Exhaust Notes:

FROM OUR CLUB PRESIDENT:

Thanks again to Freeland CDJR for hosting our July club meeting. We always look forward to interacting with our Platinum sponsor. 36 members and guests were in attendance and with good weather many brought out their old and new Mopars.

I want to recognize and thank Richard Price for putting together and distributing the club's newsletters!! Richard has requested that someone pickup this process going forward. If no one volunteers, I will publish my notes, Gary's meeting minutes and our sponsor page each month as an abbreviated newsletter. Two - three times a year we will endeavor to publish a more comprehensive newsletter.

We have made a tradition of attending the Hendersonville Cruise-in to support Mopar night held once each summer. August 2nd was the date of this year's event and thank you for your attendance! If my count is correct there were 30+ Mopars.

A Few of Donny's Hendersonville Cruise-In Pictures:

Mike Wilkins debuted his Comeback Cuda, which was appropriate since it was wrecked going home from this venue a

couple of years ago. Chet Biggers AAR Cuda was selected as the ride of the week.

Mike's "Comeback Cuda"

Chet's AAR "Ride of the Week"

I'm glad I did not have to select just one ride from the great Mopars in attendance. Thanks, Mike for coordinating this event with the Hendersonville Cruise-in folks.

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.
