## EXHAUST NOTES

### FROM OUR CLUB PRESIDENT:

2017 is off to a good start as 35+ members and guests attended our January club meeting hosted by Chuck Vaughn at the new TCAT - Murfreesboro: Smyrna Training Center. Thanks again Chuck for hosting the meeting and letting us tour the new facility!

We discussed the upcoming 28<sup>th</sup> Annual All Mopar Show and the addition of a Nashville tour event on Friday. Billed as the "Music City Tracklist Event", at \$210 per couple, attendees will be bused from the show site to enjoy Track 1 - Historic RCA Studio B, followed by Track 2 - Country Music Hall of Fame and Museum, then to Track 3 - Lunch at Puckett's Grocery Downtown, finishing at Track 4 - The Ryman

Auditorium. The bus will return back to the show site by 4:00 to enjoy the Big Easy Mopar's Cajun fixin's followed by the 6<sup>th</sup> annual "Kruzin' at the Cruise-In". Thanks to Don Wolfe for planning and coordinating this new Friday daytime event.

See Gary's meeting notes below for more information on club business discussed in January's meeting.

February's club meeting is our By-laws\* and Scholarship renewal meeting. It will again be hosted by Chuck Vaughn at the new TCAT - Murfreesboro: Smyrna Campus / Nissan Training Center located on 663 Ken Pilkerton Dr, Smyrna, TN 37167 on Sunday, February 26th. The social hour and "how to" wiring training session will begin at 1 PM followed by the club meeting at 2 PM.

As I continue to say, members are what make the Music City Mopar Club such a great organization. Many of you have not renewed, but it is not too late. Please renew your membership for our 28<sup>th</sup> year of sharing our passion for Mopars by sending your renewal dues to Music City Mopar Club, PO Box 2253, Mt. Juliet, TN 37121-2253, paying on our [website](#) or by paying at the club meeting.

I look forward to seeing you at our February club meeting!

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

*\*Note: A copy of the Club Bylaws is included on page 9 of this newsletter.*

## JANUARY MEETING NOTES:

Gary Garner, Club Secretary

The January meeting of the Music City Mopar Club was held January 22nd at the new auto shop at TCAT in Smyrna. Club member Chuck Vaughn is the instructor at the school and he volunteered the facility for the meeting not only in January, but February's meeting is scheduled to be held there on Feb. 26th. If you have not attended one of the past meetings at the school, please try to come out in February. They have a very impressive facility. As you may know, the club has established a scholarship fund in the amount of \$1500 to help deserving students. Thanks Chuck for all that you do at school and for the club.

The first business was the approval of the minutes of the December meeting. Treasurer Wayne Hall reported on the club's continued good financial condition and that as of the January meeting we had 126 members that have renewed with the club. A group of members volunteered to make calls to the members who have yet to renew to encourage them to do so or find out why they have chosen to leave the club. Jake Istvanditsch has agreed to be the Membership Director for the club this year. Thanks Jake for stepping up to help us out.

Events Director James Peach has compiled a list of over 20 events in 2017 that may be of interest to club members including the 2nd Moparty Picnic (May 13) and the Good Guys show at Nissan Field (May 19-21). The complete list is posted on the club website and will be updated when new events are announced. Wayne Hall has a booth reserved at the Indy Swap Meet (Mar.3-5) if anyone in the club wants to attend and has some parts to sell.

The theme for this year's club show is "The X Factor". This includes the GTX, AMX, 4x4's, Lil Red Express and the "Adult Toys from Dodge". The "Adult Toys From Dodge" was a 1970's Corporate advertising campaign that included Warlock, Macho Power Wagon, Street Van and others. Our T-shirt vendor for the show will be the Sanders Marketing Group, a past club sponsor. We will be working with them on a new club shirt, staff shirts for the show, and club hats.

A new feature for people attending our show will be a Gray Line tour bus that will take people on a very

interesting trip to several Nashville landmarks including the Ryman Auditorium and the Country Music Hall Of Fame. They will board the bus at the Wilson County Fairgrounds, where our show takes place, on Friday morning at 8am and will return by 4pm. We need at least 30 people to take the tour and we would like to have club members to ride as well to help answer any show related questions that may come up and to represent the club to our show participants. Several members of the New Orleans Mopar club have expressed their intentions to take part in the tour and have assured us that some of their members will stay behind to cook for the group for Friday night after the tour bus returns. More information and a sign-up page will be on the club's website. Thanks to Don Wolfe for working on this for the club.

