Exhaust Notes:

We had our April/May meeting at Donny and Jo Lippard's place. As always great turn out, great food, plenty of desserts and great fellowship. Thank you Donny and Jo for hosting the club! The brisket was beyond good, it was fantastic!

The meeting was called to order and the minutes of the previous meeting were approved. We had prayer requests for several members.

Wayne gave us a membership report and financial update. The club is in good shape right now. Most of our annual expenses are coming up with our show just a few months away. I met with our contact at the fairgrounds and as of now things are rolling along as far as our use of the Fiddlers Grove area and the Made in Tennessee building for our show.

Several other car shows were attended by our members and positive reports of their success were shared. It is great to see our club members still supporting other area club shows with their attendance.

Chet could not attend the meeting, but he is on top of getting the artwork completed for our show T- shirts, and V.I.M license plates. Speaking of the V.I.M. display area, as of the meeting, we have a few spots left. Since the meeting I have had several conversations with out of state people who are coming

to the show and several of them are going to sign up for the V.I.M. display. I expect by our June meeting they will all be reserved.

A great big thanks to all who helped us make the GoodGuys show a success. I have the check from the show. I met with the GoodGuys staff and informed them that we need more money if they want us to continue working the show. We had at least 5 of our members who had to work all three days from 5:30 am until closing. We can do a lot better than that guys. We had 24 work last year's show and 28 work this year's show. A couple of years ago we had 48. Our annual show is just around the corner, and we are going to need many, many, more members to work it, if we are going to have a good show.

Our June meeting will be a special one. Instead of meeting on Sunday the 23 rd we will meet at our Club Sponsor Freeland's CDJR show room at 10:00 am on Saturday June 22 nd , 5800 Crossings Blvd. Antioch, TN. Andrew and Jack are going to have a cookout for everyone. Bring your cars and let's enjoy some good ole grillin, and a whole lot of Mopars!

Gary's notes/Minutes notes

The combined April and May meeting of the Music City Mopar Club was held May 11th at the home of Jo and Donny Lippard. Once again, they provided everyone with some great BBQ brisket and sides while club members brought desserts. Everyone got to see the progress that Donny is making on his 70 Charger. It is looking good. Many thanks to Jo and Donny for hosting the club.

After the members approved the minutes of the March meeting, Club President Mike Wilkins let everyone know that Don Wolfe's wife Delores was out of the hospital and recovering from a bad kidney infection and that Jake Istvanditsch was dealing with some storm damage at his home. Please keep them in your thoughts as they deal with these issues.

Club treasurer Wayne Hall gave the members another good financial report and noted that he had paid the club's post office box fee. We have plenty of flyers for this year's show, so please get some and start spreading the word. We are going to have a bookmark style club information strip made to give out to help give the club additional exposure. There is

additional discussion going on about whether to become a 5013C charitable club and do we want to pay the \$1500 set up fee for that. If you have any thoughts on this, please share them at the next meeting.

In show news, we have a new photo guy who will be at the show and will provide us with pictures to show of award-winning entries at the show to be displayed on the video boards as the awards are being announced. We are hoping to have the Nurburgring Daytona, the Marty Robbins 64 Plymouth, and a Forrest Pitcock driven Golden Commandoes car at the show. We are still looking for a food truck for the show.

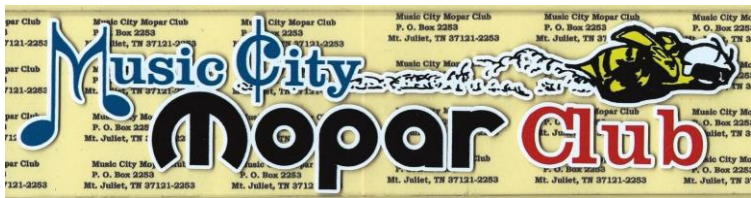

There are many great events coming up in June. Mopars by the Lake in Cullman, Alabama is June 8th. The Mopar Meet in the Mountains in Pigeon Forge is also on that same weekend. The East Tennessee Mopar show is June 22nd. The Hot Rod Power Tour is starting on Monday June 10th at Beech Bend in Bowling Green. Several club members are planning to meet at the Cracker Barrel in Franklin, KY at 9am and cruise up to the Power Tour after breakfast. The Tour will move to the Superspeedway in Lebanon for the second day on Tuesday. Please come up and join us for a good time with a lot of great hot rods. There is no restriction on what kind or year of car that you bring, but you must register online.

The next meeting will be at our dealership sponsor Freeland CDJR on Saturday June 22nd. They will be having their customer appreciation day beginning at 10. There will be food furnished by the dealership. We need to bring our cars out and support our sponsor. This will be a fun event. Everyone stay safe and healthy and we will see you at Freeland on the 22nd.
