Exhaust Notes:

A great big "Thank You" to Donny and Jo Lippard for hosting our May club meeting at their home. Then food was fabulous BBQ brisket with all the trimmings. Add to that some great deserts provided by the club members, and you have a Mopar Party! Donny's 70 B5 blue Charger is coming along nicely, and Jo's 70 Challenger convertible is almost ready for some Panther Pink paint. Add in the white top and interior and the folks around Columbia won't know what to think.

Gary's meeting notes references several great Mopar events coming up this month. One big one is the Power Tour is coming through Nashville to the Speedway June 14 th . Our very own Kevin Shaw and his brother will be on the tour this year. I look forward to seeing the recap of their journey and all the great pictures on www.moparconnectionmagazine.com. Come on out and represent everything Mopar to the other makes and models of cars that will participate in this cool tour.

Steve Yeldell and I will be meeting with the Power Nation staff this week to discuss their plans for a new event to be held at the Speedway and how the Music City Mopar Club can participate and make it a great new event! Right now, the plan is for it to take place on the Labor Day weekend. We will relate more details at our next meeting.

Speaking of our next meeting we will return to the Jim and Nick's BBQ restaurant in Smyrna on June 26 th . 523 Sam Ridley Pkwy W. Our show is just around the corner so don't miss any meeting between now and

September. We really need all hands on deck!

Meeting notes/Gary Garner

The May meeting of the Music City Mopar Club was held May 22nd at the home of Jo and Donny Lippard. We owe a big thank you to Jo and Donny for hosting the May meeting once again and for providing the great BBQ brisket and all of the trimmings. There were 29 members and guests in attendance. It was great to see Louie Yeldell at the meeting. Thanks to Steve and his grandson for bringing Mister Louie. We gained a new member at the meeting. Larry Ferrier signed up and brought his 74 Barracuda with him. Welcome Larry. That should bring the membership total to 152.

After the approval of the April meeting minutes, Wayne Hall presented another good financial report. He also reported that 13 of the 20 Very Important Mopar spaces for the show have been reserved and that we have a total of 18 pre-registrants. There is a lot of building going on at the Wilson County Fairgrounds that will affect our show. Mike Wilkins and Wayne Hall will be meeting with the Fair Board representatives to go over what we can expect for our show and will try to get a signed contract to nail down the availability of the show area.

Steve Yeldell reported on the results of the Good Guys Show. They had 1300-1400 cars. Everything went pretty well considering that this was the first time at the Nashville Superspeedway. We had some issues at the gate with some of the vendors but having only one gate to cover was a big help. The Sunday awards went well, and we received a plaque and our \$1000 scholarship fund check from the Good Guys. A big thanks to everyone who volunteered to work the show. They have a three-year deal to be at the track, so we will be back there next year.

Jake Istvanditsch attended the Mopars at The Battleship and reported that everyone had a great time. There are several shows coming up in June including the Mopars by The Lake in Cullman, Alabama on June 11th and the East Tennessee Mopar show in Knoxville on June 25th. The Hot Rod Power tour will be starting in Memphis June 13th and will be stopping at the Nashville Superspeedway. The official route will be through Columbia on Monday the 13th. The NHRA Hot Rod Reunion will be in Bowling Green at Beech Bend June 16-18. For information on these and other shows, visit our website.

Chris Bielaczyc brought some new club logo hats to the meeting. There are several new styles and colors available, and they are only \$15. You can also see

Chris about embroidering the logo on shirts and jackets. Thanks to Chris for taking care of this for the club.

It looks like summer is finally here, so get those great Mopar rides out and we will see you in June. Stay safe and stay well.
