Exhaust Notes:

What a great turnout for our February Meeting at Famous Daves.

Gary Garner has documented the meeting very well in his meeting notes. Be sure and read them for important information about future events. We voted to welcome the electric Dodges, and they will be able to enter class 29 Special Interest. I want to focus my Exhaust Notes on two items for the month of March.

First Steve Yeldell and I talked with the management of GoodGuys Nashville 2025. We were able to get clarity about some of the changes that we as a club will implement. I am encouraged by the changes they have suggested. Steve will be putting together the sign-up sheets online. He will be sending them out to the members in a separate e-mail that will be sent to each member's address. Be looking for it and please sign up as soon as you can so we know where we stand on staffing. Remember we will be paid \$2400 for working the show. This will go a long way to making up some of our losses from the Hurricane show.

Next, our last few meetings have been at Famous Daves, and we love them hosting our club meetings. On Sunday March 23rd we will have our meeting at our dealership sponsor's showroom Freeland CDJR, 5800 Crossings Blvd, Antioch, TN 37013. We will meet and greet each other at 1:00pm with the meeting

beginning at 2:00pm. Registration is open for our V.I.M. cars that will be parked inside the Made in Tennessee building. Space is limited so get the word out to those who want to take advantage of this great package deal. Covered parking in Mopar Alley is available for \$50 per car and regular registration will be \$30 per car. Flyers with registration forms will be available at the meeting.

There are a lot of activities in March that our members will be attending. Be a part of the fun and see you the 23rd.

Gary's/Meeting notes

The February meeting of the Music City Mopar Club was held Feb. 23rd at the Famous Dave's BBQ location in Smyrna. Once again, both the service and the food were excellent.

The first order of business was the approval of the January meeting minutes. Since there were no by-laws issues, they were approved unchanged for this year. The club's end of year charitable spending for 2026 was approved by the members. Our giving includes \$1000 for Wilson County Shop with a Cop, \$500 to the Big Easy Mopar Club, and \$500 to the Toys for Tots.

The theme for our Sept. 26 & 27th show continues to be Old School...New School...Mopar Cool! Holiday Inn Express is the show host hotel again this year.

Chet Biggers is working with Constant Contact and has signed the club up as a way of offering email marketing and online advertising for the club in addition to future email services and posting meeting notes on the site. Chet will let us know when it is up and running.

Jake Istvanditsch reported that we currently have 125 members. Wayne Hall reported that Freeland CDJR has paid for their annual sponsorship of the club. We continue to be in sound financial condition with all of our bills for the year being current. We are always on the lookout for additional sponsors for both the club and the show.

2025

Spring is just about here and that means that show and cruise-in season is upon us. Some of the upcoming events include the New Orleans Mopar show March 28-29, Mopars at the Battleship April 25-25,

the Good Guys show is May 16-18 at the Superspeedway, the Granville AACA show is May 24, and Mopars by the Lake in Cullman, Alabama is June 14. For information on these and other shows, please check our website and Facebook pages.

Steve Yeldell is working with the Good Guys to co-ordinate our working the gate and parking. There will be an online signup sheet available so that you can choose a shift to work. You can get your car into the show, and you will have a great time meeting new people and seeing a bunch of great cars. We need everyone to work a shift to make this come off as smooth as possible.

The last topic of discussion was what do we do if someone wants to enter an electric Mopar in our show. Since we do not have a specific category for these types of cars, we decided to enter them in class 29 which is special interest.

The March 23rd meeting will be held at Freeland CDJR. Meet and greet will be at 1:00 PM with the meeting starting at 2:00.

It is time to get those Mopars out and hit the shows and cruise-ins and spread the word about our show. Please pick up some show flyers at the next meeting. We will see you on the 23rd. Stay safe and healthy.
