## **Exhaust Notes:**

*So far, every show we have had over the past 5 years has all had its own challenges. Last year our show field was taken over by a huge new construction project. We found out last minute that Mimi's would no longer be our food vendor. And just about every aspect of the show was affected by all the changes going on at the fairgrounds. I must admit there were several sleepless nights leading up to that show.*

*Our 34<sup>th</sup> annual show proved to be even more challenging. A consignment sale beat us to the punch on renting the new "Made in Tennessee" building. After meeting with the staff on Tuesday before our show, we came up with a plan to fence off our venue from theirs. If we hadn't done that at 6:00am Friday morning, we would have had a mell of a hess. Even with the fence it fell on our club to manage the traffic so our show would work, and we could keep the teaming hordes of bargain hungry women away from our show cars. The guys and gals that manned those gates should get awards for enduring some verbal abuse and keeping their cool.*

*Everything from the front gate, to registration, to parking the cars, to the very successful V.I.M. display, to Judging, to getting the sound reconfigured, to the trophy presentations, and picking up the trash all went like clockwork. Everything went great! I won't name names because I will probably miss someone but THANK YOU to every club member that had a hand in making this year's show a huge success!*

2023

*So glad our sister club from BEMA showed up and again cooked up a feast on Friday! We also had great support from all the family of Mopar Clubs from our area and even some from as far away as Florida. Getting to see old friends and their awesome cars was a real treat!*

*We sold out almost all the show shirts as well as all the V.I.M. parking places. Our display of the Welborn Paint Chip Cuda and the Petty race car was a huge hit. The weather was fantastic and our first drive through judging for the modern Mopar's went great. Big thanks to Jake and his crew for pulling that off.*

*If you didn't make it to the show [Moparconnectionmagazine.com](http://Moparconnectionmagazine.com) did a great YouTube video of our show with plenty of footage of all the cars. If you have signed up to the magazine you would have received the link this past week, if not why not, and if not you can search YouTube and you will find it easily. Looking ahead our October 22nd meeting will be at Martin's Bar-B-Que, 7223 Nolensville, Road, Unit C, Nolensville, Tn. With food at 12:30 and our meeting at 2:00pm. I hope that we can all come and celebrate together our great show and make plans to finish the year strong. Thanks to all and see you in a few weeks.*

*Mopar Mike*
