### FROM OUR PRESIDENT:

Thank you for a Great Show!

With temps in the low 80's and a field of exceptional vehicles, I don't think we could have asked for better weather or better vehicles.

The weekend kicked off on Friday with another great meal provided courtesy of the Big Easy Mopar Association. We certainly appreciate the continued support from their club and look forward to seeing them in March at their next show. Thanks again BEMA!

After the meal, Mike led the cruisers to Snow White's drive-in for some ice cream and socializing (at a distance of course).

Saturday's show again started filling up early with participants and swap meet vendors. While we did not know how Covid-19 would impact the show, it was clear on Saturday that everyone was tired of being cooped up and they were eager to gather and share their Mopar vehicle with others. Of course we followed the fairgrounds requirements to post social distancing signs and provide sanitation stations around the show. Additionally, we provided 2 masks in each participant's goody bag.

A special thanks goes out to those participants who filled out the "Rapid Transit Display." This special display of 1970's Plymouth muscle was amazing to see and drew big crowds throughout the day.

As I stated at the end of the awards ceremony, we could not put on a show of this caliber without the tremendous support of the many member volunteers, our great sponsors and the participants, vendors and spectators that attended the show.

Thank you all for supporting our hobby and the Music City Mopar Club!

In addition to new member Rudy Martin mentioned in Gary's meeting notes, six additional members joined or re-joined at the show. Please welcome Gene & Pam Lowery, Jeff Strickland, David Elmore, Chuck & Chris Alaniz, Steven & Heather Young and Judylee Ledo.

Donny

### September 2020 Meeting Notes:

Gary Garner

The September meeting of the Music City Mopar Club was held Sept. 13th at the home of Pam and Lester Bentley. The main focus of the meeting was the goody bag stuffing for our show and we used some of Lester's shop space to assemble the bags. Many thanks to Pam and Lester for the use of their home.

After the goody bag stuffing, the first order of business was the approval of the August meeting minutes. Club membership at the time of the meeting was at 152 with Rudy Martin being the latest member. Welcome Rudy.

After a general discussion of show procedures and planning, there was an update on Stan Hardcastle provided by Ron Gillespie. Stan was in the hospital dealing with infection and blood clot issues. Please keep Stan Hardcastle and Louie Yeldell in your thoughts and prayers as they continue to recover from their health issues.

The October club meeting may be at the TCAT; 663 Ken Pilkerton Drive; Smyrna, TN 37167 on October 25<sup>th</sup>. Meet & Greet will begin at 1:30 followed by the meeting. We hope everyone stays healthy and well and we will see you at the meeting.
