Exhaust Notes:

A great big "Thank You" Gateway Classic Cars for hosting our July club meeting at their monthly Caffeine and Chrome event. We had a great turn out with lots of members bringing their cars! We did meet in the warehouse without air conditioning, but we had too many members show up to be able to use their conference room. Please read the "Meeting Notes" for all the details discussed at the meeting. There is a lot of important

information that affects our club in the coming months.

Steve Yeldell and I have met with the PowerNation staff and finalized plans for the upcoming Power Nationals at the Nashville Super Speedway Labor Day weekend. It is critical that you click on the sign up link sent by Steve and volunteer for a time segment to work the show. Thank you to all of you who have already signed up to work the show, but we need more help.

The last meeting before our show will be held at Mike and Jo Ann's place, 3431 Shores Road, Murfreesboro, TN. 37128, on August 24th with meet and greet at 1:00pm and the meeting at 2:00pm. Our show is just around the corner so don't miss this important meeting. We really need all hands on deck!

Mopar Mike

Gary's notes/Meeting notes

The July meeting of the Music City Mopar Club was held at Gateway Classic Cars in Lavergne Saturday July 30 in conjunction with the monthly Caffeine and Chrome cruise in. There was a good turnout and

many of our members brought their cars to show. Thanks to Gateway for allowing us to have our meeting in the showroom surrounded by lots of great cars for sale. We are sad to report the passing of club member Lynn Cawthorne in May. Jack Stone is recovering from some recent surgery. Troy Randolph Missed the meeting dealing with a family emergency. Please keep all of them in your thoughts and prayers.

After approving the minutes of the last meeting, talk turned to the upcoming Power Nationals car show at the Nashville Superspeedway on Labor Day weekend September 3rd and 4th. The club is going to work the gates and assist with parking for this show like we did for the Good Guys. This will be a great chance to earn a good donation of \$3000 to our TCAT scholarship fund, so we need as many members as we can get to sign up and help out. Steve Yeldell has sent out a link to the online sign-up sheet including a place for your shirt size. You will get free admission for you and your car to the show, and it will help to fund some much-needed scholarships. Please sign up as soon as possible.

The next topic was our show in September. Don Wolfe says that he has enough engine parts to build the trophies for this year's show, but if you have any rods or pistons that you do not need, he will take them for use for next year's show. All of the spots in the covered Very Important Mopars parking area for the show have been sold. The participants in this area will be given a pink parking pass to allow them in the covered area. The artwork on the show shirts has been finalized and we will have another great shirt this year. Mike Wilkins visited the show field and reported that it is currently in pretty rough shape, but there have been other shows held there and it worked out ok. Hopefully the upcoming state and county fairs will provide incentive for them to finish up the area so that we will have a clean parking field.

Club Treasurer Wayne Hall reported on the club's continued good financial condition and that as of the meeting we had 157 members. There were several new faces in attendance including Charles and Karen Allen, Chris Buckner, Erik Gottfried, Erik Patterson, Chris

Wazniac, and Todd Fullford. We welcome all of you to the club.

Jake Istvanditsch reported on the Huntsville Mopar show that he went to at a state park and said the turnout was good and that the club is trying to rebuild itself after having some issues. Jake also reminded us of the event to be held at Talladega in October to support the museum that includes laps at Talladega and at Barber Motorsports Park. Mike and Jo Ann Tanner picked up their newly restored Power Wagon and took it to the Carlisle show and took home first in class and a Celebrity Pick award from a representative of the SEMA show. That is a great result for the first time out with a new restoration.

The August meeting will be at Mike and Jo Ann Tanner's home August 28th. You will get a chance to see the great collection of trucks and cars in their great garage, so please plan to attend as this will be the last meeting before the show due to our not doing the goody bags this year. Please continue to spread the word about our show and pass out flyers at all of the events that you attend. Stay cool and stay healthy and drive

those Mopars and we will see you at the next meeting.
