EXHAUST NOTES

FROM OUR CLUB PRESIDENT:

The July club meeting was hosted by David Denney at AACA's club house on the Wilson County Fairgrounds. Thanks to David for providing the food and cooking and to all who brought sides for this cookout and meeting. Over 50 members and guests attended with Ron Hickey attending his first meeting. With the addition of Ron and subsequently Ray Chavez, our membership is now 160 (last month's 167 total was a typo and should have been 157). Welcome Ron and Ray!

Thanks to all that attended the meeting where we discussed our 27th Annual show in September and had a chance to evaluate the impact of construction. Several additional members signed up to work at the show and we are on our way to filling the many slots necessary to put on a very successful show.

See Gary's meeting notes below for more information on club business discussed in July's meeting.

The August 5th Mopar Night at Hendersonville's Cruise-In was cancelled because of rain. The new date for Mopar night is August 26. Check out their Facebook page for more information.

I hope you will be able to attend the Wilson County Fair Antique Car Show or North Georgia Mopar Club's show later this month.

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

JULY 2016 MEETING:

GARY GARNER, CLUB SECRETARY

The July meeting of the Music City Mopar Club was held in the AACA building (Fiddler's Grove Garage) at the Wilson County fairgrounds on July 24th. It was

another hot day as has been the norm lately, so we are very thankful to David Denney for arranging for the use of the air conditioned meeting room and for another great job of cooking the fish, chicken, and trimmings. David and his crew always come up big for us. Thanks as well to Jo Lippard for organizing the side dishes and desserts.

Mr. & Ms. David Denney

The first order of business was the approval of the June meeting minutes. We welcomed new member Ron Hickey (2015 392 Charger). Club membership now stands at 158.

Ron Hickey, member #158

James Peach was unable to attend due to having heart issues. He is being treated with medication at this point. Bob Dukatz was able to attend, but is suffering from vertigo. There is some great news in that Don Wolfe's grand-daughter has responded very well to her treatment and is cancer free but continues her chemo to prevent any reoccurrence. Please keep each of them in your thoughts and prayers.

Several members attended the Mopar Nationals in Columbus, Ohio Aug. 12-14; hopefully they will give us a report at the upcoming Goody-Bag Stuffing.

August 26th will be "rain date" Mopar Night at the Hendersonville cruise-in. The event is held at the Streets of Indian Lake behind the cinemas. Take exit 7 off of Vietnam Veterans by-pass. They had a great turn out last year and will have a designated parking area for Mopars again this year, so bring your ride out to show what Mopar pride is to all of the other attendees.

The Classics In The Park 9th annual show was held at Williams Spring Park in Mt. Pleasant, TN on August 6th. Our club sponsored the "Mopar Best In Show" trophy, and it was awarded to the owner of a beautiful Dodge Demon. There is more info on these and other events on the club website.

Bob Dukatz will help with the announcing during our 27th Annual Show in September.

If you did not attend the meeting, you missed on all the new construction that is taking place at the Wilson County Fairgrounds. It will be nice when it is complete, but it will present us with a few challenges for this year's show. We will try to use the Fiddler's Grove entrance gate that is located just as you get to the corner of the grounds before the entrance we used last year. We plan to take the entry fees, hand out entry forms, and direct the entrants to go to the pavilion to complete the entry process or to proceed to the show field to park and then go to the pavilion if they choose.

So far we have 27 pre-entries. If the weather co-operates, we hope to have 175 - 200 entries. Because of this potentially strong turn-out, we need to have as many members as possible sign-up to work during the show. We need help Friday to set up the show and to run the cruise-in to the Snow White drive-in. A great bonus to helping on Friday is the great food that the guys from New Orleans will be providing. As always, we need a lot of help on Saturday with parking, judging, sales, and several other jobs during the day. You will not have to work all day, and you will have a great time meeting all of the people who enter the show, the vendors, and the spectators. We have a very good reputation among the participants and our club membership is the reason why. Club members may enter their vehicles in the show and may choose to have them judged or not, but if you want to help judge, you cannot judge the class that you have entered.

We are still in need of trophy sponsors and goody bag items. Please contact Wayne Hall for sponsorship information.

We have yet to pick a charity for the 50/50 drawing this year, so please bring your ideas to the next meeting.

The movie schedule for Saturday at the show will be posted soon. "Christine" is the choice for the Friday night show.

The August MCMC meeting will be at Jim'N Nick's in Cool Springs on August 28th. This is the last meeting before our show, so please be there if you have anything show related to discuss.

During this hot summer, be cool driving those great Mopars.

September 10th: "Touch of Gold" Open Car Show:

This all leads us into September with our Annual show on the 23rd and 24th. Now ladies and gents, we are asking for and need your help with our show. Our show is known as one of the best shows around and that's because we care about how a show is put on. This all takes people on the ground helping with field setup, registration table, welcoming participants, parking cars on the show field, judging, 50/50 sales, raffle ticket sales for the TV, score sheet tabulations and just being helpful to our guests. I'm asking all of you to just please think about how you can help. I'm not asking you to volunteer for every job. None of the jobs are hard and it doesn't take all of your day. The more members that we get involved with our show make it easier on everyone, so please help your club. I am starting to ask for and taking names. Check www.musiccitymoparclub.com anytime for updated information.

*****October 14-16: Good-Guys Bowling Green, KY.** The Good-Guys have asked us to help them out in Bowling Green at Beach Bend in October with their Nostalgia Nationals again this year. In May we helped them out at Nissan Field and earned $1000 for our Scholarship fund. This looks to be a $500 opportunity for us. If you are interested in helping please let me know.

GOLD LEVEL WINNERS:

JULY: Dick & Katrina Fleener had their Daytona at the Keeneland Concours elegance in Lexington, KY. "We brought home the Chairman's Choice Award! We were very surprised and humbled!"

JUNE: Mike Tanner and his Survivor Lil Red Express received several awards at the 21st Annual Lil Red Express and Warlock Owners Truck Show in Newport News, VA:

Picture shows the Best of Show Trophy, NALRETO Participant Plaque, and the NALRETO Certification Concours class Gold Benchmark. Top certification is Gold 375 to 400 points. Including bonus points, the Truck actually scored 420 points, but only the first 10 bonus points are counted and 4 points were deducted for not having the correct corbin clamps on the radiator hoses, thus a final score of 406 points. "Yes, the correct clamps are on it now and looking for that perfect "410" for next year..."

FOR SALE:

Due to life issues I have to sell my Plymouth Fury II. I'd like it to go to a Mopar person as it is a great car that I had lots of plans for.
You can call RES Auto in Franklin as they did all the work since I acquired it almost a year ago.
It's originally a 318 car but a 440 6 Barrel was swapped in. It has power steering and drum brakes, an original AM radio conversion to AM/FM Aux connections, Mopar Electric Ignition, new Mancini mini starter, and alternator. Recent tune up, belts and hoses. New tires, and dual exhaust with cut outs. I'm the third owner; first was a pair of sisters in PA, a preacher in VA, then me. Original paint and interior, and spare with only a few cracks in the rear seat. I have a car cover, sun shield, and shop books. I hate to let it go but I'm looking for 17k. I have a clear TN title in hand and I'm in the Brentwood area. Paul Cichowski, member 146; 629-999-1016; moparpc@icloud.com.
