Exhaust Notes:

FROM OUR CLUB PRESIDENT:

What a great club meeting we had at Mike and Jo Ann Tanner's place. A big Thank You to them for hosting our meeting. We had many members in attendance, and we discussed what lies ahead leading up to our show. You will see a detailed synopsis in Gary Garner's meeting notes. At the end of the meeting Mike walked us through his collection of awesome trucks.

The club was represented at the Huntsville show on July 3rd. Their attendance was down due to their having to reschedule from their normal date in June. Steve Yeldell took home a 2nd place in the A-body stock and modified class, and I took home a 1st place in the E-body stock and modified class. We had beautiful weather and the show went off without a hitch.

My main announcement is about our JULY meeting. We originally wanted to try to have it at the dealership but that did not pan out. SO, we will have our meeting at another one of our sponsor's showroom. We will also need to change the date. Chris Rowland our contact at Gateway Classic Cars has invited us to have our meeting at their monthly "Coffee and Chrome" event, SATURDAY, JULY 31st. The event starts at 8:30 and runs until noon. We will then have our meeting at 1:00pm in their showroom. The address is Gateway Classic Cars, 320 Tech Park Dr, suite 600, La Vergne TN. 37086. Bring your cars and enjoy all of their beautiful inventory.

We have flyers printed and ready to hand out about our 32nd annual show. Steve has printed up color copies for us to hand out. This year's theme is "Keep on Truckin" highlighting Trucks, Vans, and SUVs. We will continue our family friendly, well organized Car Show, with the most comprehensive Judging of any show in the country.

Mopar Mike

Meeting Notes

The June meeting of the Music City Mopar Club was held June 27th at the home of Mike & Jo Ann Tanner. Many thanks to Mike and Jo Ann for hosting the meeting and for providing refreshments. It is always fun to get to see their collection of trucks and cars.

Please remember Donny and Jo Lippard in your thoughts and prayers as we got the news of the passing of Donny's sister.

After the approval of the minutes of the May meeting, Membership Director Jake Istvanditsch reported that club membership was at 150. Please check the current club directory to be sure that your personal information is correct.

Club Treasurer Wayne Hall reported that the club continues to be in good financial condition with all current bills being paid. The expenses for our show

will be the next items to take care of. There are currently 10 preregistrations for the show.

Events Director Steve Yeldell was presented with the plaque that the Good Guys gave the club for working the gates at the show in appreciation for all of his hard work organizing and directing the club members to man the gates. Thanks to all of the members who worked during the weekend. The club has received the \$1000 check from the Good Guys that goes to fund our TCAT scholarship. Members Chet Biggers, James Peach, and Jessie James picked up awards from the show. Good job guys!

In other event news, several members attended the Mopar show in Cullman, Alabama. Some won awards and everyone had to deal with storms and hail issues while leaving the show. Mike Wilkins attended the East Tennessee Mopar show in Knoxville and picked up the 1st place E body stock award. The Meet In The Mountains show was held in Pigeon Forge and at the Knoxville Smokies stadium. This was a modern Mopar show that had 250+ participants. In upcoming event news, several members will be attending the Carlisle Mopar event as well as the Mopar Nationals. Several club members are judges at the Nationals and if you are interested in judging, contact Mike Wilkins for more information. Jake Istvanditsch is working with the people at the Moparty in Bowling Green to secure a parking area so that our members can park together. Please let Jake know if you are planning to go so he can have an accurate count.

The next item was a show update from Club President Mike Wilkins. The t-shirts are going to be gray again this year, but the fabric will be a little lighter weight than last year. The art work is currently in progress and we will order more shirts this year due to the popularity and quality of last year's shirt. We will be contacting the apparel vendor that we had last year about attending again this year. They had indicated that they would be back. Food vendors Meme's and the people with the Good Humor ice cream truck are planning to be back. We will be hiring an overnight security person again this year. We haven't had any issues in the past, but with the planned Christmas Crafts Show returning and the BMW motorcycle group

trying again to have their gathering, this is cheap insurance to protect all of the cars and trucks that will be parked overnight on the grounds. We will be planning to offer a welder as the raffle prize this year instead of a TV. We will do the 50/50 drawing again and please be on the look out for goody bag items.

After the club business portion of the meeting was over, our host, Mike Tanner, spoke about a subject that is very near and dear to him - 1972-93 Dodge trucks! Interest is really growing in these trucks in part due to the special models that Dodge produced in that era including some of Mike's favorites, the Little Red Express, Power Wagons, and Warlocks. His Little Red is being featured in the upcoming issue of Chrysler Power Magazine. He gave a lot of credit to Richard and Linda Price for doing such a great job in preserving the Little Red Express for many years until he purchased it from them,. He also mentioned that a new reference and restoration book is being written and is about to be published by Dave Wise. This book should be of great help to anyone that needs to know more about these trucks. Once again, we thank Mike and Jo Ann for having the club meeting at their home.

It is hard to believe, but it is already mid-summer and there are so many cruise and show events that are happening all over. This is certainly better than last year. Let's drive those Mopars and continue to hand out show flyers to spread the word about our show. Be safe and stay healthy and we will see you at the July meeting.
