Exhaust Notes:

Our June meeting was held at Famous Dave's in Smyrna. We filled the room and had several new members in attendance as well as some invited guests. Great food and fellowship began at 12:30 with the meeting at 2:00pm.

The meeting was called to order, and the minutes of the previous meeting were approved. We didn't have any prayer requests for any members. Wayne gave us a membership report and financial update.

The club is in good shape right now. Most of our annual expenses are coming up with our show just a few months away.

Several other car shows were attended by our members and positive reports of their success were shared. It is great to see our club members still supporting other area club shows with their attendance.

Our artwork is being completed for our show T-shirts, V.I.M and Invitational license plates and dash plaques. Speaking of the V.I.M. display area, as of the June meeting, we have several spots left since we moved the cars inside the building. Since the meeting I have had several conversations with out-of-state people who are coming to the show and several of them are going to sign up for the V.I.M. display. I expect by our August meeting they will all be reserved.

I now have confirmed our food truck who served us last year. They will be able to serve drinks on Friday afternoon, Breakfast and Lunch on Saturday. They have a lot of experience setting up at the Wilson County fairgrounds, so all is now set for that important aspect of our show. The BEMA club guys are confirmed and will be cooking on Friday just like last year.

Chet Biggers has confirmed our photographer, and we have picked the General Store as a back drop again this year.

Steve Yeldell has sent out links to the sign- ups for the Triple Crown of Rodding, September 11 and 12, 2026. We need you all to sign- up so we have all the spots staffed. \$5 grand is on the line, so we need to honor our commitment. We also need shirts sizes for each worker.

Our next meeting will be July 26 and will again take place at Famous Dave's in Smyrna. We will be going over final plans for Triple Crown and our show, so I hope to see as many of you as possible at this important meeting. We will have reprinted revised show flyers to hand out before our show. I just found out we will be able to have the covered parking in the Mopar alley for \$50.

Mopar Mike

Gary's Notes/Meeting notes

The June meeting of the Music City Mopar Club was held June 28th at Famous Dave's BBQ in Smyrna. The meeting was very well attended and as usual, the food and service was very good. After the approval of the minutes of the May meeting, Wayne Hall gave another good financial report including a \$500 donation to Make A Wish that was voted on during the May meeting.

Several members reported on shows that they have been attending. Mopars By The Lake in Cullman, the AACA National Meet in Oak Ridge, and the open house at Johnson's Horsepowered Garage were among the events that members have been attending.

Among the upcoming events are the Mopar Nats in Columbus, Ohio July 30-August 2 and Mopars on the Mountain in Huntsville August 1st. If you are one of the members that will be judging at the Nats, you need to be sure to get your request for a judges pass in as soon as possible.

Everyone needs to be sure to pick up some show flyers to pass out at the events that you will be attending. A new flyer will be coming out soon with some class corrections on the back. Our show is coming up quickly. We still have some VIM space in the building. If you want a spot, please go ahead and get pre-registered. We can still use some class sponsors for the show.

Steve Yeldell will be getting the online signup sheets for the TripleCrown of Rodding show at the Superspeedway on September 10-11 up and running soon. This is our big event to raise money for our charitable giving and we need every available member to help out and make this a smooth and successful event.

If you plan on attending Moparty in Bowling Green September 18-19th and you would like to park with other club members, please let Jake know so he can tell them how many will be going to get us a spot for everyone.

A new design for our club logo was presented to the members. After much spirited discussion, the club voted to 1) add a new club logo in addition to the

original logo and 2) to use the original club logo on the front of this year's show shirt.

It is hard to believe that it is July already. Our show is coming up fast and we need to continue to spread the word. Get those Mopars out and show them off. Stay cool, stay healthy, and we will see you at the July meeting at Famous Dave's in Smyrna July 26th.

For Sale: 1973 Roadrunner, original 318 motor, now a 360, bored 60

over w/9:1 compression pistons and a mild cam. New Edelbrock

Avs carburetor, new master cylinder, new brakes, all around,
