Exhaust Notes

Greetings fellow MCMC members, looks like we have gone from a cool spring straight to a hot summer. We had a good turnout for the May meeting at the Providence Shopping Center in Mt. Juliet.

Club President John Sanderson got the meeting underway by announcing that our contact at Bob Frensley CJDR, Justin Smith, has left the dealership for a better opportunity. Following is the e-mail message from Justin to Richard Price:

This is Justin Smith. I wanted to let you and the rest of the Mopar Club know that as of 5/21/2011, I am no longer an employee of Bob Frensley CJDR. I had a fantastic 6 year run with them, but due to an offer that I couldn't say no to, I have elected to leave. I spoke with Mr. Frensley and Jennifer Web (Bob's daughter), and both of them have told me that if this opportunity doesn't work out, I will always have a home to come to. Your new contact at the dealership will be Tim Wolford. He is always available at the dealership number (615) 859-0000. If for whatever reason you may need immediate contact with him, his cell number is (615) 351-6856. Thank you again to all my Mopar Club friends for all your help and support over the last few years. I will miss you guys dearly.

John reminded everyone that Scott Stone and Tim Wolford are now the club contacts at Frensley CJDR. Be sure to see them and have your MCMC membership card handy to get your discounts.

Next there was a brief discussion about Frensley's sponsorship. J Orrand asked if Frensley is the exclusive dealership sponsor. John said that they do want to be our exclusive sponsor and that they are for this year.

Steve Yeldell commented on the good turnout of Mopars at the Friday night Hendersonville Cruise. He said that there were cars that he hadn't seen before. John mentioned that club members should talk to the owners of Mopars that are new to the cruise-in scene and encourage them to check out the club and join up.

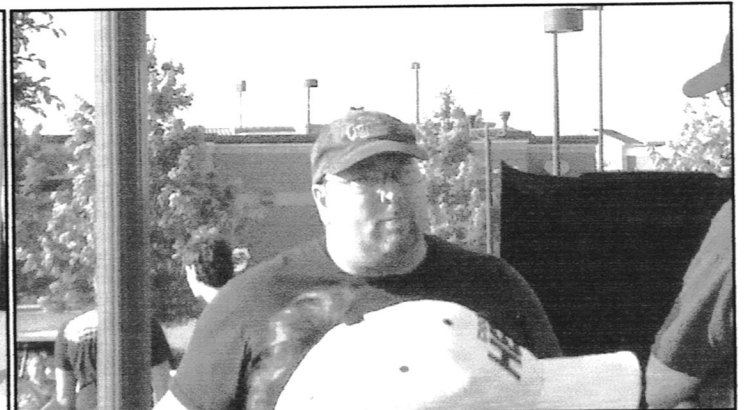

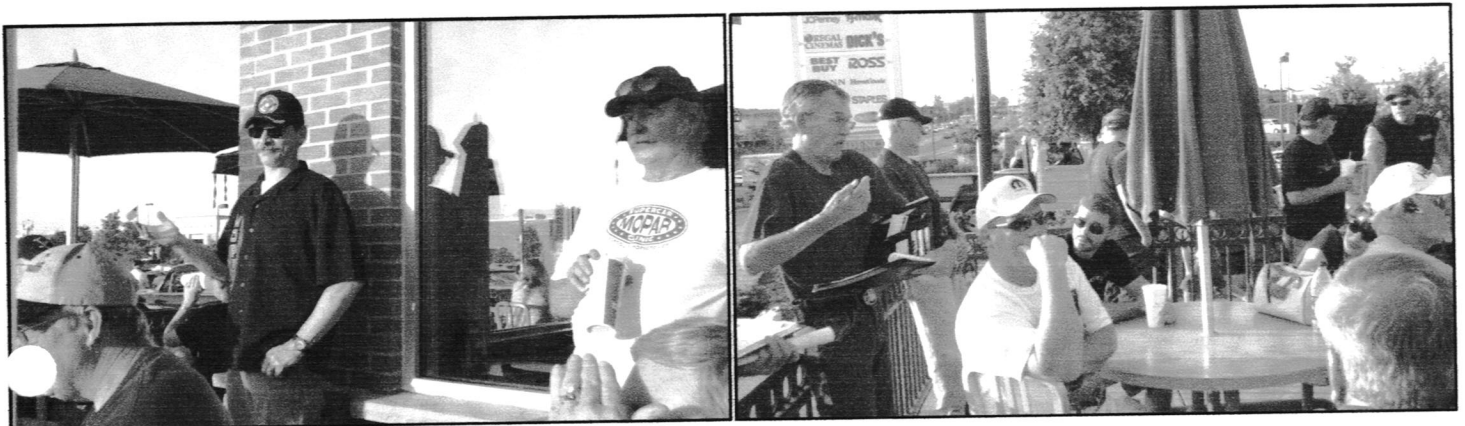

Stan Hardcastle suggested using cartoon illustrations of member's cars on the new club t-shirt design for this year's show. There was a lively discussion on how to choose whose cars or trucks to use. It was decided to have a drawing at the next meeting to get 3 cars to submit to the t-shirt artist for the new shirt. If you want our vehicle to be used, be at the next meeting and be sure you are in the drawing.

The next order of business was a discussion of the vendor surveys sent out regarding suggestions or possible format changes to the annual show. Most seem to favor a 2-day show and more activities for Sunday were requested to keep participants and spectators around. Club members suggested giving out trophies later in the day and saying that you must be present to win a trophy. The Fun Field concept seems to be popular. This would be a non-judged area separate from the show area where participants would vote for the best vehicle in the fun field. This would get more people to participate, who don't necessarily have a "show car".

A drawing was held from the vendor survey responders for a free show space at this year's show. The winners were Bob Burlew of Minor Hill, TN and Roger G. Burr of Kingston Springs, TN. Thanks to everyone who took part in the survey. The club values your feedback.

Finally, next month's meeting will be at Bob Frensley CJDR on Sunday June 26th from 9:00 am till 4:00 pm, with our meeting at 2:00 pm. This will be our dealer show and monthly meeting.

Thanks to everyone and keep those Mopars movin!!!
