FROM OUR CLUB PRESIDENT:

Thanks again to David and Brenda Denney for hosting the December meeting at their home. We had 44 members and guests in attendance. Please welcome new and returning members Dale Gilbert, Phillip Lee, Harry Webb, Pernell Clarke and Jeremy Chenault. This brings our membership count to 163.

Due to calendaring issues this year's holiday meeting was held after Christmas and on a Saturday vs. Sunday. I know a few members could not attend because of holiday travel. After speaking with David (our host) and a few other members about the changes, I think we may be on to a new holiday party tradition.

2018 was another big year for your club's giving. We donated \$1500 to the TCAT Automotive Scholarship Fund, \$1,000 for - Cops and Kids - Sam Houston FOP Lodge, \$500 worth of toys for Toys for Tots in conjunction with sponsor Gateway Classic

Cars, \$400 from our 50/50 to Sarah Cannon Cancer Institute and \$500 to the Big Easy show sponsorship.

As re-stated in the meeting, it is time to renew your membership! We will be creating the initial membership directory (releasing membership numbers) on February 1, 2019.

The January meeting will be held on Sunday, January 27th at Cock of the Walk, 2624 Music Valley Dr., Nashville, TN 37214. We have the room starting at 12:30. Meet and greet at 1:00 followed by the meeting at 2:00. Since February is By-laws meeting, feel free to bring any proposed changes forward for discussion.

See Gary's meeting notes below for more detail on meeting topics.

As always, thank you for your attendance and active participation at club meetings and events.

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

DECEMBER MEETING MINUTES

Gary Garner, Secretary

The December meeting of the Music City Mopar Club was hosted at David Denney's home. After another great Christmas, the get together and dinner was held on December 29th. Many thanks to David and his crew for cooking up the burgers, hot dogs, chicken, onion rings, and fries and for hosting the dinner in his shop.

Club President Donny Lippard gave an update on Glenda Raggett. She is continuing to recover from her recent stroke and is in a private room at Skyline Medical Center and will be making the move to a rehab center in the future. Please keep Ed and Glenda in your thoughts and prayers.

After the approval of the minutes from the

November meeting, Club Treasurer Wayne Hall provided a financial report. The club is in good shape after our \$3900 in charity giving. We have 163 members as of the December meeting. Donny is talking to Freeland CDJR about renewing their club sponsorship and will be meeting with them this month.

Events Director Steve Yeldell reported on some of the upcoming events. Nashville Auto Fest will be Jan. 19-20 and the club will be entering 12 to 18 cars. Contact Steve if you are interested. The 40th anniversary of the start of the "Dukes of Hazzard" TV show will be celebrated at Cooter's Place on McGavock Pike. March events include The Meeting of the Mopars at Tim Wellborn's Muscle Car Museum in Birmingham on the 2nd, the Indy swap meet March 2-3, and the New Orleans Mopar Show March 15-16. Several club members are planning to make this show and they will have a designated parking area for our members. The Chattanooga Cruise-in March 30 has been moved to Camp Jordan, which was the site of the last two Moparty Picnics. For more information on these and other upcoming events, please check the club's website.

Richard Price wants to remind everyone to check their information on the 2019 club directory when it comes out.

The theme of our September 28th show will be the 30th anniversary of the MCMC show and will feature the Dodge Daytona. We have 3 Daytonas scheduled to be at our show, including Tim Wellborn's #71 K&K Insurance NASCAR stock car, Ted Steven's "police pursuit" restoration and Richard and Katrina Fleener's Nuremberg Daytona.

The January 27th MCMC meeting will be at the Cock of the Walk restaurant on Music Valley Drive near Opryland. The February meeting is the funding and by-laws meeting, so if you have anything that you want to be considered at that meeting, please bring it up at the January

meeting.

Once again, please remember Ed & Glenda Raggett as they deal with her health issues and we will see you at the Nashville Auto Fest and at the January club meeting.

Club Members:

Some of you may know that we do a YouTube Channel called Uncle Tony's Garage.

We're currently on the lookout for any interesting mechanical challenges or troubleshooting we can feature on the Channel.

Additionally, if you have a plain second gen Charger (318 or 383 2bb) I would like to do a walk around on my channel.

If you've got anything you think may fit, PM me or email kldefeo@gmail.com and let's talk.

Thank you, Tony Defeo

1966 Barracuda, runs and drives. Has 225 slant six and three on the tree. I put a new fuel tank on it when I bought it in 2010. I put a new radiator in it 2 years ago. Been driven very little in those two years. It has some rot in the rear quarters, not major. This car was sold and resided most of its life in New Mexico. I am a retired fireman and don't have time or money to restore it. I need to let someone have it that can restore it and appreciate it. Asking \$4000. These are getting rarer every day.
