EXHAUST NOTES

FROM OUR CLUB PRESIDENT:

Thanks again to Jack Jarvis and Nashville Chrysler Dodge Jeep Ram for hosting the Cruise-in/Customer Appreciation Day for our May meeting. Jack cooked hamburgers and hotdogs along with baked beans, chips and cold water. There were several customers and most of the dealership staff that took advantage of the event to view our vehicles and enjoy the free food.

If my count is correct, we had 29 members and 13 guests attend along with 28-30 vehicles. We welcomed new member Bob Schenck, signed up 2 new members (Suzanne Wymer and Bruce McEachern) at the event and gave out one more application. Subsequent to the meeting, Mike McKenna joined the club, bringing our membership to 159. Please join me in welcoming these new members.

I want to thank everyone (club members, TCAT students and friends of the club) that worked the Good-Guys show this year and especially Jim Peach for his coordination efforts. Although challenged by the weather and logistics of the Saturday morning foot race, the team did an excellent job and received praise from Good-Guys for our work. There is still a request for our help in Bowling Green, so contact Jim if you are interested in working that show.

Weather also put a damper on some of the festivities at the Moparty in Chattanooga. The Friday race event was cancelled and overall attendance was negatively impacted. The indoor vehicle display was impressive and everyone enjoyed the food and indoor/air conditioned seating. Ken and all of the sponsor clubs and volunteers did a great job and are already making plans for next year's event.

June is a busy month for Mopar club shows with Tennessee Valley Mopars having their show on June17th in Huntsville and East Tennessee Mopars having their show on June 24th in Knoxville.

See Gary's meeting notes below for more information on club business discussed at May's meeting.

I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

Donny

P.S. If someone has not renewed, it is not too late. Members can renew for 2017 by sending renewal dues to Music City Mopar Club, PO Box 2253, Mt. Juliet, TN 37121-2253, paying on our website or by paying at a club meeting.

MAY MEETING NOTES:

Gary Garner, Club Secretary

The May meeting of the Music City Mopar Club was held June 3rd at Nashville Dodge as part of their Customer Appreciation Day. We had a great showing of club members and their cars and trucks. Many thanks to Jack Jarvis for arranging the day and for cooking the hamburgers and hot dogs that the dealership provided. Let's hope that this becomes an annual event.

JUNE BRIEF

musiccitymoparclub.com

2017

After the approval of the April meeting minutes, Club President Donny Lippard gave a membership update.

The club gained two new members at the show when Suzanne Wymer and Bruce McEachern joined bringing the membership to about 159.

Recently Tony Defeo joined the club as has his wife Kathy. They own several Mopars and they are planning to open a Mopar specific shop in Murfreesboro. He would like to have a meeting at his shop when they are ready to open. I am sure that everyone in the club welcomes the opportunity to have a Mopar shop run by a long time Mopar guy who can help take care of our cars and be a great source of information. Welcome to the club Tony and Kathy.

Thanks to all of the club members who worked at the Good Guys Show. We had another great time and raised $1000 to fund our scholarship to the TCAT students. Several of the students came out to help with the show and did a good job working with the club. The club will donate the plaque from the Good Guys to the school.

There are several events coming up this month including the Tennessee Valley Mopar show in Huntsville June 17, the NHRA Hot Rod Reunion in Bowling Green June 15-17, the East Tennessee Mopar Show June 24, and the Great Race passing through Murfreesboro June 26th.

Our show is fast approaching and it is time to start gathering together items for the goody bags. The plan is to make up 200 bags this year. We have 16 cars pre-registered for the show and 16 people have signed up to take the Friday tour. There will be a sign up sheet for the show that will include Friday set-up, the tour, the cruise to Snow White Drive-in on Friday, parking, registration, and judging on Saturday. Please sign up and help out as we will need lots of help to accommodate the turnout of cars that we are anticipating this year.

Richard Price is looking for someone to take over the monthly newsletter job. He has done a great job with it, but it is time for someone else to take on this responsibility. If you are interested, please contact Richard or Donny to get more information. This June issue will be Richard's last.

The June meeting is scheduled to be June 25th, but no location was decided upon at the meeting, so please be on the lookout for an e-mail with details soon. If you have a meeting place in mind, please contact Donny.

Once again, thanks for the great showing at Nashville Dodge and we will look forward to seeing all of your Mopars at the many shows and events this summer. Stay cool and we will see you at the next meeting.

June Club Meeting:

Due to scheduling problems for a meeting place the June meeting will be combined with the July meeting. The date will be Sunday, July 09 and details will be sent soon. Thanks

Other Events:

Thanks Mike & JoAnn Tanner for pictures and summary!

Not sure if I have ever seen a Graham automobile before and it was apparently supercharged from the factory.
JoAnn insisted on a picture of me beside that Petty Mustang.

The "Kings Court" section was limited to 25 cars and one Trophy was given to Richard's pick (I have heard that he once said that second place is the first loser across the finish line). A very deserving 1956 Desoto Convertible was the pick. The restoration was top-notch and one can only imagine how difficult it was to find parts.
