## **FROM OUR PRESIDENT:**

Well, it looks like we are beginning to get back to a more normal existence in middle Tennessee. I have had no reports of illness within the club and hope it stays that way. Again, please continue to do what you feel is necessary to keep you and your loved ones safe!

Thanks to the 50 members and guests that attended our May club meeting. Jo and I always enjoy hosting a meeting at our place and it was great to see everyone. Since the previous meeting, we welcomed several new and returning members as Gary mentions in the meeting notes. New members David & Mary Gross and Brian & Marie Goss attended their first meeting and helped us celebrate our 30<sup>th</sup> Anniversary.

### Show Activity:

Unfortunately, two of the other Mopar shows in our area (TN Valley & East Tennessee) were canceled this year. I look forward to supporting them next year at their respective shows.

Goodguys has rescheduled dates of August 28-30 for Nashville and we will again work the show. Steve is not sure how the show may have changed, but will share the info as it is received. Please let Steve know if you are able to work the show.

Several other events are still on schedule for later in the year. See Gary's notes below for more info on upcoming events and details of the May meeting.

June's club meeting will be in the Lions Club Building at Cannonsburgh Village, 312 South Front Street, Murfreesboro, TN. Meet and greet starts at 12:30 followed by the meeting at 1:30.

Donny

P.S. I still want to hear your thoughts on topics for our "how to" sessions and other ways we can help share information, skills, tools, etc. with members seeking to restore or maintain their Mopar.

## May 2020 Meeting Notes:

Gary Garner

The May meeting of the Music City Mopar Club was held Saturday May 30th at the home of Club President Donny Lippard and his wife Jo. Everyone in the club thanks them for once again hosting the members and providing a great BBQ lunch with all of the trimmings. It is always fun to visit the shop and see the progress of the restoration projects that they have going on. Club members Mike Wilkins and Chet Biggers did a great job applying the B5 blue to Donny's 1970 Charger. Donny says that he will have the Charger at the club's show in September no matter what stage of the restoration he is in at that time. We can't wait to see this one on the road.

This was a special monthly meeting, not only because we haven't met since the February meeting due to concerns over the virus, but because this meeting was the 30th anniversary of the first meeting of the club.

After the approval of the February meeting minutes, Club Treasurer Wayne Hall presented a financial update. The club continues to be doing well financially with payments having been made to Mopar Collectors Guide for ads about our show, the TCAT scholarship fund, and for our sponsorship of the Big Easy Mopar Show.

Jake Istvanditsch reported that the club membership is currently at 144 including renewing and new members David & Mary Gross, Tom Richmond, Eddie Crouch, Duane Cates, Troy Randolph, Brian and Marie Goss and Jodi Martinez. Welcome to the club.

Events Director Steve Yeldell gave an update on the August 28-30 Goodguys

event that our club works to raise money for our scholarship fund. The show is still on schedule unless the city tells us otherwise. We may not have any of the students from TCAT to help us out at the gates and with parking. We still do not know if they will be back in school at that time. If you haven't signed up to work at the show, please contact Steve as he is putting together the list and getting T-shirt sizes for each member that works.

The Carlisle Nationals on July 10-12 is still on. Several members are planning to attend. Ed Sally has some rooms reserved. If you want to go, please check with Ed.

The Mopar Nats in Columbus, Ohio are still on and several of our members will be judging again this year.

Other upcoming fall events include the first Holley Mopar Fest at Beech Bend on September 18-20, an event at the Wellborn Museum, and Cruising the Coast in October.

We still do not know if we will be having an event at the club's Platinum Dealership Sponsor Freeland CDJR.

Our 31st annual club show is still scheduled to be held Sept. 26 at the Wilson County Fairgrounds with this years' theme being That 70's Mopar Show. We will meet with the Fairgrounds representatives to discuss the show. We would like to use the entrance near the Daniels Market that was destroyed by the tornado. Mike Wilkins is continuing to work on the T-shirt for this years' show. We plan to go to a gray shirt this year.

Everyone in the club continues to be in good health as far as we know. Louie Yeldell is doing well in assisted living. It is tough to not be allowed to have visitors or to be able to get out except for doctors' visits. Everyone wishes the best for Louie, Steve, and their families during this tough time.

The June MCMC meeting will be in Murfresboro at Cannonsburgh Village on June 28th. Details and directions are listed in the Exhaust Notes. Everyone stay safe as show and cruise season finally ramps back up and we try to get back to a little bit of normal life. See you on the 28th.

Massive Mopar Collection Up For Auction in July

Jeffrey N. Ross / Motorious June 5, 2020, 3:15 PM CDT

A total of 50 Mopars spanning all generations will be up for grabs! If you're a Mopar lover, next month's auction of the Jim Gesswein Collection will be a must-see event. This collection was assembled by the owner of a Chrysler dealership in South Dakota, so not surprisingly, the majority of lots are Mopar products including various Chrysler, Plymouth and Dodge cars from the 1950s through the 2018 model year as well as a collection of 23 Imperials.

Image Credit: Vanderbrink Auctions

The gem of this collection is definitely a pair of 1970 Plymouth Superbirds that are practically identical with B5 Blue paint and 440 cubic-inch V8s, but there's literally something for any Mopar enthusiast. These range from vintage beauties like the 1955 Imperial sedan up through high-powered muscle cars like the numbers-matching 1970 Plymouth GTX. There are even some interesting collectible cars like the 1986 Shelby GLH-S and the rare 1963 Chrysler 300 pace car – one of 1,861 ever made. Many of these cars have very low miles including the never-titled 1987 Shelby Charger and 1989 Shelby Daytona with both having just 11 miles on the odometer, and the latter comes with the lower front bumper cover still in the box! Speaking of low miles, there are also the 2018 Dodge Challenger SRT Hellcat Widebody and a 2018 Dodge Charger R/T Scat Pack that still have delivery miles and, like the Shelby Charger, neither have ever been titled. If you're not a Mopar fan, this collection also has a handful of Buick Riviera and Ford Thunderbirds that will be available.

This live auction will take place on Saturday July 18th in Milbank, South Dakota, and of the 55 classic and collectible vehicles that will be up for grabs, 46 are being offered at no reserve.
