

EXHAUST NOTES

FROM THE CLUB PRESIDENT:

Brrr it has been cold and nasty outside leading up to the February club meeting. Many members still had several inches of snow and ice to deal with at their homes. However, we had a good turnout for the "by-laws" meeting and discussion of the upcoming events (see Gary's meeting minutes).

But, the weather is a changin' and March is a busy month for our members as the 2015 show season begins. We have members committed to three major events in March from Indy to the Big Easy.

The Indy Cylinder Head swap meet is March 7th and 8th. The club will have tables at this event with Wayne Hall and Stan Hardcastle coordinating for us.

The Big Easy Mopar Association and Hunters Custom Car Show follow the next weekend (March 14th). Jim Peach has worked with Hunters and club members to fill the "Mopar" room again! Thanks to Jim and all the members who registered to show at this annual event. For the New Orleans Show, Mike Wilkins is on point and we currently have seven members and spouses planning to make the trip. We look forward to supporting Paul and their BEMA event.

And the **BIG** club event is March 22nd ... our 25th Anniversary Club Celebration! David Denney will host this event at his home and we will have burgers, hot dogs, birthday cake and the great sides you bring. Again, Linda Price will coordinate the sides and get your commitment to attend. This will be a great opportunity to invite past members to join the celebration and to re-engage with the club. Weather permitting, please drive and share your Mopars at this meeting. ***Let's make this the highest attendance meeting ever!***

I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

Thanks again for your attendance and participation in the February meeting.

THE FEBRUARY MEETING: Meeting Minutes from Gary Garner

Greetings fellow Music City Mopar Club members, The February club meeting was held Feb. 22nd at Jim and Nicks' BBQ in Murfreesboro. We had a good turnout considering the weather during the week and, as always, the food was excellent.

Club President Donny Lippard brought the meeting to order and the first item was approval of the minutes of the January meeting.

Next up for discussion was the possibility of creating a board of directors or an advisory board to help with some of the club's business. This item will be studied for possible future consideration; all member input and participation is encouraged. Please feel free to contact any club officer if you have ideas or questions that need to be addressed at the next meeting.

There were three amendments to the club by-laws proposed and approved by the members present. 1. The age for full membership was raised from 16 to 18. 2. A Junior Membership was adopted for anyone under the age of 18 whose parent or legal guardian is a Regular Member in good standing. Junior members will not have voting rights and their membership fee is 1/2 price. Junior members will be issued a membership number followed by a "J" that will be dropped when they become a Regular member.

3. The last change requires new members to be in the club for at least 6 months prior to the November election of club officers before being eligible to cast a vote.

Club VP Mike Wilkins has been in contact with Miracle CDJR and reports that they have offered a 15% discount to club members on parts and service.

A possible road trip to club sponsor Stephens Performance for a tour of their facility was mentioned. We will let you know if this happens. They are offering our members a 10% discount on new parts.

As many of you are aware, Mr. Bob Frensley, a past club sponsor through his CDJR dealership, passed away recently. He helped out our club greatly when we needed a sponsor and will be missed. In his memory, the membership voted to donate \$200 to Diabetes research in Mr. Frensley's name and present a plaque to his family.

The annual Indy swap meet is almost here. Several members are planning to attend for the purpose of buying and selling parts. If you want to attend, contact Wayne Hall to get an armband for free admission to the show. If you would like to join up with members who are going, be at the Cracker Barrel in Franklin KY at 7AM on Friday March 6.

Thanks to all of the members that signed up to place a vehicle in the March 14-15 Hunters car show. We have once again filled a room for our club sponsors' annual show. Events Director James Peach has sent out a parking layout to all of the participants. Thanks to James for all of his hard work.

Any members who want to attend the Big Easy Mopar Club Show in New Orleans that same weekend and would like to travel as a group with other members and meet up with members of the North Georgia Mopar Club need to contact Mike Wilkins {615-766-0081 \ moparmike69@outlook.com}. He will send an e-mail with the details to anyone that will be making the trip. Thanks to Mike for his efforts.

Richard Price is working on the 1st edition of this years' show flyer so that we can have some to hand out at the Hunters show and the New Orleans show. If you have any ideas, please contact Richard or Donny Lippard. We are trying to get the Jeep club involved in the show, which will add classes that have not been filled in the past. Sunday will remain Fun Field Day with participants voting for the 1st, 2nd, and 3rd place trophies.

There was discussion of awarding a trophy or plaque to the Club's favorite Mopar at other shows that the club participates in. Let us know what you think.

The March MCMC meeting will be held at David Denney's home on March 22nd. This will be the 25th anniversary of the 1st MCMC meeting, so this is one party that you will not want to miss.

Believe it or not, Spring is just around the corner and it will be cruising time once again, so be sure to get those Mopars ready to roll. We will see you at the next meeting.

