frensley brought over three beautiful new vehicles for display and presented the dealer choice trophy during the awards on Sunday. Once again, everyone thought the show shirts were fabulous, and we would like to thank Johnny and Linda Freund at Hunter's for helping with the design and procurement of the shirts. It was also great to see Ted and Jackie Stephens of Stephens Performance up for the show. We appreciate all the support they have provided us over the years and appreciate all they do for our hobby. Please remember all of these folks when you are looking for a new ride or service on the one you have, or you are looking for those special wheels & tires to accent your ride, or that special part or sheet metal you need to complete your vintage Mopar.

John opened our September Goodie Bag Stuffing meeting by thanking Lester and Pam Bentley for hosting the event at their home. John then went on to thank Wayne Hall, Jack Stone, Stan Hardcastle, and Ron Gillespie on their efforts to organize the trailer. Everyone thought it was well thought out and looks great! Thanks Guys! John continued on to discuss details of the upcoming show, now past, and answer questions from the group about the show.

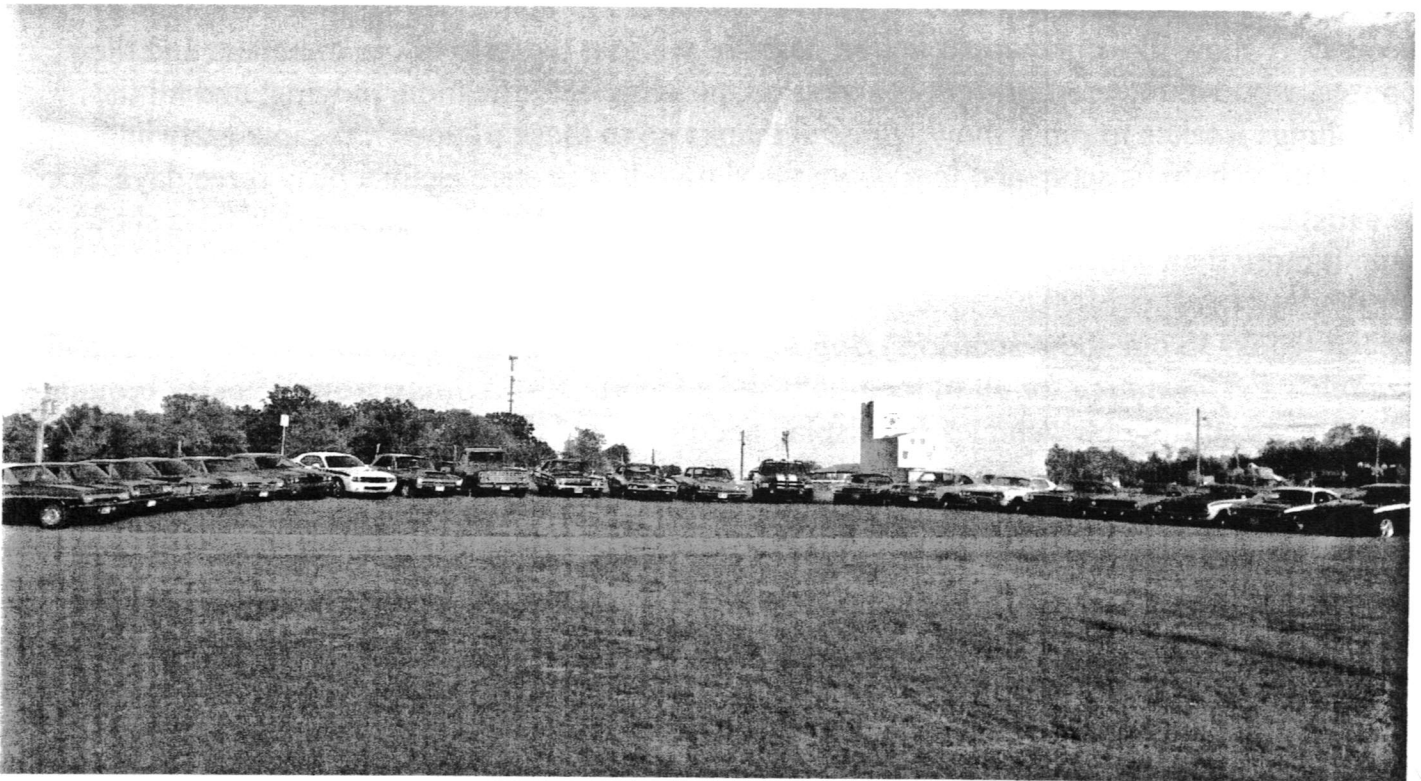

John then moved to resume the discussion from the past meeting on the retirement of the numbers of deceased members. After much discussion, a motion was made that the club should retire a deceased member's number for a period of one year and then releases the number for reuse. To remember these members long-term, we will place a plaque in the club trailer with their names. Members must be in good standing with the club at the time of their death to be included. The motion was seconded and adopted by the membership.

Next, it was decided that our October meeting would be held at the Oktoberfest Car Show at Wilson Bank and Trust in Lebanon, TN on Sunday, October 17, at 2:00 PM. This is a great show that usually draws 300+ cars and trucks. So come on out and bring those cars.

**Remember...** This meeting will be for Officer Nominations for 2010, an important meeting. Please be there with your suggestions and nominations.

Finally, we are sad to note the recent passing of Jack Stone's father in Kentucky. Please keep him and his family in your thoughts and prayers.

See you at Oktoberfest, and drive those Mopars!

What a great looking group of cars!

## *Directions to Oktoberfest*

*At  
Wilson Bank & Trust
