Donny

P.S. I still want to hear your thoughts on topics for our “how to” sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

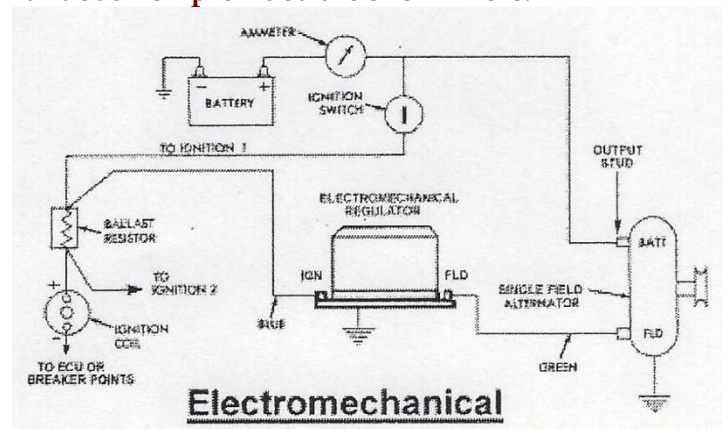

FROM OUR CLUB PRESIDENT:

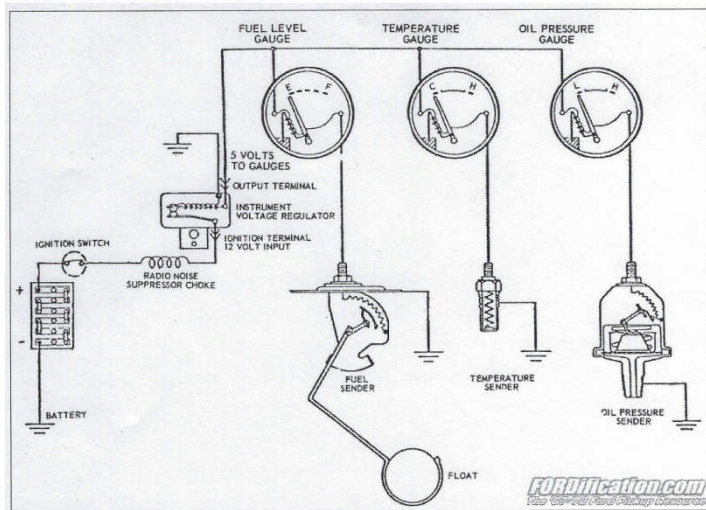

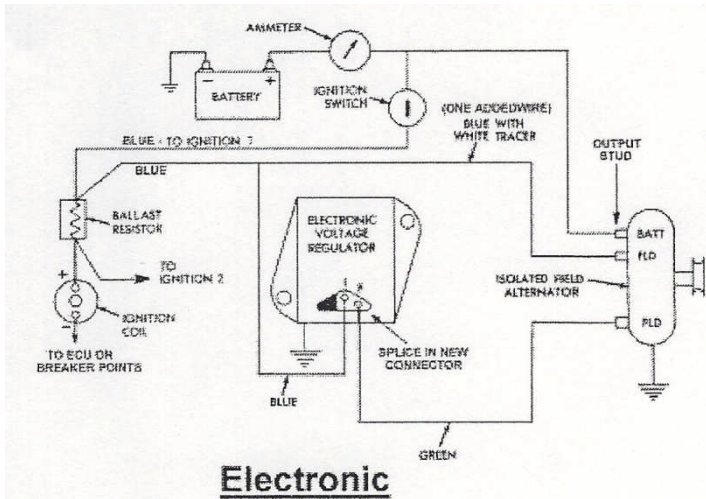

Thanks again to Chuck Vaughn for hosting the February club meeting at TCAT Smyrna Campus. Thanks also to Ron Gillespie for holding a tech session on gauges and wiring. We had 29 members and five guests in attendance.

You will see more information from our February Meeting in Richard’s notes below, but I believe we made a significant change in the by-laws by creating a lifetime membership category. We granted lifetime membership to founding members and those that have 25+ years as a member. We certainly would not be a viable and vibrant club without the dedication and perseverance of founding and longtime members. We also created an avenue for any member to become a lifetime member with the purchase of “credit years”. Feel free to contact me about lifetime membership.

FEBRUARY MEETING NOTES:

The February meeting was held at the TCAT Smyrna Campus. Prior to the business meeting Ron Gillespie presented a technical session on troubleshooting and repairing gauges and wiring. Three of the six diagrams from the reference handout Ron provided are shown here:

Events scheduled for the last half of March and early April in the "Upcoming Events".

Donny gave some details about the 2nd Annual Track Tour scheduled for Friday, September 21 before our 29th Annual Show on Saturday. Final details are included in this Newsletter under the "2018 Track Tour" heading.

Next, Donny covered highlights of the 2018 funding provided annually by the Club. The TCAT scholarship fund for 2019 and the "Officers Miscellaneous Fund" for 2019 were both approved by member vote.

Donny also explained some suggested changes for the By-Laws; most of the changes covered the proposed "Lifetime Membership" choices. After several minutes of debate the motion was made and accepted by a 27 to 1 majority vote. The changes will become effective in 2019 and details are included on the "By-laws page" included with this newsletter.

The next meeting will be held on Sunday, March 25 at Cock of the Walk Restaurant. See more details in the "Upcoming Events" section

The motion was made to adjourn, seconded and approved by majority vote.

Thanks to Ron for sharing some valuable tips about troubleshooting some typical issues associated with older Mopars.

