Welcome Steve Shaw, Frank Schwartz plus Dale and Lee Anne Gilbert who joined at the meeting.

I don't often showcase a member's vehicle in my notes (probably should though), but Chet Biggers' AAR Cuda won "Concours Gold" at the Muscle Car and Corvette Nationals (MCACN). We sometimes take for granted just how good some of our member vehicles are.

Please join me in congratulating Chet on this prestigious award.

From Our Club President:

As this is the last newsletter of the year, I want to thank all our members, sponsors and friends for another great year!! Your support and dedication to our hobby allows us to continue to enjoy our vehicles and support local charities that make a difference in the community.

HAVE A SAFE AND HAPPY HOLIDAY SEASON.

2019 will begin our 30th year as a club and promises to be another very busy year. See Gary's meeting notes for info on some of the early events of the year and remember our 30th Annual show date is now September 28, 2019.

Thanks again to Steve Yeldell for arranging the November club meeting location. Meeting attendance was back to normal with 34 members and guests. It's amazing what a warm, sunny day does for attendance.

Since the October meeting, three members have joined the club, bringing our membership to 159.

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

NOVEMBER MEETING MINUTES

Gary Garner, Secretary

The November meeting of the Music City Mopar Club was held Sunday Nov. 18th at Jim & Nick's BBQ in Smyrna. The meeting was very well attended and the food was very good. We would like to thank the wait staff at Jim & Nick's for their service.

After the approval of the minutes of the October meeting, it was announced by Club President Donny Lippard that we now have 159 members with a couple applications that are pending.

The club continues to be in great shape financially. It is the time of year for us to make our donations for "Cops and Kids" in Wilson County and to purchase toys for the "Toys For Tots" drive that will be at Gateway Classic Cars on December 1 from 10 until 3. Donny and Jo Lippard will be buying the toys to donate from the club. If you can make it, please bring a toy to help some area children have a good Christmas.

The show season is mostly done for this year, so we are looking forward to some of the upcoming events in 2019. The first local show is the Nashville Auto Fest at the Fairgrounds January 19-20. They would like to have some of our cars in the show. If we can get at least 12 cars, there will be no entry fee. If you are interested, please contact Steve Yeldell. See copy of show flyer on page 1007.

The World of Wheels show will be in Chattanooga January 11-13 and in Birmingham Feb. 8-10. The 4th annual Meeting of the Mopars will be held in Alexander City, Alabama on March 2nd at Tim Welborn's Muscle Car Museum. The Indy Swap Meet will be held March 2nd and 3rd.

The New Orleans Big Easy Mopar Show will be March 15-17. They will have a designated parking area for all of our members. The Good Guys are going back to a three day show this year on May 3-5. We are not sure of the dates for

the Southeast Moparty Picnic, but we will get the word out as soon as we know.

Steve would like to schedule another cruise and picnic event for the club in May. If you have any ideas on this, please let Steve know at the next meeting.

The theme for next year's show will be the 30th anniversary of the club and the 50th anniversary of the Dodge Daytona. Donny is trying to have 3 or 4 Daytonas, including Tim Wellborn's #71 K&K Insurance Nascar stock car, on display.

The next meeting will be the Christmas party at David Denney's home December 29th. David will cook the meats and club members will bring side dishes and desserts. We will have social hour at noon, food at 1, and the meeting at 2. If you have not been to this meeting, please make plans to be there. It is always a fun day and a great way to meet your fellow club members. Jo Lippard will be coordinating the food, so please contact her (614-284-0086) with what you plan to bring and how many people will be attending.

Another year is almost in the books and boy did it fly by. We hope everyone has a great and blessed Christmas and remembers the reason for the season. 2019 is shaping up to be another busy show and cruise season. Be safe in your travels during the Holidays and we will see you at the Christmas party.

 30th Annual Music City Mopar Show

2018 FLORIDA MOPAR ASSOC. SHOW

Thanks to Mike Tanner for sending pictures and summary:

In addition to Mike and JoAnn Tanner, the MCMC was represented by Stan Hardcastle. As usual FMA put on a great show. We were blessed with warm partly cloudy (somewhat threatening at times) weather, but no rain. Overall attendance appeared to be good, plenty of show cars, parts, cars for sale, and a few original horsepower models with four legs nearby. Don Garlits, Herb McCandless, Tim Wellborn, and other Mopar dignitaries were in attendance. A photo shoot was done after the show by Rob of the Mopar Collectors Guide on a '79 Warlock II Powerwagon and a Custom '73 Charger.

The Tanners brought home one of the first place trophies, but the biggest surprise was the attention and comments from spectators, FMA members, especially Jim Marrone, Tim Wellborn and even Big Daddy himself Don Garlits on the quality and attention to detail of the restoration on the Warlock. We have been invited to show the Truck at the International Show Car Association sanctioned show at Chattanooga in January and Birmingham in February.

A 707 hp Jeep for \$95k was displayed ... the salesman told me he had already sold 4 of them.

FMA topped off a really good show with several honors to the Veterans on Sunday 11-11. The trophies had prominent red, white, and blue colors. There was a drawing for Veterans and the winner won \$500.

The 4 Cuda convertible shaker cars belong to the same owner:

Additional photos of the FMA Event are posted on the Music City Mopar Club website. Again, thanks to Mike and JoAnn Tanner for sharing coverage of the Florida Event.

1966 Barracuda, runs and drives. Has 225 slant six and three on the tree. I put a new fuel tank on it when I bought it in 2010. I put a new radiator in it 2 years ago. Been driven very little in those two years. It has some rot in the rear quarters, not major. This car was sold and resided most of its life in New Mexico. I am a retired fireman and don't have time or money to restore it. I need to let someone have it that can restore it and appreciate it.

Asking \$4000. These are getting rarer every day. Contact Randy Stanfill at 931-215-3158 or email rws@cpws.net. I have quite a few more pictures. Contact me and I will be happy to text you more.
