Exhaust Notes:

We had our June meeting at the Cock of the Walk restaurant. The last meeting, we had there was in February, and I reserved a room for 50 and we had 55 in attendance. I reserved a room for 60 this time and we had 26 members show up. There must be too many summer activities. We had a great meeting and, as always, the food and service was excellent.

The meeting was called to order and the minutes of the previous meeting were approved. Wayne was unable to attend so I gave the membership report and financial update. The club is in good shape right now. Most of our annual expenses are coming up with our show just a few months away. I met with several of our members at the Grove to map out how we will manage the traffic flow and the “drive through judging” for the Modern Mopar classes. We also were able to check out the new convention building, and it is nice. We have it reserved for 2024. Plans on how to best utilize the space are already being made.

Several other car shows were attended by our members and positive reports of their success were shared. It is great to see our club members still supporting other area club shows with their attendance. Steve Yeldell gave a follow up report on the GoodGuys show and presented the club a check for \$1000.00. We really needed more members to work the show but those who volunteered made up for the shortage with lots of hard work. Thanks guys and gals for your help.

Chet said the artwork for our show T-shirts, and V.I.M license plates has been decided. Since the meeting we have seen and signed off on the final artwork for our

35th annual show “Old School...New School...Mopar COOL! 2.0 You are going to love it! Speaking of the V.I.M. display area as of the meeting we have several spots left. Since the meeting I have had several conversations with out of state people who are coming to the show and several of them are going to sign up for the V.I.M. display. I expect by our August meeting they will all be reserved so get your spot reserved quickly.

Our July meeting will be held on Sunday July 23rd at the A.A.C.A. clubhouse. We will meet and greet at 1:00pm with the official meeting starting at 2:00pm. Let’s all bring a dessert and let’s make them “Homemade”. I plan on bringing some “Homemade” peach ice cream too. If you can make “Homemade” ice cream, feel free to bring some! After the meeting we will walk the show area and cement our layout plans.

My “Exhaust Notes” will serve as the meeting minutes since Gary Garner could not attend the meeting.
