Exhaust Notes

Well finally, some great weather for a club meeting and it's about time! The sun was warm and the temperature was perfect and the cars and trucks at the "Old Meets the New Cruise-In" looked beautiful in the brilliant sunlight! Thanks to all the members who made the meeting and especially those who drove their cars. It is always great to see them out on the road. Thanks to the folks at the cruise for allowing us to have our meeting there.

The meeting started with John thanking those in attendance and commenting on the good turnout. He also said he thought the beautiful weather had something to do with it. John also commented on the fact that certain paint colors that are crafted in Japan may soon become unavailable due to a supply shortage caused by the earthquake and tsunami in that country. It has been noted in several publications the manufacturers are advising their dealers of possible limited availability of certain paint colors, mostly blacks and reds. It might be a good time to get that touch-up paint!

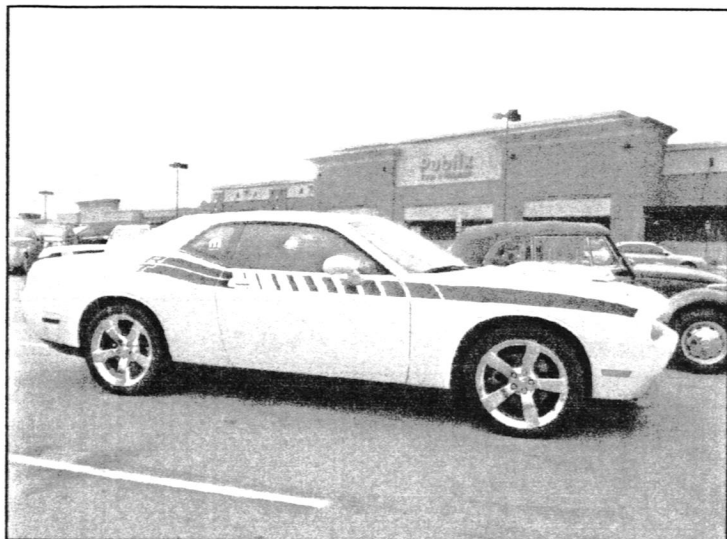

Much of the meeting included a discussion of our upcoming show and possible changes to improve it. Some of the things discussed included the possibility of co-sponsors for the show or help for the show from the local dealer association. John and Stan said they would check on these and get back to us at the next meeting. Other discussion included adding a Daily Driver / Fun Field class with a single daily trophy and participant judging, \$5.00 one day, \$10.00 both days.

Next, Mike Wilkins updated the Show Committee activity and said survey report and drawing for the vendor spots would probably take place at the next meeting. Also the possibility of the club selling water and soft drinks at our show was discussed as revenue enhancer.

Also, congratulations to Rodger Kline on having his Challenger featured on *Powerblock (Spike TV)*. Way to go!

Finally, the members voted to have our May Meeting during the Mt. Juliet Cruise-In at the Providence Marketplace on Mt. Juliet Road. The meeting will be on Saturday, May 28th, at the Chick-Fil-A and will start at 6:00 P.M. The Cruise-in starts at 5:00 P.M. and drive those Mopars! (Directions on page 4.)

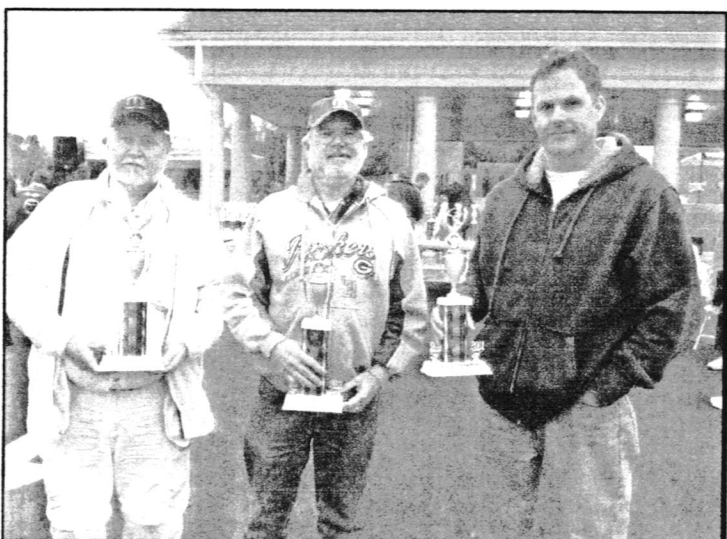

Wilson County Winners

James Dunlap

Jeff Romans

The Winners – James, Wayne, and Jeff

Wayne Hall

This 1971 Dodge Adventurer SE belonged to Carl Harvey and was the project he was working on when lost his fight with cancer. As you can see, it was well on its' way to being completed. His son Kenneth has decided to sell it and the ad is in the Mopar Market. I thought I would include this picture in remembrance of our "Club Ambassador"

Carl Harvey
