## **From our Club President:**

Before I get into show review, I want to thank Pam and Lester for hosting the goody bag stuffing and September meeting at their house! We had a good turnout and primarily discussed the upcoming show.

Please welcome the following new or returning members Les Looper, Jeremy Joiner, Elbert Tomlinson, Jon Kodi, Owen Traughber, Keith Petitt and William Pratt. This brings our membership count to 167.

The October meeting will be hosted by Chuck Vaughn at the TCAT Smyrna location (663 Ken Pilkerton Dr, Smyrna, TN) on October 22<sup>nd</sup>. Meet & greet starts at 1PM followed by the meeting at 2PM. Primary business will be nomination of officers for the coming year and recap of show.

### *Show Update:*

Both Friday and Saturday were beautiful days (although a little warm) which contributed to a great turnout and show.

We kicked the events off early on Friday morning as 46 people participated in the first Music City "Event". The

bus was loaded and off to the track list tour a little before 8 AM. Thanks to Don & Delores Wolfe for planning and hosting the tour event. Based on the feedback, we certainly will be considering making this an annual event. Also, thanks to Paul and friends from the Big Easy Mopar Association (BEMA) for coaxing us into having an event. Speaking of Paul and BEMA, the Cajun food was great and we certainly appreciate you, Ronnie and all involved with preparing extra to accommodate the tour participants. We look forward to attending your show in March.

The tour returned to the show site a little after 4PM and with the show volunteers that worked during the day to setup for Saturday, enjoyed the aforementioned food prepared by BEMA.

Then off to Snow White's Drive-in for the Friday Night cruise-in. Mike Wilkins led the convey and reported that we filled the site to overflowing with beautiful Mopars.

Saturday's show, Music City Mopar Club's 28<sup>th</sup> Annual, was outstanding! With over 160 entrants and 40 vendors & car corral entrants, the show field was packed. The quality of vehicles was the best I have seen since joining the club. A big thanks goes out to the many returning participants and vendors who have supported our show for many years.

Special guest Herb McCandless (A.k.a. Mr. 4 Speed) attended the show this year and I want to thank him for sharing his time, knowledge and love for Mopars with our attendees. He and Joe Gilardi's Q&A session represents the best in Mopar knowledge sharing and was very much appreciated by those in attendance.

Victory Junction will be the beneficiary of the 50/50, silent auction and addition contributions at the show.

And last but certainly not least, I want to acknowledge all of our club members, family and friends that helped put on this show. Without your tireless work the show would not be possible. THANK YOU!!!!

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.
