Exhaust Notes:

We had a great October meeting at Mike and Jo Ann's place where we began our meeting at 2:00pm.

We had a lot of reflections on our epic Hurricane show.

We approved the minutes from our last meeting. We then had a recap of our 35th annual show. We discussed some of the changes we made by having the New Made in Tennessee building. We were able to get every car inside out of the weather and everyone was able to drive only on pavement and not mud. Overall, our show was a great success, and the entire club worked very hard to make it all work.

We established our dates for our show in 2025 as September 26 & 27. After some discussion about a theme for 2025 the consensus was, we need to continue to focus and emphasize classic muscle and modern muscle and the evolution of then until now. After talking with some of the officers and members we are suggesting we repeat this year's theme with different areas of emphasis for the three categories. We voted to increase the registration fee for the show from \$25 to \$30 and class sponsorship from \$75 to \$100.

2024

We will continue to use the Holiday Inn Express, Lebanon, as our recommended show hotel. We will increase our room block based on the great response we have had this year. Everyone had only positive feedback about the hotel and the rates.

We have a contract to use the Wilson County fairgrounds for the next 4 years. We have been put on the calendar for the Made in Tennessee building for the next 3 years on our traditional weekend. We will utilize Fiddlers Grove again. The covered barn will become the "Mopar Alley" and the very successful V.I.M. display will move inside the Made in Tennessee building along with the Invitational display.

Wayne gave the financial report after our show detailing the income and expenditure of the club. I was completely surprised that we only lost \$500. We will be able to donate \$500 to the St. Jude Children's hospital from the 50/50 and we will also be able to meet our donations to various charities for Christmas that the club has already approved!

We voted to combine the November meeting with our Christmas party on December 14 at 1:00pm. We will have the Christmas party at the A.A.C.A clubhouse in Fiddler's Grove. Notice it will be on a Saturday.

The club will provide brisket and all the sides and drinks. You just need to bring a dessert.

Several people reported on car events that our club members were able to attend. Be sure and check out our events calendar in the newsletter and on our website.

Wayne will be present to take your dues for 2024 at the Christmas party! He will also bring the few left-over shirts from our show.
