Exhaust Notes:

FROM OUR CLUB PRESIDENT:

We had a great turnout at Gateway Classic Cars for our July meeting. Thank you to all who braved the heat and brought their cars out to the "Coffee and Chrome" event. Chris Nathan and all the guys at Gateway were very good hosts and loved seeing our beloved Mopars. It is always good to see the cars in their massive showroom, even if only a few of them were Mopars. We met in their break room since it had good air conditioning and by the meeting time it was filled to capacity. See Gary's notes for more details.

In looking forward to our Big Show in September, we need to focus on making the MCMC show the best

ever. We need to get as many items as possible for our goody bags and door prizes for our give aways. We will have our August 22 nd meeting at T.C.A.T. We will be able to work out any final details for our show at Chuck's place.

Several of our members will be attending and judging at the Mopar Nats, and September, October, and November have a lot of events for Mopars coming up. So, we look forward to making plenty of memories and cooler weather.

Our very own newsletter editor Troy Randolph is getting married in September, so we are calling on Richard Price to do the September issue. Wish Troy and his new wife the best through cards and phone calls and I am sure they wouldn't turn down any wedding gifts.

We have flyers printed and ready to hand out about our 32 nd annual show. Steve has printed up color copies for us to hand out. This year's theme is "Keep on Truckin" highlighting Trucks, Vans, and SUVs. We will continue our family friendly, well organized Car Show, with the most comprehensive Judging of any show in the country.

Mopar Mike

Meeting Notes

The July meeting of the Music City Mopar Club was held Saturday July 31st at the Gateway Classic Cars showroom in Lavergne after the monthly Caffeine & Chrome cruise-in event. Many thanks to Chris Roland for setting up the meeting room and hosting us. Please see them if you want to buy or sell a classic car or truck.

There were 29 members and guests in attendance. Roger Hendrick, a member of the club in the early days of the club's existence, was in attendance. Larry Crawford was also present. He is still recovering from some health issues and it was good to see him. We also heard that Forrest Pitcock is in assisted living in Murfreesboro.

After the approval of the minutes of the June meeting, Wayne Hall reported that we currently have

150 members and 23 pre-entries for the show. He also stated that the club continues to be in good financial shape with the expenses for the show being the next order of business.

Chet Biggers continues to work on the design for the show t-shirts and had a picture of the graphics that will be on the shirts. It looks like we will have another great shirt that will sellout again. We should have the shirts at the goody bag stuffing at Pam and Lester Bentley's home September 12th.

Seven club members attended the Chryslers at Carlisle event. Ricky Haliburton and Jesse James won awards and Jim Peach had a vehicle in the Mr. Norm display. Great job guys!

Club members Jesse & Melissa James and Jake & Angie Istvanditsch all received awards while attending the Mopars @ The Museum show in Talladega. Congratulations and thanks to all of the club members who travel to these events and represent our club so well.

Jake has also been in touch with the people putting on the Moparty event in Bowling Green at Beech Bend in September. If you plan to go, please let Jake know as he is arranging for the club members to have our own place to park together. He is trying to get 25-30 members.

Several club members are planning to go to the Mopar Nats in Columbus, Ohio Aug. 13-15. Mike Wilkins will be heading up the members who are going to be judging.

Our show is just around the corner. Meme's and the Good Humor vintage ice cream truck are confirmed food vendors. We will continue to try and get in touch with Extreme Mopar Sales who were our apparel vendor last year. They had indicated that they would be back. We can always use more show and class sponsors and goody bag items. If you haven't heard, the Wilson County Fair and the Tennessee State fair are merging. This is going to lead to a new building being built on the land that we currently use as our show field. We have the space reserved for 2022 and construction has not yet begun, but we may need a

new location for our show as soon as next year. If you have any suggestions, please bring them to the next meeting which will be held August 22nd at the TCAT school in Smyrna.

The heat of summer is finally here, but don't let that stop you from getting those Mopars out and showing them off. Please keep giving out show flyers and spreading the word. You guys are what makes our show successful and sets us apart from other events. See you at the August meeting. Stay healthy and cool.
