Exhaust Notes:

FROM OUR CLUB PRESIDENT:

A big thank you to Chuck Vaughn for hosting our August meeting. It is always great to meet where the rubber meets the road and see cars and engines and all kinds of mechanical gear. We had a great turn out for our last real meeting before our annual Music City Mopar Show. We went over a detailed check list and we still will need to have all hands-on deck for the goody bag stuffing September 12, and on Friday September 24th by noon for set up at the show field.

We need items for the goody bags as well as give away door prizes. Don't think "hey someone else will do that"; No, that someone else is you! Let's

all do our part to make this year's show the very best.

If you are going to attend "The Moparty" in Bowling Green Kentucky contact Jake and get on the list to park with the club.

We have flyers printed and ready to hand out about our 32nd annual show. Steve has printed up color copies for us to hand out. This year's theme is "Keep on Truckin" highlighting Trucks, Vans, and SUVs. We will continue our family friendly, well organized Car Show, with the most comprehensive Judging of any show in the country.

Mopar Mike

AUGUST MEETING NOTES

Gary Garner

The August meeting of the Music City Mopar Club was held August 22nd at the TCAT School in Smyrna. Thanks to Chuck Vaughn for allowing us to meet at his school and for being there on his off day.

The first part of the meeting was sharing member news. The club is putting the name of Claud Baskin on the show trophies for the A body stock class. As you may know, he passed away recently and he owned a 1966 Barracuda that he talked about a lot.

Club member Jerry Taylor is having health issues and is currently on a ventilator, so please keep him in your thoughts and prayers. Lester Bentley's sister passed away recently. Our condolences go out to Lester and his family.

Jake Istvanditsch and Donny Lippard were unable to attend the meeting due to being quarantined from covid exposure.

Forrest Pitcock and his wife have recently moved to assisted living. His son Scott has let the club know that Forrest is planning to donate a 392 and 413 engine to the club. The club would like to sell these to someone who needs them for a project and we will put the money in our scholarship and charity fund. Details will be sent out as soon as we have them.

As you can see, many of our members are being touched by health issues, so please keep them in your thoughts and prayers and be safe in your daily lives and at any shows that you may be attending.

After the approval of the July meeting minutes, Wayne Hall reported that we currently have 151 members and that we are in good financial shape. The club has paid for our liability insurance and for the 220 show t-shirts. We will still have to pay for the trophies, show field rental, and sound system. The t-shirts have been delivered and will be available at the goody bag stuffing.

Several members attended and judged at the Mopar Nationals. Chet Biggers received the Senior First Award for his AAR Cuda. Great job Chet.

Upcoming events include the 2nd Holley Moparty at Beech Bend in Bowling Green Sept.17-19 and, of course, our show at the Wilson County Fairgrounds Sept. 25. For information on these and the many shows coming up in October and November, please go to our website {musiccitymoparclub.com} or visit our facebook page.

As you know, it is almost showtime for our club's annual show. Mike Wilkins has been in touch with the owner of a nice custom van in South Carolina to see if he will bring it for display in our featured truck display. We did touch base with the apparel vendor from last year. The people at Indy cylinder heads now own them and they are planning to come to our show. 'Meme's Country Cookin' and the 'Good Humor Ice Cream Truck' are still scheduled to attend.

Don Wolfe has secured the welder that will be used as a raffle prize. We still need door prizes and items for the goody bags. We plan to have a spot in the vendor field for club members to bring some items for sale.

This, as always, is the big event for our club and we can use all of the help that we can get. We will be setting up the show on Friday about noon and will be cruising to the Snow White drive-in on Friday night as well as enjoying the great food that the members of the New Orleans Mopar Club will be serving that evening. We can use help with parking, registration, and judging on Saturday. If you haven't helped out before, come on out. It will be a fun day with great cars and great people. Our members are what make our show and have earned us a good reputation.

The next meeting will be Sept 12th at Pam and Lester Bentley's home for the goody bag stuffing. Please bring any items that we can put in the bags. It does not have to be auto related.

Please be safe and stay healthy and we will see you in September. This is a busy month for our club and we need all members to lend a hand. You will have a great time. See you there.
