Exhaust Notes:

What a great turnout for the March Meeting at our Dealer sponsor's showroom. Thanks to Jack Jarvis for hosting our meeting. Remember the club gets a discount on parts and service.

Gary Garner has documented the meeting very well in his meeting notes. Be sure and read them for important information about future events. I want to focus my Exhaust Notes on upcoming club activities that we need every member to participate in April and May.

Mopars at the Battleship is happening April 25 and 26 in Mobile Alabama. Our sister club, Big Easy Mopar Association, puts this show on and as always, they promise a good time for all. Close to home on May 4 the Mt. Juliet, Wilson County bank show happens. Come early because parking fills up quick.

Now let's talk about the GoodGuys show May 16-17 and 18. As most of you know our club is responsible for running the gate and parking cars in the special designated areas. Except for our annual show, this is one of our biggest events and we need as many of you to work as possible. Steve Yeldell has already sent out the on-line sign up sheets. Please stop as soon as you read this and go sign up NOW. This is a great club event, and we need all hands-on deck.

We always combine our April and May meeting with the holidays. Our next meeting is on Saturday May 10 at Donny and Jo's. Please contact Jo to let her know if you are coming and how many will be in your group. This is vital so we can know how much food to buy.

Gary's Notes

The March meeting of the Music City Mopar Club was held on March 23rd at the showroom of the club's dealership sponsor Freeland CDJR. We would like to thank Jack Jarvis for opening the dealership for us on his day off. Be sure to visit Freeland for a great deal on a new ride or for all of your parts and service needs.

After the members approved the minutes of the February meeting, Wayne Hall gave a club financial update. The club continues to be in very good financial condition. All of our bills are current after we made our donation to the New Orleans Mopar Club. We would like to welcome two new club members. Jim Marone who works on the Don Garlits show in Florida has become a member. Ian Harris was in attendance at the meeting and is our other new member. He is the first club member who has an electric Mopar. He has a nice dark blue Dodge Charger RT. Welcome to the club Jim and Ian.

As always, the main topic was our September show. Deep South photography will be working the show and will be taking pictures of the entrants as they arrive. Last year's food vendor will return this year. He did a good job given the bad weather that everyone had to deal with. We are awaiting word on the letter that Club President Mike Wilkins sent to the officials at the Wilson County Fairgrounds about not having to disconnect the batteries of the cars on display in the Made in Tennessee building. If they ok leaving them connected, the invitational and VIM cars will be on display in that building. The VIM spots are currently available for \$100. This includes show registration, a license plate, and a t shirt. The poultry barn will be used as Mopar Alley. The \$50 fee will include show registration and covered parking in the barn. Both of these areas will sell quickly, so sign up soon if you want to be in these areas. Normal show registration is \$30.

The next big event for the club will be the Good Guys show May 16-18. The online sign-up sheet is out. You should have received an email from

Steve Yeldell with a link to the sheet. We need as many members as possible to come out a work a shift. You will get your car into the show if you choose,

and you will have a great time working with your fellow club members and meeting a lot of great people with their great rides.

Show season is cranking up. some of the upcoming events include Cars for Kids at Brentwood High School on April 12th, Mopars at the Battleship in Mobile, Alabama on April 25th, Mopars by the Lake in Cullman, Alabama June 14th, and the East Tennessee Mopar Club show in Knoxville June 28th. For information on these and other shows and cruise-ins, please see our website or Facebook pages.

We have decided to combine the April and May meetings due to Easter and the Memorial Day weekend. We will have our annual visit to Jo and Donny Lippard's home on Saturday May 10th. Jo and Donny will be providing the great brisket and side dishes again this year. Please let them know how many people you will be bringing to the meeting. We ask that everyone bring a dessert and your drink of choice. We will eat at 1 and have the meeting at 2. Many thanks to Jo and Donny for hosting the club. This meeting usually has the best attendance of the year.

We hope everyone got through the recent stormy weather without much damage. Cruise-in and car show season is here. It is time to get those Mopars out and show your Mopar pride and spread the word about our show. Be sure to pass out our show flyers at all of the events that you attend. Stay healthy and safe and we will see you at the May meeting.
