another great financial report. Membership as of the meeting was 152 with 2 pending and 13 members from 2018 who have not yet renewed.

5 club members attended the New Orleans Mopar Show and all 5 brought back a trophy. The weather was cold and rainy, but they had 150 cars to register for the show. Donny shared the following weather related picture from the Big EZ event:

FEBRUARY MEETING MINUTES

Gary Garner, Secretary

The March meeting of the Music City Mopar Club was held at Gateway Classic Cars in LaVergne on Saturday March 23rd. Gateway is one of the club's sponsors and we really appreciate them allowing us to meet at their showroom and for providing coffee and snacks. As usual, they had a great selection of cars and trucks for sale including some of our club member's vehicles.

Club member and Veteran Phillip Lee spoke to the members about a project that he is involved with called the Veterans History Project. They are trying to interview all veterans who would like to pass on stories of their service experiences. Their interviews will be recorded and placed on a DVD which will be placed in the Library of Congress. A copy of the interview will be given to the veteran also. This is a free service and is a very important project. Preserving the oral histories of our veterans is a great way to pass on their experiences to future generations. Please contact Phillip if you or someone you know would like to participate.

The members voted to help support the Welborn Muscle Car Museum by having the club become a member of the American Muscicar Preservation Lane. A tile with the club logo will be placed in the floor at the museum.

Among the upcoming events reported on by Events Director Steve Yeldell is the April 20th Cars For Kids show at the Tennessee Baptist Children's Home in Brentwood. This is a fund raiser for the home and the kids do the judging of the cars. Mopar Fest At The Battleship in Mobile, Alabama will take place April 27-28. This show is put on by the Big Easy Mopar Club.

The Good Guys Show at Nissan Stadium is right around the corner on May 3-5.

As usual, we will be working the gates to earn money for our TCAT scholarship fund. When you sign up to help out you get free admission, parking, a T-shirt, and entry for your car. If you have not worked at this show, please come out and help. You won't have to work hard and you will get to see some great cars and have a very good time. Please contact Steve Yeldell to get on the list. More information on these and other events can be found on the club's website. It will be a very busy summer.

We now have flyers for our September show, so

please take some and distribute them to fellow Mopar owners at the shows and cruise-ins that you may attend during the summer. It is never too early to start gathering items for the goody bags and door prizes to be given away at the show.

We have very good news to pass along concerning Ed Raggett's wife Glenda. She is in a rehab facility working to regain full use of her legs. The goal is to be independent enough for rehab therapy to be continued at home.

Club member Louie Yeldell was recently in the hospital dealing with flu and infection issues, but he is in NHC Sumner Place doing therapy so that he can return home as well. Since the meeting he has moved home where he continues to receive therapy. He says that he feels that he is in better shape now than he was before he got sick. Please keep Louie and Glenda in your thoughts and prayers as they work to recover.

Many thanks go out to Richard and Linda Price for their work on the newsletter while Ed is helping Glenda.

The next meeting will be held at the Margarita House in Mt. Juliet at 151 Adams Lane, Suite 5 on April 28th. (615-758-8992) ~ directions and menu available on website: www.margaritahousetn.com.

Spring is finally here and hopefully the rains will ease up enough for everyone to get back to normal. We will see you at the next meeting and be sure to get those Mopars out of the garage and on the road.

Club Members:

Some of you may know that we do a YouTube Channel called "Uncle Tony's Garage".

We're currently on the lookout for any interesting mechanical challenges or troubleshooting we can feature on the Channel.

Additionally, if you have a plain second gen Charger (318 or 383 2bbl) I would like to do a walk around on my channel.

If you've got anything you think may fit, PM me or email kldefeo@gmail.com and let's talk.

Thank you, Tony Defeo
