From Our Club President

Thanks again to Eddie Davis for allowing us to view his vehicle collection and hold our January meeting as his home. Thanks also to Tommy Richmond for arranging for us to use this great location. We had 31 members and four guests in attendance.

As of February 5^h, all but 26 member have committed to renew with 131 having paid for 2018. Included in this total is new member Tim Moore – welcome Tim.

Our February meeting will be hosted by Chuck Vaughn on Sunday, February 25th at TCAT Smyrna Campus, 663 Ken Pilkerton Dr, Smyrna, TN 37167. Ron Gillespie will be holding a tech session on gauges and wiring before the 2 pm meeting. The primary agenda items will be club by-laws and approving recurring funding. There will be a proposal to grant lifetime membership to founding members and those that have 25+ years as a member.

See Gary's notes below for a summary of January's meeting.

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

February Meeting Notes:

Gary Garner, Secretary

The January meeting of the Music City Mopar Club was held Jan. 28th at the home of Eddie Davis in Nolensville. He has a very nice building that houses his great collection of cars and trucks. Thanks to club member Tom Richmond for arranging our visit and to Mr. Davis for allowing us to see his collection.

In club business, the December meeting notes were approved and it was reported that we have gained 3 new members since the December meeting. We are still contacting members who have not renewed their membership for this year.

10 club members had cars in the recent Nashville Auto Fest with 8 trophies awarded. Good job guys!

There are 3 big events coming up in March. The first weekend is the Indy Swap Meet. If you can not make it and want to send something to sell, please contact Wayne Hall. March 3 is the day for the 4th annual meeting of the Mopars at Tim Welborn's Musclegar Museum in Alexander City, Ala. Jim Peach and Jake Istvanditsch are planning to attend, so contact them if you would like to go. The New Orleans Mopar Show will be held March 17. They will have a New Orleans tour package on Friday the 16th.

April events include Challenger Fest in Bowling Green on the 13th and 14th, the Coker Tire Chattanooga Cruise-in Saturday the 14th, and the Cars For Kids show at the Tennessee Baptist Children's Home in Brentwood on the 21st. The last weekend includes the Atlanta Motorama and Moparfest at the

Battleship in Mobile, Ala.

As always, May is a busy month. The Good Guys event returns May 11 and 12. There will be no Sunday show this year. We will be working the gate Friday and Saturday. Unfortunately, the 3rd South East Moparty Picnic will also be held that same weekend, with drag racing Friday night and the get together of the clubs on Saturday from 9 til 4. Memorial Day weekend brings Mopar Mania at the Somernites Cruise on Saturday May 26 in Somerset, Ky. This year's raffle car is a 1971 Dodge Challenger.

On the club financial front, funding to help the Big Easy Mopar Club with food costs for what they do at our show, continued co-sponsorship of the South East Moparty Picnic, and a donation to the College Hills Fellowship House were all approved.

We are working on having a Friday before our show tour event that includes a lunch cruise on the Gen. Jackson Showboat and a tour of the Opry House.

We are working on info cards about the club that we can pass out at cruise-ins and shows to help attract new members. We should also have new club business cards at the next meeting.

The next meeting will be held Feb. 25th at the TCAT school in Smyrna. This will be the annual by-laws meeting. We will be voting on scholarship funding and a proposed lifetime membership for 25 year members and a way to purchase a lifetime membership that will include entry to our show each year.

Ron Gillespie will be holding a tech session on wiring before the 2 pm meeting, so plan on getting there early to take advantage.

Spring is on the way along with all of the cruise-ins and shows. I know everyone is looking forward to bringing out their Mopars and having a great year with the club. We'll see you at the next meeting.

Condolences

**To Stan Hardcastle on the loss of another Family member.

The 1969 Road Runner. There's still only one place to catch it.

If you want a high-performance car, Road Runner is one car to think about. This year, there are three Beep-Beeps.

A brand new convertible for 1969. Road Runner hardtop. As well as the great original—our 2-door sport coupe.

The Road Runner is a real performer. But not because it costs a lot of money. It doesn't.

It comes, nevertheless, with a standard 383 cubic inch V-8. A 4-barrel carburetor. An silenced air cleaner. And dual exhaust trumpets.

A 4-speed transmission with Hurst Linkage. A high lift cam. And Red Streak Wide Boots.

Options include a tachometer, and our new 160-position driver's adjustable bucket seat that does everything a

power seat does. At roughly half the cost. Another new option: functional hood scoops, or "air grabbers."

Now there is a larger, full-color Bird on the deck lid, doors and instrument panel. Plus a new deluxe steering wheel—with the Bird perched right on the hub.

And this year's Road Runner comes in eighteen exterior colors. With broad

black sport stripes on the hood, optional.

Pity the poor coyote.

If Road Runner doesn't baffle him with numbers, he surely will with plumage.

"Beep-Beep!" You can catch the Road Runner. At your local Plymouth Dealer's. That's the place, and 1969's the time to . . .

Look what Plymouth's up to now.
