EXHAUST NOTES

FROM OUR CLUB PRESIDENT:

Thanks again to Chuck Vaughn for hosting the February meeting at the new TCAT - Murfreesboro: Smyrna Training Center. 31 members plus guests attended our club meeting achieving the quorum required to approve the proposed By-law change, scholarship funding for 2018 and club sponsorship for the Moparty in May. The approved 2017 By-laws are included later in the newsletter.

Membership renewals continue to come in and I want to welcome new members Jeff Middleton (returning after a brief absence), Troy Randolph (joined at February's meeting) and Ian Felden. I also want to welcome a new sponsor - Double S Speedshop in Portland, Maine. Thanks Scott Pitcock for supporting us with this sponsorship!

Last month, I mentioned that there would be a "how to" wiring training session before the meeting. However, I failed to coordinate putting it together ... Sorry for that. But karma smiled on me as Chuck and Ron diagnosed my intermittent starting problem on the '70 Coronet R/T after the meeting. Looks like there was a "how to" wiring training session after all!

See Gary's meeting notes below for more information on club business discussed in February's meeting.

March is a very busy month as many are starting to have events and shows. See Jim's email sent on February 25th about upcoming events for March and April.

As I continue to say, members are what make the Music City Mopar Club such a great organization. Membership now stands at 146 and climbing. If someone has not renewed, it is not too late. Members can renew for 2017 by sending renewal dues to Music City Mopar Club, PO Box 2253, Mt. Juliet, TN 37121-2253, paying on our website or by paying at the club meeting.

I look forward to seeing you at our March club meeting at Gateway Classic Cars on Saturday, March 25th in LaVergne after their monthly Cars and Coffee event that runs from 9 until noon. The meeting will start at 12.

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

FEBRUARY MEETING NOTES:

Gary Garner, Club Secretary

The February meeting of the Music City Mopar Club was held Sunday Feb. 26 at the TCAT facility in Smyrna. Thanks again to Chuck Vaughn for allowing us to use this great new facility to have a meeting and to show off some of the club member's rides. We had a great turnout. Member participation makes for good meetings and a fun

social time before and after the meeting.

After the members approved the January meeting minutes, a discussion was held concerning a proposed change to the club by-laws. Richard Price's proposal is a to hold elections in odd numbered years beginning this year which will make the officers term 2 years instead of the current annual election with 1 year term. If anyone resigned his elected position during the 2 year term, the club officers will choose a replacement to serve the remaining portion of the term. If the president steps down, the vice-president will assume the duties until the next election. After a brief discussion period, the membership voted to approve these changes. See page 10 for a copy of the revised bylaws.

The members also approved funding a \$1500 scholarship to the automotive program at TCAT for 2018. That matches the 2017 funding level.

Membership Director Jake Istvanditsch reported that membership renewals are still coming in and we currently have about 140 members. We will continue to follow up with anyone that has not sent in their 2017 renewal.

Events Director James Peach reported on the new show flyer that is ready to be printed. Thanks to Richard Price and Donny Lippard for getting this done so the members can start distributing these at the upcoming cruise-ins and shows. Work is also continuing on a new club t-shirt and hat as well as new staff shirts for this years' show. The "upcoming events list" that James has been working on is really filling up fast. There are a lot of great events coming up quickly, so you better get those winter updates and tune-ups done because there will be something happening just about every week starting in April. James will e-mail the list to the membership and it will be posted on our website and updated as needed.

The club members voted to spend \$400 to support the 2nd annual Moparty Picnic by becoming a sponsor. The first show was very well attended, and it looks like it is going to grow this year. It will be held in Chattanooga at Camp Jordan on Saturday May 13 with a cruise to Coker Tire and a drag racing event to take place on Friday May 12. Be sure to put this one on your calendar. Thanks to James for his work in getting this event off the ground last year and for all his efforts to keep us up to date on all of the shows and events throughout the year.

The Coker Tire Cruise-in will be on April 1st this year. This is a really big event and several club members are making plans to attend. There will be further details as to when and where we will meet and make the trip to the show as we get closer to April.

The March club meeting will be held on Saturday March 25 at Gateway Classic Cars in LaVergne after the monthly Cars and Coffee event that runs from 9 til noon. The meeting will start at 12.

It is shaping up to be a busy year with lots of opportunities to get our cars out and show our Mopar pride. See you at the next meeting.

A few Pictures from the February meeting:

Prior to meeting time members were able to socialize and gossip.

Several projects, including Mopars, were on racks in the shop.

Under the hood of Don Wolfe's Dart is very impressive.

In addition to her parents, Emma was accompanied by her miniature flying dragon.

After the meeting, several members' Mopars participated in a photo-shoot in the shop parking lot. See more on the Club website.

Ladies and Gents,

Hello again; well it is getting to be that time of the year when everything is starting back up. I need to start a list of members who want to help us with the Good-guys show in May.

Please read the information below and I hope you can help us out.

Take care,

Jim

MCMC Events Director

Fellow Club Members,

I have started a list of members wanting to volunteer their time at this year's Good-guys event May 19th, 20th and 21st at Nissan Field. We need and want members to sign up to help. As in prior years our Club will be watching over the show car entry gate all three days and the special parking areas for Show Cars on Saturday. On Sunday we help with the winners circle and of course the entry gate. From the entry gate vantage point you'll be able to see every car/truck entered in the show. All we do is greet them and check their paperwork. In the specialty areas we park the vehicles and help with a little paperwork.

The club receives \$1,000 from Good-Guys that is used for our scholarship fund.

What you personally receive is a custom T-shirt with the Good-guys show event picture and the club logo on it, (wow, right). Okay, you also get complementary entry into the Good-guys show for your 72 or older vehicle for all three days along with a Good-guys goodie bag and two passes for all three days. That's a

\$45 saving per day or more. For those with newer cars, we will be able to enter the All American Sunday show and receive a goodie bag plus two three day passes. Parking passes are also given to us for our efforts. We park right outside the entry gate that we are manning, so no long walking to get to your assigned area.

In past years many of our club members' vehicles have won awards. There are many benefits for working the event, plus the fellowship of other club members. Also, if you have a buddy who wants to participate sign him or her up.

The list of volunteers needs to be submitted to Good-guys by April 1st, so all that I need right now is your name and T-shirt size. We can work on the gate schedule later...

In advance I want to thank you for volunteering to support this event. We have a lot of fun and it's not all just work. There's plenty of free time to walk around and enjoy the show.

Take care y'all and I hope to hear for you,

Jim

Here you'll find plenty of inspiration among the rare costumes, instruments and archival films that tell the history of America's music all in the heart of downtown Music City USA.

Track 3: Puckett's Downtown Nashville.

Puckett's was founded in the 1950s and offered as a grocery store to many communities in Williamson County. In 2010, Marshall-the owner of Puckett's decided to expand the brand to downtown Nashville. Friends can expect the best pickin' performances that Music City has to offer on the Nashville stage, six nights a week and don't forget Puckett's famous home cooking.

Track 4: The Ryman Auditorium

After lunch, you'll find yourself backstage and onstage at country music's most hallowed hall and the Mother Church of Country Music! The Ryman Auditorium is an acoustic gem; a National Historic Site and former home of the Grand Ole Opry from 1943-1974.

The day will wrap up back at the Wilson County Fair Grounds with a delicious Cajun dinner provided by our friends with the

Big Easy Mopar Club!
