CHRYSLER

Exhaust Notes:

We had our June meeting at the Jim and Nicks BBQ in Smyrna. We had a good turn out and in spite of a communication mix-up with the restaurant we were still able to get the room to our selves and managed to get everyone served.

The meeting was called to order and the minutes of the previous meeting were approved. We had prayer requests and a call from Ed Raggett saying Glenda had some oral dental work and wasn't feeling very well.

Keep them in your prayers as she continues to improve.

Wayne gave us a membership report and financial update. The club is in good shape right now. Most of our annual expenses are coming up with our show just a few months away. I met with our contact at the fairgrounds and as of now things are rolling along as far as our use of the Fiddlers Grove area for our show. This didn't happen at our meeting but as of the writing of this article the City of Lebanon had a 4 th of July celebration with a car show using the same areas we will be using. It went well without any problems.

The Hot Rod Power Tour was discussed, and most reports were not very favorable. Including the report of several new Mopars being stolen by thieves reading the VIN on a car then accessing that cars information and duplicating a remote key. It seems to be a good idea to keep your VIN covered on your modern muscle cars to prevent theft.

Several other car shows were attended by our members and positive reports of their success were

shared. It is great to see our club members still supporting other area club shows with their attendance.

Chet could not attend the meeting, but he is on top of getting the artwork completed for our show T-shirts, welcome mug, and V.I.M license plates. Since the meeting we have seen and signed off on the final artwork for our 34 th annual show “Old School...New School...Mopar COOL! You are going to love it! Speaking of the V.I.M. display area as of the meeting we have 7 spots left. Since the meeting I have had several conversations with out of state people who are coming to the show and several of them are going to sign up for the V.I.M. display. I expect by our July meeting they will all be reserved.

Steve Yeldell and I have met with the guys at PowerNation TV about our helping them pull off their inaugural Car show at the Nashville Speedway Labor Day weekend. Steve shared all the details of what our club will be responsible for at this event. Steve will send out a sign up e-mail for all volunteers who will work the show. In return for our help, RTM productions

will issue a \$3000.00 check to Chuck Vaughn at TCAT for scholarships for the students. Chuck already has 20 students who have volunteered to work the show.

Our July meeting will be held on Saturday July 30th at Gateway Classics “Caffeine and Chrome” We have been invited by Michael Davenport our club’s contact. We will have our meet and greet at 10:00am and meeting at 11:00am. Bring those cars and show everyone what a real Mopar looks like! They always supply some great food, and we can meet in their cool conference room. Then our August 28 th meeting will be held at Mike and Jo Ann Tanner’s shop. Please do your best to attend these meetings as we finalize details for our show!

On our way to the parking lot after the meeting, there was the coolest surprise. Ron Gillespie’s Red 70 Super Bee was there. Ron has been working on getting his ride on the road for some time. Ron always gives of his time and talents to help a Mopar brother out. He said he is

thankful for all the help he has received from members to get this cool ride up and running. Here are a few pictures. I know we will be seeing more of his ride since he is not afraid to drive this baby anywhere, he wants to go!