March Club Party and Meeting

The **BIG** Celebration will be in Lebanon on March 22 at the home of David Denney {thanks to David and Brenda for their excellent Southern Hospitality}. Meet and Mingle will begin at Noon,

Food consumption will begin at approximately 1:00 and the meeting will begin thereafter. Burgers and dogs will be furnished and Club Members are asked to bring a "side dish". Linda Price will be the "Food Coordinator" and everyone should contact her {615-373-2785} with the following information:

1. Number of people in your party
2. Side dish that you will bring
3. RSVP ~ It is important that everyone contact her by Saturday, 03-21-15, so that the Club will have enough meat and the proper room set-up.

Directions to the Denney Residence:

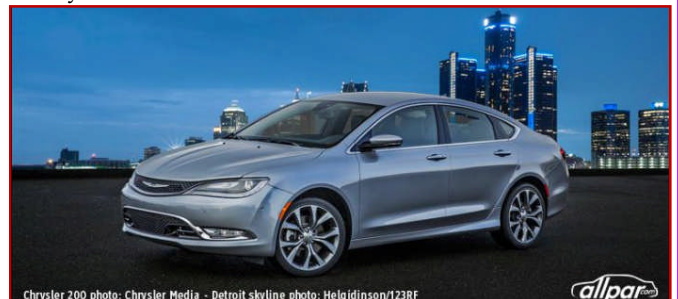

- Address: 400 Moccasin Road; Lebanon, TN 37090
- From SR 840 take Exit 70 ~ Stewarts Ferry Pike / Gladeville Exit
- Travel east approximately 0.9 mile to Moccasin Road {about .6 mile past Odum Lane}.
- Turn right on Moccasin and drive approximately 0.3 mile to 400 on the Right {Log Home}
- Follow drive around right side of home to shop in the back. Look for Mopars.

CHRYSLER 200 HITS THE TOP TEN

by Bill Cawthon • Posted on March 4, 2015

With a 31.2% jump in sales, the Chrysler 200 was one of the top ten best-selling passenger cars in February. The 200 came in at No. 8 among all cars and No. 3 among American brands, trailing only the Ford Fusion and Chevy Cruze.

Chrysler 200 photo: Chrysler Media - Detroit skyline photo: Helgjdinson/f23RF

It was No. 17 on the industry wide list and joined the Ram pickup as the only Chrysler-brand vehicles in the top 20 (the Jeep Cherokee was No. 21).

In year-to-date sales, the Chrysler 200 is still in the top ten among passenger cars, but it drops to No. 9. In total light vehicle sales, the 200 checks in at No. 18 behind the Fusion, Cruze and Ford Focus.

While total Dodge brand sales were down last month, cars sales were surprisingly strong. Stripping out the discontinued Avenger, sales of Dodge brand cars rose 31.5% in February.

The Charger was the best-selling full-size car for the month and checked in at No. 37 out of 297 in total light vehicle rankings. It ranked 17th in the passenger cars standings and was the sixth-most-popular American car. The Challenger and Dart also posted good numbers. Dart sales soared 51.5% in February

Total sales of Chrysler brands, which are usually overwhelmingly tilted towards light trucks, were in line with Ford and GM when it came to the car-truck mix last month.

JEEP STILL NO. 1 IN SUVs

by **Bill Cawthon** • Posted on March 4, 2015

Jeep repeated as the top SUV brand in the U.S. last month, finishing February with a nearly 5,000-sale lead over second-place Ford.

Based on manufacturers' reported sales figures, Jeep also has a strong start to the year – a year that should get even better when the Renegade starts arriving in dealer showrooms.

POWER WAGON: FOUR WHEELER'S TOP PICKUP

by **David Zatz** • Posted on March 2, 2015

Four Wheeler has named the [Ram Power Wagon](#) "2015 Pickup Truck of the Year." It has the 6.4-liter truck Hemi, with best-in-class 410 horsepower and 428 lb.-ft. of torque. Its class-exclusive five-link rear suspension system was added, with Ram's "Articulink" allowing additional axle flex. **(Update: the major change for 2015 was adding Hill Descent Control.)**

"The [2015 Ram Power Wagon](#) is simply everything you want a real pickup to be," said Christian Hazel, editor of **Four Wheeler**. "The Ram Power Wagon didn't just win Four Wheeler's 2015 Pickup Truck of the Year, it blew the competition away." All competitors had rigorous testing in trail and pavement performance, empirical data, and other qualities.

The 2015 Ram Power Wagon is based on the Ram 2500 Heavy Duty 4x4 Crew Cab. In addition to suspension modifications, it has a specially set up active dual runner length intake manifold and calibration; when driving in four-wheel-drive "Low," the throttle response softens and the idle speed increases from 650 to 750 rpm for more control at slow speeds.

Leo Underwood's Power Wagon (Gene Yetter / allpar.com)

The original, 94-horsepower Power Wagon was made from 1945 through 1968 (1978, for export), and was based on the Weapons Carrier (WC) series of Dodge ¾-ton military-use trucks of World War II. The name was transferred to ordinary four wheel drive Dodge pickups, dropped, and reintroduced in 2005 for a more off-road capable pickup.
