Exhaust Notes

Well, apparently spring is here! I can tell by all the high winds, heavy rains, severe storm warnings, tornado watches, and my allergies. I sure hope this newsletter finds you and your family well, without any storm damage or allergies! Thanks again to Ponderosa Steak House in Lebanon and their fine staff for hosting our meeting. The meeting was well attended and I want to say thanks to everyone that attended.

As the meeting started, John once again thanked the members for all their support and hard work at the Hunter's Show. It was really an impressive display for the club and we received lots of great comments from the public at the show. Again, special thanks to Richard Price, Wayne Hall, and Jack Stone for their efforts to get that great group of Mopars together, and to Stan Hardcastle for his work coordinating our club's efforts with the good folks Hunter's.

Next, we all wished Louie Yeldell a very Happy Birthday, and many, many more to come! Thanks for spending part of your special day with us!

Next, Mike Wilkins gave a short update of the on the Show Committee activity. Mike reported that the vendor survey had been printed and mailed, and also e-mailed to the vendor with e-mail addresses. The deadline date on the survey was May 10. We hope to have the survey results soon. Jack Stone followed and was showing and selling a new and different club T-shirt. The shirt has a raise design and was available in several colors.

As a reminder, several local cruise-ins are starting soon, including the Hendersonville Cruise on Fridays beginning April 15, the Mt. Juliet Cruise on Saturdays starting April 23, and the M'boro HRC Cruise on Fridays beginning May 1. Also, don't forget about "Challenger Fest II" at Beech Bend April 29 – May 1. Club member Jay Orrand has worked hard to make this a great event for Mopars both old and new, with a show and drag racing. Check his website for more information: www.speedysgarage.net.

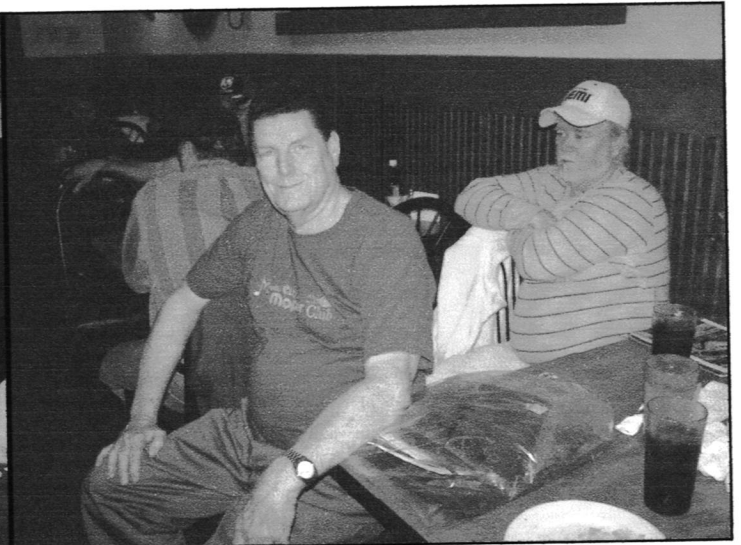

We welcomed another new member, John Santos, to his first club meeting. John lives in Nolensville and he owns a 1972 Challenger. It's great to have you with us!

Finally, our April meeting will be held on Saturday, April 30, 2011, at "The Old Meets the New Cruise-in" at 300 Crossings Boulevard in Antioch. The meeting will start at 11:00 AM. Come on out and drive those Mopars! Directions are included in the newsletter. See you there!

It's mine, all mine!**

No really, I bought it because it nearly
matches my UK jacket!
