## Exhaust Notes

I hope this newsletter finds you and your family well! Thanks to everyone who made it to our January club meeting at the Ponderosa Steakhouse in Lebanon. The meeting was very well attended and we want to thank Ponderosa and their staff for the great food and service. For the second year in a row, we have had a very cold and snowy winter, and I think everyone is happy to see the warm weather over the past few days!

The meeting started with a reminder that the February meeting is our By-Laws meeting. Please review your copy of the by-laws and be prepared to offer or debate any changes to the by-laws. Also, don't forget that the Swap Meet is the first full weekend in March, the 5<sup>th</sup> and 6<sup>th</sup>. The club will have a booth at the show for club uses. Bring a chair if you want to sit. This is a great Mopar swap meet so if you are looking for something special for that old hot rod, come on up!

Stan updated us on the Hunter's Show and said that Hunter's had once again invited us to enter several cars and they would group us together as a club. They in fact challenged us to fill one room. Now that would be cool if we can pull it off. Richard Price, Jack Stone, and Wayne Hall have been working to make it happen and I am sure we will have more on their efforts at the meeting. Remember, the deadline to enter the Hunter's show is March 1, 2011. Stan also said he had been in touch with *Mopar Collector's Guide*, and our club show will be listed in the MCG Show Planner.

We welcomed a new member, Robert Robinson, into our family. He lives in Gallatin and owns a 1974 Dodge Charger. It's great to have you with us!

We were also happy to see Garry Wilkerson, Denny Richardson, and Nick Wilmore at the meeting. Garry and Nick have both been under the weather, and Garry is still suffering through the long recovery from a severe fall. Let's all pray for their continued rapid return to good health.

Finally, our February meeting will be held on Sunday, February 27, 2011, at the Ponderosa Steakhouse in Lebanon, TN. Meet and Greet will start at 1:00 pm and the meeting will start at 2:00 pm. Come on out and if the weather is good, drive those Mopars! Directions are included in the newsletter.

## A Message from J. Orrand to Music City Mopar Club Members

# CHALLENGERFEST

April 29 - May 1, 2011 Beech Bend Raceway, Bowling Green, KY

Hey guys,

I'm organizing an event the weekend of April 30, 2011 up in Bowling Green, KY. I've rented Beech Bend Raceway Saturday April 30 for a private event from 10am – 5pm. I set aside Saturday May 7, 2011 as a rain date just in case the weather doesn't cooperate.

We're going to have a car show, drag racing, road course, possibly a dyno on site, etc.

I've got a page up on my website with event details:

### Event Details

We've got close to 50 folks signed up thus far, and I expect it to continue to grow between now and mid April.

I wanted to invite the club up if you guys wanted to come. I'm sure the folk would love to see some old school Mopar muscle. The event will mainly be modern Challengers, but I've invited a few Mustang and Camaro friends as we need a few to beat up on, haha.

Let me know if you guys think you can make it out. Should be a good time.