We should have show flyers available by the February meeting. We have made a few changes in the show classes this year and these changes will be reflected on the new entry form.

Club President Donny Lippard has more of the club logo stickers available including one that is about half the size of the original and is great for your side windows. They are \$10 each for either size.

The February meeting is the annual By-laws meeting {a copy is included in this newsletter}. If you have anything that you wish to add or change about the by-laws, please come to the meeting so that the membership can discuss and vote on suggested changes.

The club will hold a judging class at one of the upcoming meetings to help anyone wishing to help judge at our show. This will be a very informative class that will help you to learn what the judges look for and the differences in how they judge stock and modified classes.

The next meeting will be at the TCAT in Smyrna on Feb. 26th. If the weather permits, please bring your collector cars to this meeting. There is some indoor parking and some of the cars may be put on lifts to get a better look at the side that we seldom see. If you have an idea of something that you would like to see done in this shop setting, please contact Donny to discuss your ideas.

Thanks to everyone who attend the meetings and share their concerns and ideas. The club will continue to grow and improve only if the members stay involved and help in determining the direction that the club takes in the future. Our club is always more about the people in it

than the cars that the members have. Thanks and we will see you at the next meeting.

### A few Pictures from the January meeting:

The late January weather was nice enough that two bees and a yellowjacket were swarming in the parking lot

The new TCAT facility is "state of the art" in the lab and classroom areas with glass that automatically filters the amount of light from outside.

Just like Church, no one wants to sit in the front row.

After the meeting, members gathered around Gary's Wagon to check out his new fuel injection system.

### February Club Meeting:

#### Location:

Tennessee College of Applied Technology (TCAT);  
Murfreesboro-Smyrna Campus  
663 Ken Pilkerton Drive  
Smyrna, Tennessee 37167

**February 26:** Social Hour begins @ 1:00 followed by the meeting @ 2:00

#### Directions from I-24:

### **Article I: Purpose**

The Music City Mopar Club (Hereafter known as the club) is a non-profit Organization whose purpose is; "Dedicated to the restoration, preservation, and promotion of Chrysler products."

### **Article II: Membership and Dues**

- 1) Membership in the club shall be open to owners of Mopars and persons interested in acquiring Mopars (Members are encouraged to own a Mopar). Vehicles must be Chrysler Powered.
- 2) Non-Mopar owners membership will be previewed by club officers upon renewal date.
- 3) Members cars can be in any stage of restoration and do not have to be "show quality".
- 4) Members must sign club liability release form.
- 5) Membership dues shall be determined annually, due and payable no later than the December meeting and is non-refundable. This fee includes the members' immediate family. Voting privileges are limited to one voter per membership. You must be at least 18 years of age to become a Regular member. A Junior Membership is available for individuals under the age of 18 years as long as a parent or legal guardian is a Regular member in good standing. Junior members will **not** have voting privileges and their annual dues will be ½ that of Regular membership. Junior members will have their own membership number followed by the letter "j" {example: #727j}. When the Junior Member becomes eligible for Regular Membership the "j" will be dropped.
- 6) Club dues are for a calendar year.
- 7) Club dues for regular members have been set @ \$24.00 per year and prorated by \$2.00 per month.
- 8) Members are eligible to vote in the November election of officers if they have been a member for at least 6 months.
- 9) Members must complete an application form.
- 10) Suspension of membership status shall be for:
  - a) Non-payment of Dues.
  - b) Infraction of any club rule or any other cause as voted by a majority of the Club Membership.
    - i) The suspended member shall immediately be notified in writing.
    - ii) The suspended member shall thereafter be entitled to a reasonable opportunity to be heard (in person or through a representative of his / her choice) concerning the alleged misconduct or infraction.
    - iii) The decision of the membership vote shall be final.

