your continued support as we look forward to 2020.”

It is repeated here because it will serve as the foundation for what we hope to meet or exceed as a club in 2020.

In March we will enter our 31st year as a club. This is no small part due to the hard work and dedication of many members, officers and sponsors over the past 30 years. The best way to honor their work is to ensure that the club lasts for many years to come.

In 2020, my personal focus will be to ensure continued success by making targeted improvements and establishing a succession plan to ensure long term continuity of the club.

Let’s have a great 2020!

Donny

Lippard is continuing his recovery from neck surgery and is doing very well.

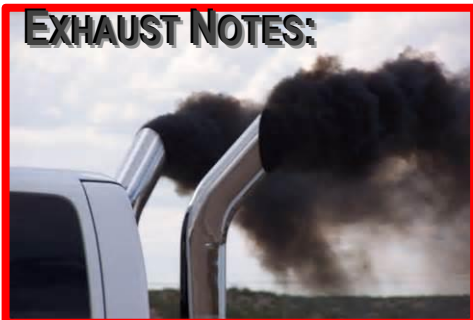

After approving the minutes of the November meeting, Club Treasurer Wayne Hall presented a financial and membership update. Membership for 2019 was 173 members. 90 - 95 members have renewed for 2020 as of the meeting. We will be contacting members who have yet to renew.

The club continues to be in good shape financially. In December we paid \$1000 to the Shop with A Cop program in Wilson County and \$500 to the Shriner's Hospital. We hope and expect that all of our 2019 club sponsors will be renewing with us for 2020.

Thanks to the members for the good turnout for the Toys for Tots event at Gateway Classic Cars on December 7th.

Congratulations to Club Vice President Mike Wilkins on receiving 990 out of a possible 1000 points for his Cuda convertible. Great job on the restoration and if you know Mike, you can be sure that he will be working on those last ten points.

From Our President:

Thank you for a great 2019!

For non-members that receive this newsletter, I would like to share what I sent the membership via email in December. “I would like to take this opportunity to thank our members and sponsors for another great year (our 30th) for the Music City Mopar Club! We welcomed many new members, supported several local events and shows, travelled to a number of Mopar events while supporting our sister clubs, supported our platinum sponsor’s customer appreciation day and donated our time and club dollars (\$4000+) to charities and our scholarship fund.

But best of all, we supported fellow members, had fun and delivered our greatest Mopar show ever! Again, my thanks for

DECEMBER MEETING

NOTES

GARY GARNER, SECRETARY

The Christmas Dinner and December meeting of the Music City Mopar Club was held at the home of David & Brenda Denney on December 28, 2019. Many thanks to David and his crew for the great job of cooking up the burgers, hot dogs, chicken, and fries. Thanks also go out to the members who brought the drinks, side dishes, and desserts. There were 33 members and guests in attendance.

The update from Steve Yeldell on the health of Louie Yeldell continues to be positive. He is in rehab recovering from a fall and broken arm, but is doing well and will be moved to an assisted living facility soon.

Club President Donny

this years' Auto Fest Show remains undecided as of the meeting. Indy Cylinder Head has been sold, but the new owners plan to stay involved with the Chrysler Performance Trade Show in March.

The January meeting will be held Sunday, Jan. 26th at the Margarita House Mexican Restaurant in Mt. Juliet. One of the topics at the meeting will be discussing ideas for the March meeting which will be celebrating the 30th anniversary of the club. If you have any ideas about what we should do for this milestone, please bring it up at the January meeting. February 23rd is the date for the annual bylaws club meeting. If you have any changes that you would like to make to the bylaws, please present them at the January meeting.

2019 has flown by, and we are starting a new year as well as a new decade. There are not many shows nearby during January, but opportunities will be ramping up quickly with the Meeting of The Mopars at Tim Welborn's museum and the Indy trade show coming up the first weekend in March. It is time to get the tune-ups and maintenance work done so that we can be ready to ride when show and cruise-in season starts. We hope that every one is well and we will see you at the next meeting.

COME DISCOVER

“DA PARISH”

You will experience complete immersion in the life, food, culture, and survival stories of St. Bernard Parish.

Stay in one of two local hotels both are just a short drive (or walk from one of the hotels) to our new show location. Our new location is a large parking lot with a park, trees, and space for everything. Right on the main drag of St. Bernard. It still just 15 minutes from the French Quarter. If you have come before, it is just minutes from where the “Friday Cajun Dinner” is served.

On Friday you will be picked up and experience a little of what it’s like to live in and love da Parish. Learn of a culture that almost no one even knows exists. See the way people of South Louisiana have lived for years then see and learn about a part of history and way of life that has helped shape Louisiana and the country.

You will again experience the food, drink, and hospitality that Big Easy Mopar’s is so proud of. This year again there will be that little bit of lagniappe that is a New Orleans and our tradition.

Can’t wait to see you there and remember.....

If you go home hungry or sober, it’s not our fault.

See Ya There,
