Exhaust Notes:

Our February meeting at Jim and Nicks was less than a success! I have never been more disappointed in a restaurant in my life. I expressed my feelings about how we were treated in an e-mail to the owner along with another e-mail sent by Donny Lippard. At least the owner personally called Donny and I in two different calls. After being able to meet at their Murfreesboro and Smyrna restaurants over the past decade I assured the owner we

would not be returning to his businesses. I personally want to apologize to anyone who was in attendance and pledge to you it will not happen again.

Sulyn and I had lunch at the Cock of the Walk this Sunday and the food was as good as ever. The manager was more than happy to reserve us a private room for our February 26 th meeting. We have the room from 12:30 – 3:00. Our Official business meeting for those who choose not to eat will begin at 2:00pm. The address is: Cock of the Walk, 2624 Music Valley Drive, Nashville, TN 37214. This is our bylaws meeting and we have a proposed change to add to the bylaws and we will need to vote on it. Please make plans to attend. I already have laid plans for our March 26 th meeting. I have an idea for a fun meeting and will discuss it with the officers before I announce it to the membership.

We are in the process of completing our final edition of this year's show flyer and we will make it available to

everyone digitally. Our “Old School...New School...Mopar Cool 2.0” theme will have something for everyone. Please print and distribute them at any show venue or cruise in you might attend. We are also exploring adding in a “First Responder’s” venue. More plans will be shared as we develop them.

I am very encouraged that our show will be able to stay and grow at our current location. We signed a 3-year contract with the “Fiddler’s Grove” area last year and we look forward to signing another 3-year contract with the fair board using the new building that is being built currently on the old show field. I have scheduled this meeting in March. More information will be shared as it becomes available.

Our special V.I.M. display at last year’s show. “Very Important Mopars” was a huge success. For those who register as a V.I.M. you will get covered parking, commemorative plaque, Show registration, and T- shirt. This is

open to members and show attendees for \$100 each as long as space is available.

We brought up several opportunities during the upcoming months. These activities will be listed in this newsletter. A Biggie is the Goodguys Nashville Show will be Memorial Day weekend. Our club will run the gates again so we will need all hands-on deck. Things should be better organized this year since we had a successful first year experience at the Speedway.

Be sure and read Gary’s meeting notes for upcoming events and Steve will update the calendar as needed. 2023 is shaping up to be our best year ever. Your participation is vital and bring out those COOL MOPARS!

IF YOU ARE NOT RECEIVING THE EMAIL OR THE PRINTED NEWSLETTER PLEASE CONTACT TROY RANDOLPH at (musicitymopar1@outlook.com)

Gary's Notes/Meeting notes

The January meeting of the Music City Mopar Club was held at Jim and Nick's BBQ in Smyrna on Jan. 22nd on the cold patio at the restaurant. We were originally scheduled to meet at the dealership, but they cancelled that on the Tuesday before the meeting.

After the members approved the minutes of the November-December meeting, Club Treasurer Wayne Hall gave a financial report. We have received our check from Freeland CDJR to remain the club's dealer sponsor for 2023. All of the club's charity donations have been made and the club is in good financial shape. It is time for everyone to renew their membership for 2023 if you have not yet done so.

There was a discussion about having a potential display at our show of police vehicles and possibly having this be a theme of the show if enough vehicles can be found. We could possibly include other first responder vehicles to add to the

theme and honor first responders as a part of the show.

Events Director Steve Yeldell gave an update on some of the upcoming events and shows. The World of Wheels show in Birmingham is coming February 23-25. The Indy swap meet will be March 3-4. The Meeting of the Mopars at the Welborn Muscle Car Museum will be March 4th. The Big Easy Mopar show in New Orleans will be March 10-11. For information on these and other upcoming events please check out the club website and Facebook page.

The February meeting will be the by-laws meeting. Donny Lippard has proposed allowing the family of a deceased member to continue that membership and member number or to retire that number for a year. If you have any potential changes to the by-laws, be at the February meeting and present it to the membership.

Everyone will continue to receive the monthly newsletter by email, but it will be accessed by a link that you

click on instead of a download. The members who get it mailed to them will still be receiving it by mail.

As soon as we determine the location of the February 26th meeting, we will send out the information.

Keep working on those Mopars, stay warm and healthy, and we will see you at the next meeting.
