November 2011

Printed by Dales Quick Print

Vol. 22, - No. 11

Exhaust Notes

Once again, great weather blessed *Oktoberfest* and our October meeting! It was sunny and downright hot with more beautiful cars and trucks at the show than I can remember in all the years that I have attended. With great food, vendors, and entertainment for all ages, there was something there for everyone. Congratulations to Wilson Bank & Trust for another great *Oktoberfest* and thanks to all our members who made the show and the meeting!

Vice president Jack Stone conducted the meeting as our president; John Sanderson was unable to attend. As this was our nomination meeting for club officers, Jack opened the floor for nominations and after an initial nomination, Richard Price suggested we postpone the officer nominations until the November meeting, as two of our officers were not present and the meeting area was unusually loud and not very conducive to a good meeting. After a short discussion, the initial nomination was withdrawn, the motion seconded, and the vote made to postpone the nominations till the November meeting. Remember, we need a new VP as Jack is stepping down from the office. The next question was where to find a quiet spot to have the meeting? Ron Gillespie was volunteered to contact *Legends Restaurant* in Smyrna to see if it was possible to have the meeting there, but found their meeting room was not available till after 3:00 PM on Sundays. Another member was to check the Lebanon area for a location, but we have failed to hear back from them.

The November meeting will be held on Sunday, November 20, at the *Ponderosa Steakhouse* in Lebanon, TN. Meet and Eat at 1:00 PM with the meeting to follow at 2:00 PM.

Also, Dan Tanner had open heart surgery for three severe blockages on October 7. I couldn't get this in last month newsletter, but I have spoken with Dale & Pam McDaniel and he is now at home and doing well! Let's keep him and his family in our prayers.

I hope to see you all at the November meeting. It's important, please be there and keep driving those Mopars!

Congratulations to Rodger Klein and Team Witt Customs on being invited by PPG Paint to participate in the 2011 SEMA Show in Las Vegas. The car was parked in front of the main entrance to the convention center. This is truly a great honor and something very special! (The photo was obviously done a little closer to home.)

Congratulations to Jay Orrand
on piloting his Dodge Challenger
to a new personal best at Beech Bend!
