### **From Our Club President:**

Thanks again to Steve Yeldell for arranging the June club meeting at Jim N' Nicks BBQ. We had 25 members and guests in attendance that enjoyed the BBQ and fellowship.

Several members attended TN Valley Mopar Club's show on June 16<sup>th</sup> and East TN Mopar Club's show on the 23<sup>rd</sup>. It is good to see each of these clubs continue to deliver quality shows with great vehicles and have our members supporting their shows. Thanks to all who travelled to these shows!

Since the last update, Larry Lee with his 2017 Charger R/T joined the club. Welcome Larry, we look forward to meeting you at a future event! Larry brings our membership to 142.

**Let's try this again!**

The July meeting of the MCMC will be held July 21st. We will start by meeting at Cars and Coffee in Cool Springs. This starts at 8 am. We will try to park together as much as possible, but this is a really well attended event, so be there early if you can. After you enjoy the Cars n' Coffee, head over by the Buffalo Wild Wings (320 Spring Creek Dr.) where we will all gather up and leave at 10:30 AM. We are going to head over to the Natchez Trace Parkway and head down towards Columbia, get off the Trace and head to Donny Lippard's place (7037 Polk Ln, Columbia, TN) for a picnic. You can either bring your own food or for \$10 per person Donny will make sure we have BBQ and sides at the end. You will be responsible for your own drinks. We should get there a little after 12 Noon for some socializing then settle in for the feed around 1PM. If you can't make the cruise, meet us at Donny's place. More details will be coming out later on the route via email. If you don't get email call me and let me know you are going and I will have info for you that morning when we gather up. Let Donny know (614-286-2648) by Friday, July 20 if you want BBQ. The meeting will happen after lunch. This should be a lot of fun, so please save the date and come cruise with the club.

**Donny**

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

FYI – Nashville to Hendersonville that time of day can be about a 1 hour commute and with the construction Highway 109 is no fun at all.

Saturday, August 4<sup>th</sup> is the We Are Mopar at the Texas Motor Speedway. I know a few folks are planning on going so bring back stories and pictures.

And August would not be complete if we did not mention the Mopar Nationals in Columbus, OH on August 10<sup>th</sup> -12<sup>th</sup>. Stan has made his annual plea for anyone to help judge. If you think you can help him out give him a call – Stan Hardcastle (615) 948-4204.

It is time to start gathering goodie bag stuffers and door prizes for our fall show. Drop me an email ([slyeldell@gmail.com](mailto:slyeldell@gmail.com)) or call me at (615) 972-1056 and let me know who you are going to contact so we have an idea of who is being contacted so we don't overlap. **For Sale:**

1965 Dodge Dart two door post, 270 Slat Six with automatic, PS, and CD player. This is a very sweet little economical driver and is perfect for someone wanting to get into collecting cars with starter car money. It will drive out on the freeway just fine and has like new custom interior. The tires are great and the body is sound. There are a few signs of rust bubbles but no rust through anywhere. The underside and trunk look very solid. If you aren't wanting your first collector car then this is a very sound and reasonably priced foundation for a wild 440 or Hemi powered street machine. I will listen to possible trades but no motorcycles or boats. This one really got my attention and I wanted to save it and pass it on to a good home. \$4,950 Contact Richard Fleener 615-624-3724 or [rifleener@comcast.net](mailto:rifleener@comcast.net)

## The Eternal Triangle.

You'd think Ralph's new love would have been curtains for me. I mean, it was all he talked about. Well, I learned to live with it. As it turned out, I think his new Charger R/T really

brought us closer together. He's taught me how to shift the 4-speed synchromesh. He lets me pick out the stereo tapes. And clean the vinyl buckets. It's not all bad. He even mentioned marriage once.
