## **Exhaust Notes:**

**We had a great turnout at the A.A.C.A. clubhouse. Homemade goodies were in plentiful supply including strawberry ice cream. A big thank-you to Jim Pritchard President of the Middle Tennessee Region for allowing us to meet there. We had a lot on the agenda and Gary will share the details in his meeting notes.**

**Several of our members will be attending and judging at the Mopar Nats, and the end of Summer and this Fall will provide many car show opportunities within driving distance. A good group of our club members attended the Tennessee Valley Mopars on the Mountain, August 3rd. It was a great show and their membership worked really hard to make it a success. Our members brought home 5 awards and Gary won the 50/50.**

**Now we need to focus on our annual show that is just over a month away. It is vital that every member shows up and takes on a role to make this year's show a success. Traffic control, parking cars, and Judging are three areas where we need members to work! With over 150 members the percentage that work the show is less than needed. Our new layout is much more complicated and with the new building we NEED MEMBERS to make it all happen! Our August meeting will be held at Mike and JoAnn's place on Aug 25th, 3431 Shores Road, Murfreesboro, TN, 37128. The**

**meeting will begin at 2:00pm. Please bring a chair and a beverage of your choice. I will have sign up sheets for the different areas that need workers.**

**We still have flyers printed and ready to hand out about our 35th annual show. We will continue our family friendly, well organized Car Show, with the most comprehensive Judging of any show in the country. And we are known throughout the Mopar hobby as the place to go if you want your car Judged by professionals. I had several people express this to me at many other shows I have attended.**

**See you at Mike and Jo Ann's,**

#### **Gary's notes/Minutes notes**

**The July meeting of the Music City Mopar Club was held at the AACA clubhouse at the Wilson County Fairgrounds on July 28th. We would like to thank Jim Pritchard for opening up the clubhouse for us. Club President Mike Wilkins brought homemade strawberry ice cream, and the members brought various other desserts to share. After approval of the June meeting minutes, Mike shared that Jack Stone and Chris Bielaczyc had to miss the meeting due to having covid. We hope that both of them have a speedy recovery.**

**We had a visitor to the meeting in John Edwards and he chose to become a member after the meeting, so we all need to welcome John to the club.**

**We received very positive feedback from the June meeting at club dealership sponsor Freeland CDJR. Don't forget them for your car purchase, parts, and service needs.**

**Club Treasurer Wayne Hall presented another good financial report to the membership. We are looking for sponsors for the club and for the show. We will be contacting last year's show sponsors to ask them to renew for this year. We received a check from Good Guys for our work at their show. We will be asking for more money for next year. With the addition of the Made in Tennessee building this year, our rent and insurance for the show will be going up. As of the meeting, we had 5 VIM spaces left for the show. The show T- shirt artwork is done. Mike will be meeting with the sound equipment company Thursday before the show to get everything set up and to try to link into the buildings sound system. The "No Pigs Too Big" food truck will be at the show and will be setting up near the building. They will have a varied menu including breakfast food on Saturday morning.**

**2024**

The photo guy will be taking pictures of the cars using the flagpole and main entrance area of the Made in Tennessee building as a backdrop. The Good Humor ice cream truck people will be back again this year. The New Orleans club will be cooking again on Friday night. Show registration, t-shirt sales, and the awards presentations will all take place in the building this year. We will not be actively using the pavilion area this year and we want club members who are not entering a car in the show to park in that area. The vendors and cars for sale will be using the same areas as last year. We will have overnight security present Friday night. This year we will go back to normal judging for the modern Mopars and will be parking them in the lot behind the building.

Donny Lippard will be rehosting the club's .com and .org websites after the show is done. If you have any ideas about what you would like to see on them, please talk to Donny.

The August meeting will be at Jo Ann and Mike Tanner's home on August 25th. We will have signup sheets available for the show. We will need everyone's help to make the show work this year. With the addition of the building and the revised parking, we need as many people as we can get to make this show be as trouble free as we can. The member's work is what makes the show go smoothly and ensures that our show has a good reputation and brings people back year after year.

We are coming down to the wire. Help spread the word about the show and pass out flyers at any events that you go to over the next few weeks. Stay cool and stay healthy and we will see you at the August meeting.
