FROM OUR CLUB PRESIDENT:

Thanks again to Steve Yeldell for arranging our January meeting at the Cock of the Walk restaurant. We had 42 members and guests in attendance. Please welcome new members Russell Robertson, Bobby Thurber and Billy Griffith. An updated membership count will be determined after all renewals are processed in February as we currently still have about thirty members of the 166 that have not renewed. I will try to contact those members in an effort to achieve 100% renewal.

In addition to membership renewals, we are actively discussing sponsorship renewal with our vendor sponsors Freeland CDJR, Gateway Classic Cars and Stephens Performance. If you know of other potential sponsors, please either contact them directly or forward their info to me or another officer.

February's meeting will be held at the TCAT Smyrna Campus with By-laws and 2019 funding being the primary business topics. Meet and greet is between 1-2PM with a scheduled presentation from Layne Pollak of Elite Leather Restorations starting at around 1:15 for 30 minutes. Business meeting will start around 2PM. If you have not previously been able to attend a meeting at this state-of-the-art facility, please plan on attending as I think you will be impressed.

See Gary's meeting notes below for more detail on meeting topics.

As always, thank you for your attendance and active participation at club meetings and events.

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

JANUARY MEETING MINUTES

Gary Garner, Secretary

The January meeting of the Music City Mopar Club was held at the Cock of the Walk restaurant on January 27th. Thanks to Events Director Steve Yeldell for securing the room. The food and service were great. We had 30 club members and 12 spouses/family members in attendance.

After the approval of the minutes of the December meeting, Club President Donny Lippard gave a membership report. We have 166 members, but that number includes 30 2018 members who have yet to renew for 2019. If you have not renewed or know of someone who has not, please encourage them to do so.

There were 3 new members at the meeting. Harry Webb (71 Duster 340), Steve Shaw (14 Challenger), and Billy Griffith (67 Charger) were at their first meeting and seemed to have a good time. Please continue to make them feel welcome.

Donny has been meeting with the management at Freeland CDJR and they are planning to continue their sponsorship of the club and are looking to become more active. We hope to have another event at the dealership this year.

Donny has also spoken to Gateway Classic Cars and is awaiting word from the corporate office on continued sponsorship and having a future meeting at their showroom. He has also spoken to O'Rielly Auto Parts about increased involvement with the club and with our show. Thanks to Donny for all of the work he is doing to keep our sponsors engaged.

The club continues to be in good financial shape. We still have sponsorship money to collect and we are planning to maintain our charitable and scholarship giving at the \$4000 level that we gave last year.

Events Director Steve Yeldell presented a large list of upcoming events as the show and cruise-in season is coming up fast. The club had 15 member entries in the Nashville Auto Fest Show that took place Jan. 19-20 at the fairgrounds. Almost all of the members took home a trophy from the show and everyone had a good time.

Chet Biggers and Mike Tanner will have vehicles in the Birmingham World of Wheels Show Feb 8-10. Several club members are planning to make the trip south to see a special display of 49 Mopars at this show.

Visit the South Hall for
MOPAR MADNESS

The entire South Hall will be filled with 49 rare, hand selected, museum quality Mopars from all over the country!

A collection of Mopar's this special has never been assembled in Birmingham before!

March events include the Indy Swap Meet on the 2nd and 3rd, the Meeting of the Mopars at the Wellborn Muscle Car Museum on the 2nd, the New Orleans Big Easy Mopar Show on the 15th and 16th, and the Chattanooga Cruise-In on March 30 at Camp Jordan.

For details on these events and on all of the events coming up in April and May, please check our website for information and links to the upcoming shows. It is going to be another busy year and there will be many opportunities to show off our rides and our Mopar pride.

There is very good news concerning the health of club member Ed Raggett's wife Glenda. She has been moved from the hospital to the Select Specialty Rehab facility as she continues to recover from her recent stroke. She is regaining some movement, is communicating through writing, and is able to remember names and dates such as birthdays. This is great news for them and all of the club members. Please keep praying for Ed and Glenda. Ed is spending all of his time at her side as she recovers.

The February club meeting will be held Feb. 24 at the TCAT School in Smyrna where club member Chuck Vaughn is the instructor. There will be a presentation by

Layne Pollak who specializes in interior repair starting about 1:15 with the meeting at 2. This will also be the annual by-laws meeting as well as discussing our plans for charitable giving in 2019.

2019 is looking to be another fun and busy year for the club, so please try to attend as many of the meetings as you can because this is your club and you can help make this year a great one. See you in February.

Some of you may know that we do a YouTube Channel called "Uncle Tony's Garage".

We're currently on the lookout for any interesting mechanical challenges or troubleshooting we can feature on the Channel.

Additionally, if you have a plain second gen Charger (318 or 383 2bb1) I would like to do a walk around on my channel.

If you've got anything you think may fit, PM me or email kldefeo@gmail.com and let's talk.
