

Music City Mopar Club

September 2011

Printed by Dales Quick Print

Vol. 22, - No. 9

Exhaust Notes

Fall is finally in the air, so that means that the annual Music City Mopar Club Car Show can't be far behind. The show was the main topic at our August meeting, which was held at the Friday night Murfreesboro cruise in at the Avenues Shopping Center on August 26th.

Club President John Sanderson started the meeting by passing along some very good information for anyone who owns a 05-07 Mopar LX body car (Charger, 300, Challenger, or Magnum). There is a plastic piece that is a part of the shifter mechanism in the console that can break, and if that happens, you cannot put the car in gear. He says that Billet Technology makes an aluminum replacement part for about \$50 that eliminates this problem forever. Too bad John found out about this the hard way. Thanks to him for the helpful tip! John also said we will have the new club hats available for sale at the show.

Stan Hardcastle reported that the T-shirts for the show were to be printed on Monday the 29th. They will not feature club member's cars as originally planned due to the high cost of the artwork required. He also said that Jason and Jeannie Snow will be at the show making photos and prints of the cars.

The club has received some items from Holley for the goody bags and for door prizes at the show. We ask that you continue to try to get donations for the goody bags and class sponsors for the show.

Jack Stone has purchased the drinks and the tubs for ice so that we can have drinks to sell at the show. Thanks Jack. We will need volunteers to help sell the drinks during the show.

Steve Yeldell will be printing the maps and directions to both the Friday Murfreesboro and Saturday Mt. Juliet cruise-ins that will be distributed to the show participants as they sign in. Thanks Steve.

A representative of Mopar Collectors Guide will be at the show again this year, so be sure to renew your subscription at the show.

The September meeting will be at Pam and Lester Bentley's home on Sunday Sept. 18th at 2:00 PM. We will be stuffing the goody bags and handling last minute details for show. We hope to see everyone's car in the show and have a great turnout of club members to help run the show. See you at the Goodie Bag Stuffing this Sunday and at our show on September 24 and 25 at the Wilson County Fairgrounds.

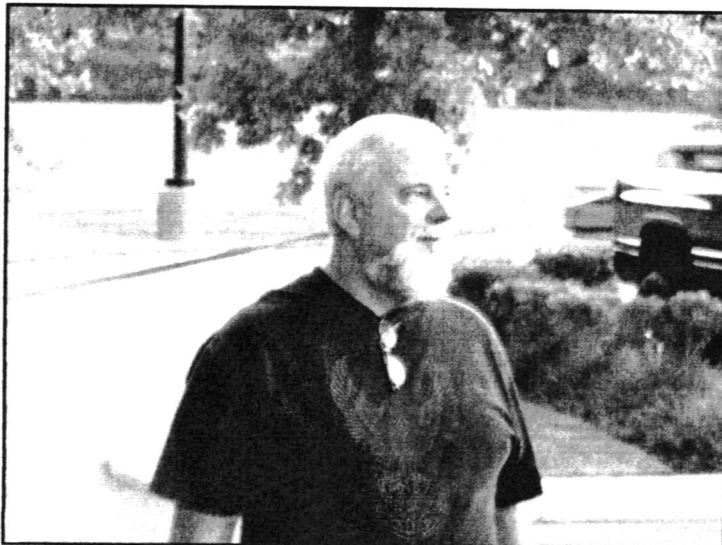

Attention Music City Mopar Club Members

Our 2011 show is fast approaching, now only two weeks away, and it is time for us to all get busy getting ready for the show. As a club member, we need your help in getting ready for the show and your help during the show to make it a success. Wayne Hall has advised me that we have now successfully sold all of class sponsorships. Thanks to everyone who worked hard to make this happen, and to all those individuals and business for their wonderful support. Be sure to listen for their names to be announced during the show, and look for their services in our new Advertiser's Directory, and support them and tell them you are from the MCMC and you appreciate their support.

We still need items for our goodie bags. One way to help is by working with your local business, the ones' you trade with often, to secure door prizes and goody bag stuffers. Don't be afraid to ask your local businesses, many are willing to help us, if we just ask! Don't forget, you can also volunteer to help during the show. We will need help with setup, registration, parking, vendors, judging, tear down, and much more. Remember, the more people involved, the easier it is on everyone!

Great weather and a beautiful sunset greeted everyone at our August meeting in Murfreesboro.

Scott Wilburn
Club founded and 1st President

Look at all those Mopars, and there are many more!
