Exhaust Notes

Well, it has been a busy month, with a trip to the Indy Swap Meet and a great Hunter's Show just this past weekend. At least the weather has moderated somewhat and it looks like we may have a few great spring days at hand. As always, I hope this newsletter finds you and your family well. Our February meeting in Lebanon was well attended and everyone had a great time. Thanks to everyone who attended.

The Indy Swap Meet was again fabulous, with a wide variety of vendors and a big crowd of treasure hunters. The club was well represented and our space was covered with parts that members brought to sale, and most of those parts found new homes. Members present included Lester Bentley, David Bollinger, Bill Cook, Ron Gillespie, Wayne Hall, Stan Wardcastle, Anthony Holt, Lonnie & Jo Ann Pierce, Robert Robinson, John Sanderson, Greg Shelton, Lars Skroder, Jack Stone, and Chuck Vaughn. Hope I didn't leave anyone out!

The Hunter's Show was very special for the club this year as we filled one of the exhibition rooms with only Mopars, and man, was it impressive! Thanks to our members and club friends who displayed their twenty four (24) Mopars in the show. I realize the demands a show like this puts on the participants, and I want to thank everyone who made the extra effort to get their cars there for the show. Special thanks also go to Richard Price, Wayne Hall, and Jack Stone for their efforts to get this group of Mopar owners together for the display. Lets' also not forget to congratulations to Johnny and Linda Freund and all the folks at Hunter's for another great show.

As February is our by-laws meeting, the first order of business was to readopt our by-laws with no changes for another year. We next discussed the both the Indy and Hunter's shows. Next, Mike Wilkins gave a Show Committee report on the status of the upcoming vendor survey. Mike discussed the layout and the questions on the survey and the club approved a drawing for a couple of vendor spots as an incentive to get vender participation in the survey. The Plan is to have the survey in the mail by March 19th.

We welcomed a new member, Eddie Crouch, into our club family. Eddie lives in Smyrna and he owns a red 2009 Dodge Challenger. It's great to have you with us!

Wallace Whitaker's wife, Tricia, had surgery earlier this month, and is recuperating at home. Let's keep them in our prayers and we wish her a speedy recovery.

Finally, our March meeting will be held on Sunday, March 27, 2011, at the Ponderosa Steakhouse in Lebanon, TN. Meet and Greet will start at 1:00 pm and the meeting will start at 2:00 pm. Come on out and if the weather is good, drive those Mopars! Directions are included in the newsletter.