### **Article III: Government**

- A. The government of the club will be vested in a President, Vice President, Secretary, Events Director, and Treasurer. Nominations for new officers will be at the October meeting.
- B. Elections will be held every November, with voting carried by majority rule. Term of office is one year. The new officers will take office in January.
- C. An election committee, made up of three volunteer members (not running for Office) will be responsible for over seeing the distribution of the secret paper Ballots and the tally of the vote. Only members whose dues are paid for the year are eligible to vote.
- D. The November club newsletter will contain a list of all candidates and the offices they are seeking. Each candidate shall have the opportunity to state his or her qualifications, in 150 words or less, in that newsletter. The club newsletter shall not be a vehicle for any election statements or endorsements.
- E. A quorum of the club consists of 10% of the club membership. Resolutions may be passed by a simple majority of the quorum. (Therefore, it is highly important that all members attend these meetings so as to be able to vote on club matters.)
- F. The club by-laws will be reviewed and approved at every February meeting. Changes or Amendments will be voted on at this time.
- G. There will be a quarterly financial report given by the treasurer.

### **Article IV: Meetings**

Monthly meetings will be held on the fourth Sunday of each month at 2:00 p.m. unless otherwise designated by the officers and approved by the membership at the previous meeting.

### **Article V: Member Conduct at Meetings or Club Events**

- A. Illegal substances, alcoholic beverages or use of profanity will not be allowed.
  - a. If a member shows up to a club event intoxicated he or she will be asked to leave.
- B. Reckless driving and burnouts at any official club function will not be tolerated.
- C. It is expected that members will conduct themselves responsibly at all club meetings and events.
- D. No smoking will be allowed during any club activity.

### **Article VI: Personal Liability**

All persons or corporations extending credit to, contracting with, or having claim against the club or its officers or members shall look only to the funds and property of the club for payment of any debt, damages, judgment or decree of any other money that may otherwise become due or payable to them from the club or its membership, so that neither members of the club nor the officers present or future shall be personally liable therefore. Each member shall be responsible for reading and signing the release of liability form supplied by the club.

### **Article VII: Club Property**

- A. Club property will only be used for official club events.
- B. In the event that MCMC folds the club property will be sold and the money donated to charities selected at that time.
- C. The cost to repair any damage to club property will be paid by person/persons responsible.

# Baby Love

1967 Dodge Charger  
426 HEMI® Engine

Born: 1967  
Adopted: 2005

Museum quality

Loving Father:  
Charles Mudd

The story of the 1967 Dodge Charger equipped with a HEMI® engine and how it finally made its way into Charles Mudd's "crib" started in 1967 when the car was brand-new.

A gentleman ordered the Dodge Charger from Bill Breck Dodge in Tucson, Arizona. When he and his wife came to take delivery of the vehicle, she insisted they walk away from the car and the deposit; there was no way she wanted a black car with a big engine and no air conditioning in the Arizona heat.

Other buyers felt the same way and, consequently, the Dodge Charger sat on the lot for quite a while. Day by day, a young lot worker named Gary yearned to take the car home.

***"NOW SHE'S MY BABY — AND I LOVE HER JUST AS MUCH AS HER PREVIOUS OWNER. SHE'S THE BEST CHRISTMAS GIFT I EVER RECEIVED!"***  
— Charles Mudd

Finally, with a co-signature from his dad, he did. Fast-forward to 1971 when Charles Mudd, a 15-year-old motorcycle racer sponsored by Central Cycle Sales in Tucson, entered the picture. He became friends with David Lauver, co-owner of Central Cycle Sales. David introduced Charles to Gary, then-owner of the '67 Dodge Charger. The three stayed friends throughout the years.

"Gary treated the car like a baby," says Charles Mudd. "Because to him, it was his baby. I remember sometime back in the early '90s, he was offered an obscene amount of money from a Japanese muscle

car investor and he wouldn't let it go. To him, it would be like selling his child."

"I must have asked David at least 40 times over the course of my adulthood if the car was available, and every time David asked Gary, it was never for sale," Charles recalls.

Then, in 2005, Christmas came. "I got a call from David on Christmas Eve," said Charles. "He said, 'Gary's selling the car!' That was all I needed to hear."

Charles, who was living in Texas at the time, flew to Arizona the day after Christmas to visit Gary and pay for the car. "When I got to Gary's house, the car looked exactly as I remembered. It had only 9,980 miles and all that had been changed from stock (besides a few cosmetics) was the brake booster."

Today, Charles continues to enjoy the addition of the 1967 Dodge Charger to his car collection. Like many new parents, however, Charles is a little hesitant to take the baby out ... he's only put 30 miles on the car since he bought it!
