Exhaust Notes:

FROM OUR PRESIDENT:

First, I would like to ask that we keep all of those impacted by the recent storms in central Tennessee in our thoughts! Sadly many lives were lost and property damaged in the tremendous path of devastation generated by the tornados.

Thanks again to Chuck Vaughn for hosting our February club meeting at TCAT in Smyrna. We had 32 members and guests in attendance. Primary agenda was by-laws and annual reoccurring funding discussions. As you will see below in Gary's meeting notes, the current by-laws were approved with no changes and we funded our 2021 reoccurring giving (2020 giving was approved in February of 2019).

2020 membership renewals were up from previous years as our contact program worked to remind members that had not already renewed. We can expect another 15 to 20 renewals as the weather improves and we begin to see some of our Mopars come out of winter hibernation.

I always begin to get the Mopar itch after Daylight Saving Time kicks in and I start packing for the Big Easy Mopar Show. Hopefully you are preparing

to start showing your vehicles and we get off to a quick start this spring.

We continue to progress with our transition planning and are on track to deliver on those items identified for continuity of leadership.

I still want to hear your thoughts on topics for "how to" sessions and other ways we can help share information.

Donny

P.S. I want to thank you for your support, prayers and well wishes the past 3 months during my recovery.

FEBRUARY MEETING NOTES

GARY GARNER, SECRETARY

The February meeting of the Music City Mopar Club was held Feb. 23rd at the TCAT School in Smyrna. Thanks to Chuck Vaughn for coming to work on a Sunday and opening the school for us.

Both Louie Yeldell and Kenneth George were in attendance at the meeting. Both are doing well after recent health issues and it was great to see them out and about.

After the approval of the minutes of the January meeting, the discussion turned to the club's annual September show. Once again, a meeting was held with the club officers and the show committee prior to the normal meeting to discuss some of the logistical issues with the show. We will meet with the Wilson County Fairgrounds representatives to discuss using the Daniel's Market entrance for the show. We will request that the contractor installing the Christmas lighting not be working or blocking off any of the parking areas during show weekend. We will also ask that nothing will be done on the show field that would result in the blocking off of

areas and reducing the size of the parking in the field. We hope to continue to grow our show and will need all of the parking we can get.

Club member Richard Fleener will be hosting a National Winged Warriors meet the week of our show and has expressed interest in bringing some of his group, including Ford and Mercury aero cars, to be displayed at our show. The show committee decided in favor of having them participate and that we will park them together in the area behind the museum where our featured cars for this year will be parked. This would be a great addition to our show and could add up to 50 cars to the show.

The show theme this year is "That 70's Mopar Show". The featured cars will include the Rapid Transit System Plymouth cars, the AAR Cuda and the T/A Challenger, and the Superbird. Mike Wilkins has been working to secure at least one of each of the Rapid Transit cars and is also working on the show shirts to include the 70's style graphics along with the featured cars. Chet Biggers is also working to have several AAR's and T/A's in attendance.

The February meeting was the annual club by-laws meeting. No changes were proposed, so the current by-laws were approved for this year.

Wayne Hall reported that we currently have 138 members. Several from last year have yet to renew. Calls have been made to remind and encourage everyone to renew. The club remains in good financial shape. Both Freeland CDJR and Gateway Classic Cars have renewed their sponsorships. We are always looking for more club sponsors as well as show sponsors and for items for the show goody bags. The club's charitable giving for 2021 was approved. This includes \$1500 for TCAT scholarships, \$1000 for the club officers to donate, and \$500 to help the Big Easy Mopar club who provide the Friday food at our show. Toys for Tots and the Shop with a Cop donations are a part of our year end giving.

We are trying to line up an event to be held at Freeland CDJR again this year. We are looking at having a meeting and car show for our members at the dealership for a customer appreciation day. A possible date of April 18th has been discussed. We will meet with the dealership and let you know as

soon as possible. The 30th anniversary of the club's first meeting will be in March, but we will celebrate this occasion with a cruise and lunch at Club President Donny Lippard's home on May 30th. Many thanks to Jo and Donny for hosting our members.

The March MCMC meeting is currently planned for March 22nd at 219 Broad Street Mixed Cuisine, 219 NW Broad St, Murfreesboro, TN 37130. 615-396-8484 / Check out the menu: broadstreetmixedcuisine.com

Spring and show season are almost here, so let's get those Mopars out and have another great year. See you at the next meeting.
