EXHAUST NOTES **FROM OUR CLUB PRESIDENT:**

The August club meeting was held at Jim 'N Nicks in Cool Springs in their private (air conditioned) room. About 30 members and guests attended with James Spenser attending his first meeting. With three new applications since the last meeting, our membership will be 163 going into our show month. Please keep recruiting and referring Mopar owners\fans to the club!

Thanks to all that attended the meeting where we again spent time discussing the show and asking for as many volunteers as possible to help with the show. Please contact Jim Peach if you are available and have not previously done so!

See Gary's meeting notes below for more information on club business discussed in July's meeting.

As I noted last month, the August 5th Mopar Night at Hendersonville's Cruise-In was cancelled because of rain. The rescheduled date Friday, August 26th was dry and according to my count of 50-51 Mopars was extremely well attended. Oh, and there was probably another 75 -100 non-Mopars in attendance as well. **Mike's '69 Roadrunner Convertible** was the Maple Motors ride of the week. Congrats Mike!

Our club was extremely well represented at the Nationals, where a number of members again volunteered to judge some fantastic Mopars. Thanks for your dedication and sacrifice of time!

Again, our show will be here in less than 2 weeks. We need all of your help to continue the tradition of delivering a highly successful, fan friendly show.

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

August Club Meeting Notes:

Gary Garner, Club Secretary

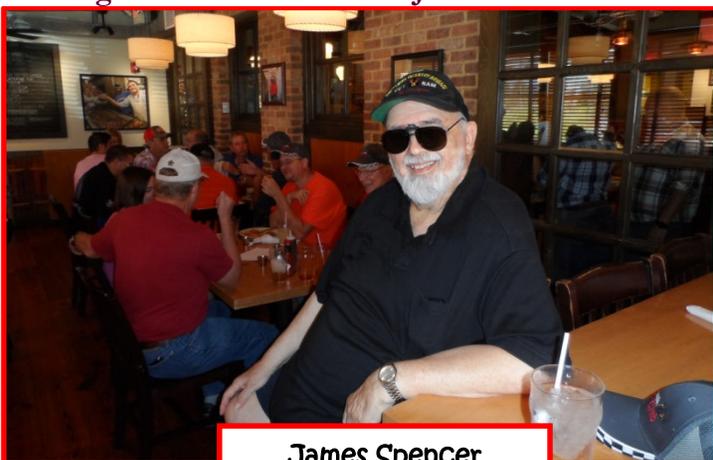

The August meeting of the Music City Mopar Club was held on Aug. 28 at Jim & Nick's BBQ in Cool Springs. Thanks to Club President Donny Lippard

for securing the room. Even though he was facing back surgery the next week, Donny attended the meeting and ran the show in his usual well organized way. Surgery Day on Tuesday: Donny did very well and the surgery was not as extensive as was thought to be necessary going in, so he is well on his way to recovery. I am sure that he will be at the show making sure everything is running smoothly. Thanks, Donny, for being so dedicated.

The approval of the minutes of the July meeting was the first order of business. The club has 3 new members bringing the total to 162. New member James Spencer (2012 Super Bee) attended his first meeting. Welcome to the club James.

James Spencer

James Spencer's Super Bee

Club Treasurer Wayne Hall's report contained good news about the club's financial situation and that there were 44 pre-entries to the show as of the time of the meeting.

Stan Hardcastle was continuing to work with our T-shirt vendor on the final design for this year's show shirt. He was hopeful that they would ship in the next 2 weeks. He plans to have a tribute to our late club member Wade Joiner and 50th anniversary recognition of the street Hemi and the Dodge Charger on the shirts. Stan also reported on the Woodward Dream Cruise that he attended. He says that you should put this one on your list of "must-dos" as cruise officials estimated that 50,000 cars and 1.5 million people took part.

On a much smaller scale, several members attended the Hendersonville cruise-in "Mopar Night" on Friday Aug.26th. There were an estimated 50 Mopars in attendance for the 2nd year in a row. That is a great turn out.

After having some health issues of his own, it was great to see Events Director James Peach at the meeting. He is working on getting members to sign-up to work during our upcoming show. If you haven't signed up yet, contact James. There will be plenty to do, but you will have plenty of time to visit with the people and see the great vehicles.

A few of the events of interest in the near future include the Gladefest show (9/17), Gateway Classic Cars Sayonara Summer show (10/15), and the 29th Mopars with Big Daddy (11/5&6).

The Good Guys Nostalgia Nationals will be at Beech Bend in Bowling Green, KY Oct. 14-16. The club will be working at this show to raise money for

our scholarship fund. James has a sign-up sheet going for this show, so please help if you can. Details on these and more events can be found on the club's website, www.musiccitymoparclub.com.

The goody bag stuffing meeting for our show will be at Lester Bentley's home at 2pm on Sept.18. Please bring anything that you have for bag items and door prizes. Our charities for this year's 50/50 drawing and TV raffle will be the local law enforcement supported charities in Lebanon and Wilson County.

If you can help with show set-up, please plan on being on site {Wilson County Fairgrounds} around noon on the 23rd. As always, you make the difference in our show being a great experience for the participants. We do not want to be known as just another show. We will see everyone at the Wilson County Fairgrounds on the 23rd and 24th. It's going to be a great show thanks to you!

The parking lot was blessed with "MAGNUM" FORCE

Gary Garner's recently acquired Coronet Wagon

Be sure to keep up with current Club happenings and see more pictures on our Music City Mopar Club website and Facebook.

FOR SALE:

Due to life issues I have to sell my Plymouth Fury II. I'd like it to go to a Mopar person as it is a great car that I had lots of plans for.

You can call RES Auto in Franklin as they did all the work since I acquired it almost a year ago. It's originally a 318 car but a 440 6 Barrel was swapped in. It has power steering and drum brakes, an original AM radio conversion to AM/FM Aux connections, Mopar Electric Ignition, new Mancini mini starter, and alternator. Recent tune up, belts and hoses. New tires, and dual exhaust with cut outs. I'm the third owner; first was a pair of sisters in PA, a preacher in VA, then me. Original paint and interior, and spare with only a few cracks in the rear seat. I have a car cover, sun shield, and shop books. I hate to let it go but I'm looking for 17k. I have a clear TN title in hand and I'm in the Brentwood area. Paul Cichowski, member 146; 629-999-1016; moparpc@icloud.com.