Meeting:

Donny welcomed members and visitors for attending and thanked Chuck Vaughn for the use of the TCAT facility.

Wayne Hall gave a financial report. The Club is financially sound and debt free.

Jake Istvanditsch presented the membership update. On meeting date the membership was 136.

Steve Yeldell presented a list of 2018 events for the remainder of the year. Some of those are listed under "Upcoming Events" in this newsletter. Steve did point out that "Moparty" and "Good Guys Nashville" are scheduled on the same week-end, May 11-12. See note from Steve and list of Mopar

Upcoming Events:

STEVE YEDELL, EVENTS DIRECTOR

Hello Everyone,

*It is that time of the year again. I am starting the list of members wanting to volunteer their time at this year's **Good-guys Nashville** event at Nissan Stadium on May 11th and 12th. Those that have worked with us at the show may immediately realize that this is only a two day show instead of three. Good-guys wanted to avoid the Titans 5K Run this year and the only open weekend also included Mother's Day, so they decided to just do a two day show. The good news this year is that the Good-guys show will include vehicles up through the 1987 model year. The bad news, due to two day format, there will not be an All American Sunday for newer vehicles.*

For those new to the club, and others as needed, the club has been helping with the Good-guys show for several years. We will be watching over the show car entrance gate on Friday. On Saturday in addition to the entrance gate, we will help with parking in the special areas and winners circle, and help with the awards ceremony. The work at the entrance gate mainly involves checking for paperwork and collecting entrance tickets. In the specialty areas and winners circle we just make sure that folks know where to park for each area. The neat part is that at the entry gate we get to see every vehicle entered in the show and in our spare time we can walk around the show and get an up close view of the vehicles.

*For helping out the Good-guys, the club gets \$1,000 for our scholarship fund. Did I mention that we personally get free admission, parking passes, and a neat T-shirt with the Good-guys Nashville show event picture on the back and our club name and logo on the front. For those who have a 1987 or older vehicle we get a free entry to the show and a goodie bag. We have had several members of the club who parked in the specialty area get awards. We are pretty inclusive, in that if you have friends that want to take advantage of the show perks and want to join us for the fellowship and a little work helping out the show, invite them to *come* help (just make sure we know who they are!)*

I will be needing to submit the list to Good-guys by April 1st on who is helping out. Right now, all I need is your name and T-shirt size. We can work on the gate

schedule later. I want to thank those of you volunteering for supporting this event. We have a lot of fun and it's not all just work. There's plenty of free time to walk around and enjoy the show.

- **TRACK 2 - Lunch at Café Fontanella**
- **TRACK 3 - Grand Ole Opry House Tour (backstage, behind-the-scenes)**
- **TRACK 4 – Stop at Opry Mills Mall**

Fontanel Mansion and Backstage Opry Tour:

Fontanel can offer groups a one of kind experience while they are here in Nashville. Whether you're a tourist or Tennessee local, music fan, or outdoor enthusiast, there's something for everyone at **Fontanel**. The attractions that make up the **Fontanel** complex are all inspired by Nashville's natural scenery, outstanding music, and good ol' Southern hospitality. But more than a tourist attraction, it's a home. Tucked away in the heart of the estate is **Mansion at Fontanel**, which was once the home of country music megastar Barbara Mandrell and her family. Today, it's home to multiple artist displays and memorabilia from artists like Kenny Chesney, Alabama, Big & Rich, Jewel and more. Your group will tour this lush and magnificent 33,000 square foot log home. You will get a chance like no other to see what it's like to live like royalty. The Mansion boasts over 20 rooms, 13 bathrooms, 5 fireplaces, and 2 kitchens, an indoor pool, and even an indoor shooting range. These tours are given by some of Nashville's finest talent and they might even play you one of their original songs.

After your tour, then you will sit down to lunch at **Café Fontanella**. This is where you will experience unique Southern cuisine and authentic Italian fare in Nashville. Café Fontella has been in the top 5% of all restaurants in Nashville for quite some time. Just three songs from Downtown Nashville, the café boast a menu that's inspired by old-world flavors. They offer a variety of Italian and American dishes in which you all will get to try on a sample menu.

After lunch, your group will experience a fully guided **backstage, behind-the-scenes**, dressing-room tour of the **Grand Ole Opry House**, where the worlds' most beloved and longest-running live radio show in history is still performed. Stand on the hallowed circle front and

center on the famous stage where the greatest voices in country music have stood and performed for many years.

For those who want to do a little shopping while here in Nashville, TN. We will be stopping by the Opry Mills Mall. This is a world-renown Outlet Mall where you will find such stores as: American Eagle Outfitters, Bass Pro Shop, Ann Taylor Factory Store, Boot Barn, Chico's, Clarks, Cole Haan, H & M, LOFT Outlet, and Michael Kors to name just a few.

1968

Our new improved Beep-Beep.

We hoped you would take to the Road Runner. But this is ridiculous. It's already our hands-down success of 1968.

But we're not taking any chances. Beep-beep. Here comes another Road Runner. The one you asked us for. This Road Runner is a hardtop.

Naturally, it has Road Runner's four-speed floor shift. The heavy duty suspension and brakes. The red line wide treads. And the beep-beep horn. All standard.

But the hardtop interior is fitted with premium vinyl. It makes for an overall nicer feeling inside.

Still, you wouldn't call Road Runner posh. But the price isn't, either. Go see the new hardtop. Or the original best selling sport coupe.

It's just a nice friendly bird with a 383 cubic inch V-8 and a high lift cam. And from the way things look, it's not about to go extinct.

Plymouth Road Runner  And the beat goes on.
