Exhaust Notes:

What a great turn out at Mike and Jo Ann's place for our August meeting. We may have had our highest attendance at a meeting without FOOD! Thanks Tanner's for hosting the meeting.

I announced that we were informed that MIMI's would not be at our show this year. After putting out feelers we were able to get a food vendor for this year's show! I will be meeting Ed

Bess at the Fairgrounds to make sure where he will be setting up and confirm that he has all the power hook ups he needs.

Chet brought this year's shirts to the meeting and man are they cool. Many of our members took advantage and purchased their shirts at the meeting. We still have a couple of surprises regarding the V.I.M. display as well as our Old School..New School..Mopar COOL! display.

With the show field under construction, we are going to have to get real creative with parking the cars. So, everyone come to the show field on Friday at noon for set up, Big Easy food at 4:00pm and then cruise over to Snow White drive in at 5:00pm. Then Saturday we need to show up by 7:00am, maybe 6:30 would be even better. Our food truck will serve breakfast as well as lunch.

If you are going to attend "The Moparty" in Bolling Green Kentucky contact Jake and get on the list to park with the club.

We will continue our family friendly, well organized Car Show, with the

most comprehensive Judging of any show in the country. Just pray for great weather!

Mopar Mike

Gary's notes/Meeting notes

The August meeting of the Music City Mopar Club was held Aug. 28th at the home of Jo Ann and Mike Tanner. We had a very good turnout, with several new and prospective members in attendance. It was very nice to once again be able to meet in a very nice and cool location on a very warm summer day. Thanks again to Jo Ann and Mike.

Get well wishes go out to Paul Reynold's wife Cindy as she is dealing with a leukemia diagnosis. This will keep them from attending our show, but the rest of the New Orleans Mopar Club will be there and will be cooking for us on Friday night. Steve Yeldell's wife had recent thyroid surgery. Troy Randolph is awaiting the MRI results on his knee. We also learned of the passing of Mel Major who was a big part of the Mopar Nationals and the Carlisle Mopar show. Please keep all of them and their families in your thoughts

and prayers as they deal with all of these issues.

After the approval of the minutes of the July meeting, Wayne Hall reported that we had 159 members, and the club remains in good financial shape. Among the bills that are upcoming for the club are rental for the Wilson County Fairgrounds for our show, show t-shirts and trophies, and sound system expenses. Club member Chuck Vaughn will be retiring from his position at the TCAT school in Smyrna. We wish Chuck well in his retirement. We will not be using Pay Pal for payments on the club website any longer. Anyone joining the club for the rest of this year will get membership in 2023 for the \$24 price.

The new club email address is musiccitymopar1@outlook.com. Please contact Troy Randolph at the new club address if you are not getting the newsletter. Troy also plans to update the for sale and wanted sections of the newsletter every 3 months to keep it up to date. Please let him know if you sell your items so he can update the ads.

Mike Wilkins reported on the Mopar Nationals in Columbus, Ohio. He said that they had a major traffic issue due to a police standoff in the area that shutdown the interstate, but that the weather was great, and several club members once again served as judges for the show. Bill Cook picked up a best of show award at the Woodbury show for his 1971 Dodge Polara police car.

If you plan to attend the Moparty show in Bowling Green Sept. 16-18 you must pre-register. We will have an area set aside for our club members to park on the show field. Please contact Jake Istvanditsch if you plan to attend. There will be a gathering of people at Johnson's Horsepowered Garage in Columbia on Thursday the 15th to cruise together to the show. There will also be a meeting at the local CDJR dealer in Bowling Green on Thursday the 15th.

It is hard to believe that it is show time for our club once again. Mike Wilkins visited the fairgrounds to see the progress being made on the construction of the new building on the show field and reported that the area is in good shape, but it is still a

work in progress. The plan is to park show cars around the building area and in the Fiddler's Grove area and to have the vendors area in the normal location. All of the VIM parking spots in the barn have been sold. All of the cars that will be parking in the barn will receive a pink parking pass. Mike is in discussion with the fairground's representatives about using the new building for next year's show. Chet Biggers brought some of the new show shirts to the meeting and they sold very well. Be sure to get yours early as they will probably sell out quickly. Don Wolfe has secured a welder as the raffle prize for the show. It looks like Meme's will not be our food vendor this year as they have sold their trailer. If you have an idea for a possible vendor, please contact Mike Wilkins.

We can always use all of the help that we can get on set up day on Friday the 23rd and show day on Saturday the 24th. The more members that can help, the smoother the day will go. It is our members that make our show successful and have the good reputation that brings participants back year after year. Come on out

and get involved. You will have a great day. We will see you at the show.
